A be seen at the Black Peruke, facing the
 Mews, Charing-Cross, at 11. each Person, that extraordinary
 Phenomenon of Nature, the White Negro Girl. This Child is now
 6½ Years of Age, and is exceeding fair. 'Tis her Complexion only that
 differs from her black Parents, for all the rest of her Features and
 Limaments bear the strongest Impression of the Negro Race, and her
 Head is covered with a white, thick-set, woolly Hair. She has a sur-
 prising Quickness of Approbation, for her Age. After Nine at Night
 she will wait on any of the Nobility or Gentry at their own Houses.

White Negroes.

ACCOUNT OF WHITE NEGROES.

THE following account of the
 White Negro shewn before the
 Royal Society, is in a letter to
 the Right honourable the Earl of
 Morton, President of the Royal
 Society, from James Parsons,
 M.D. F.R.S. and printed in the
 fifty-fifth volume of the Philoso-
 phical Transactions.

It appears that the father and
 mother of this boy were brought
 down above three hundred miles
 from an inland country to the
 Gold Coast in Africa, and were
 bought, among a great number
 of others, and put on board a ship
 bound to Virginia; where they
 arrived in the year 1755.

They became the property of
 Colonel Benjamin Chambers, of
 the Falling-springs, in Cumber-
 land county, in Pennsylvania;
 and are now employed upon an
 estate in Virginia.

The father and mother of this
 child are perfectly black, and
 were both very young when
 landed; the woman not being
 above sixteen years old, and her
 husband not more than six years
 older; and when they landed,
 being asked, how far she was
 gone with child? answered, so
 as to be understood to mean,
 that she was with child some-
 thing more than six moons, and
 that this was her first pregnancy.
 They also declared, that they had
 never seen a white person before
 they came to the shore where
 the Europeans were employed in
 buying black slaves.

This child was born about six
 or seven weeks after his parents
 landed in Virginia, in the year
 1755; and was purchased by Mr.
 Hill Clark, of Colonel Chambers,
 in 1764, so that he appears not
 to be quite ten years old; and
 his mother has had two children
 since, who are both as black as
 the parents.
