INTERIM ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH  
TO THE DORE AND BREDWARDINE RURAL DISTRICT COUNCIL.

1941.

County Offices,  
Ross-on-Wye.

To the Chairman and Members of the Dore and Bredwardine Rural  
District Council.

Mr. Chairman, Mrs. Lucas-Scudamore and Gentlemen,

I have the honour to submit my Annual Report on the health of the District during the year 1941. This Report is very much abbreviated and is to be regarded as an interim report only.

In spite of the upheaval caused by the war, the health of the District has remained remarkably good, and as a result of the effort which the Council made for the immunisation of children against diphtheria, it is possible that the incidence of this disease may be still further reduced in the future.

I take this opportunity of placing on record, my appreciation of the support and assistance which the Council has afforded me throughout the year. This confidence is of considerable encouragement to the Officers of the Department and promotes efficiency.

Throughout the year, I have received much help and assistance in the discharge of my duties from Mr. F. Craze, Clerk to the Council, Mr. D. J. Francis, Sanitary Inspector and Miss Sayce, Chief Financial Officer.

I am, Mr. Chairman, Mrs. Lucas-Scudamore  
and Gentlemen,

Your obedient Servant,

*William Hogg*
