August 1970.

To the Chairman and Members of the
Urban District Council of Ashby-de-la-Zouch.

Mr. Chairman, Ladies and Gentlemen,

I have the honour to submit for your attention and consideration the report of the Medical Officer of Health for the year 1969 concerning the sanitary circumstances, sanitary administration and vital statistics of the area. So far as possible it follows the lines indicated in Circular 1/70, dated 1st January 1970, from the Department of Health and Social Security.

I wish to thank the members of the Council for the courtesy and consideration they have extended to me during the year, and not least would I place on record the help I have received from those members of your staff with whom I have come in general contact, and of course, in particular would I mention the help, support and advice so readily accorded to me by your Public Health Inspector and the staff of the Public Health Department.

Your Obedient Servant,

ANDREW HAMILTON

Medical Officer of Health.

Births

The birth rate at 16.5 was slightly above that for England and Wales (16.3) and higher than that for the previous year (14.6). The illegitimate live birth rate per cent of total live births was higher than last year's, but still well below the rate for the country as a whole.

Deaths

83 deaths of Ashby residents were recorded, 31 of these occurring without the district. The death rate at 10.9 was below that for England and Wales (11.9) and much below last year's figure of 13.2.

Infantile Mortality

No deaths of children under 1 year of age took place - one of the happiest features of this report.

ANNUAL REPORT OF THE PUBLIC HEALTH INSPECTOR & HOUSING MANAGER

Council Offices,
Kilwardby Street,
Ashby-de-la-Zouch.

August, 1970.

To the Chairman and Members of the
Ashby-de-la-Zouch Urban District Council.

Mr. Chairman, Ladies and Gentlemen,

I have pleasure in presenting to you my Annual Report,
a record of the work carried out by the Public Health and Housing
Department during 1969.

In presenting this report I wish to place on record my thanks
to all members of the Council for their help and understanding,
for the willing help of the staff, and for the help and co-operation
given to me by Dr. Hamilton and the other officers of the Council.

F.H. WYNNE

Public Health Inspector
and Housing Manager

Water Supply

Water is distributed in the area by the North West Leicestershire Water Board.

There has been no shortage of water during the year.

The water is not liable to plumbo-solvent action and the fluoride content varies between 0.1 and 0.4 parts per million.

Particulars of water supply to dwelling houses in the district are as follows:-

Internal mains water supply -

No. of dwelling houses (estimated)	2830
Population (estimated)	7981

Mains water from external standpipes -

No. of dwelling houses (estimated)	2
Population (estimated)	4

Well Water Supply -

No. of dwelling houses (estimated)	11
Population (estimated)	25

Six samples of mains water were taken for bacteriological examination. All samples were found to be satisfactory.

Seven samples of well water were taken for bacteriological examination. Three samples were found to be satisfactory.

All persons using well water of doubtful quality were warned they must boil the water before it is used for domestic purposes.

Sewerage and Sewage Disposal

No. of cesspools constructed during the year	nil
" " " abolished " " "	nil

Work continued on the reconstruction and enlargement of the Packington Sewage Disposal Works. The work, which will cost £376,000, will be completed in the Autumn of 1970.

The sewage works are under the control of the Council's Engineer and Surveyor.

Closet Accommodation

Total number of houses in district
on 31st December, 1969.

2843

Number of houses with:-

(a)	Privies	nil
(b)	Pail Closets	6
(c)	Water Closets	2837

One pail closet was abolished during the year.

Public Cleansing

A weekly refuse collection service was maintained throughout the district except during the Statutory Holidays - a total of six days per year when about 600 householders do not have their refuse collected for 14 days. The refuse collection service has not closed down for annual holidays since 1966.

The number of dustbins collected per week has increased from 3489 on 1st January, to 3625 on the 31st December.

The cost of the collection and disposal of refuse during the year was £1. 2. 8. per head of the population, which compares very favourably with the average for Urban Districts in Leicestershire - £1. 8. 8. per head of the population.

The bulk of the refuse is collected by a Dennis Paxit 111A continuous loading vehicle with a crew of five loaders and driver. The Shelvoke and Drury Lorry is now eight years old and is kept on standby duties and for the collection of refuse and pails in the outlying areas of the Urban District on one day per week.

Trade refuse is collected by arrangement from shops and offices and a charge of £1. 0. 0. per year is made for the weekly collection of each bin.

The present Tip adjoining the Ticknall Tunnel is estimated to have a life of 18 months but a new Tip has been acquired at Lount in conjunction with the Ashby-de-la-Zouch Rural District Council which will be brought into use when required.

Maintenance of Council Houses

The tenants of the four remaining aluminium prefabricated bungalows at Blackfordby were rehoused in the autumn and the bungalows were demolished.

The twenty aluminium bungalows at Westfield are now in a very poor condition and are deteriorating rapidly, but the tenants cannot be rehoused until alternative accommodation is erected on the station land. This land was purchased by the Council from British Railways in May.

An increasing number of complaints regarding dampness are being received from tenants, particularly in the low cost houses and bungalows built by the Council in 1960 and 1961. Investigations have invariably proved that the dampness in these properties is due to condensation and remedial measures will soon have to be taken to alleviate the problem.

The table below gives details of inspections and visits made to Council Houses during the year.
