NE PLUS ULTRA.
NOW EXHIBITING
THE SPANISH
GOLIAH!

THE CELEBRATED
Senor Joachim Eleizegui,
From the Basque Provinces of Spain,

TWENTY-THREE YEARS OF AGE—STANDS
7 feet 10 inches,
Weights 450 Pounds!

And whose stature is well-proportioned, having arrived from Paris, will have the honor of appearing at the

COSMORAMA ROOMS,
209, REGENT STREET,

In traversing the Continent, Senor Joachim Eleizegui has appeared at various Courts, and been honored with the patronage of

Her Majesty the Queen of Spain.
Her Majesty the Queen of Portugal.
His Majesty Louis Phillipe. King of the French.

All of whom have honored him with munificent tokens of their approbation. Any attempt to describe this extraordinary Phenomenon would fail to convey to the mind an adequate idea of the immense proportions and stature of

THIS MODERN GIANT.

Ocular demonstration only can verify this assertion. Of all the accounts that have been recorded in Ancient or Modern European History of persons of large stature, none have equalled him

ADMISSION ONE SHILLING. Children half-price.

The exhibition to commence at 11 to 5, and 6 to 9.

There is a boy now living at Tresilian, near Truro, named Edward Weeks, who, although only twelve years of age, stands five feet six inches high, is very bony, measures forty-three inches round the waist, and is of the astounding weight of 189 pounds, or about double that of a ordinary youth of the same age.
