I send it on to you
when I made my next
application for bed & c
I should like to be where
it is quiet at night if
I do come & should not
want to go in the fits
room where there is
cursing & swearing going
on most of the nights; I
really feel to need quiet
rest at night & ^{good} company in
the day time I feel this
would do me good. Thanking
you for your kind past
favours & help, from yours
very truly A Barrow

Dear Mr Pearce

I received
your letter of the 16 inst
I have been away for
a few days so kindly
excuse me not answering
your letter, ^{as soon as} I have not
seen my medical man
& I do not think he will
give me a recommend to
come unless it was for

a rest & a change only
~~would this do~~
my wife had him to
visit me about 6 months
ago & I was very much
worse in health then
than I am now; he
declined to give her
or sign a paper for
me to go to a retreat
he said the cause of me
been run down in health
was trouble & anxiety
& I only needed rest &
good nursing & this

I did not get with her
I may say I am much
better than when I wrote
you at first & if I go on
improving I don't think
I shall make any further
effort to come at present
if you write me again
you can send me
a form to be filled up
by the Clerk of the
Monthly Meeting of you
wish then if I do come
I could get it filled up

me & when we have
met together hope you
will remember me to him
also to Dr Mackenzie he
was very kind to me but as
I can not come as I had
thought Dr Mackenzie ^{said} I had
only to write to see if you
had a bid for me not in the
fits room I could come any
time so know I will ~~driving~~
to go to a seaport! still if you
wish or want to like to consider
my application I may come
soon if agreed on if not I
must do the best I can with
kind regards from yours very
truly A Barron

Dear Dr Pearce

Many thanks
for your kind letter this
morning I may say that
the reason I wrote you
was this I was quite certain
that when I came away
last time from the retreat
Dr Mackenzie told me
& my wife that if ever
I felt to be run down

I was to apply for a form same gally with Mr
to fill up as voluntary patient at the same rate as was paid for me then; which I
think was 12 or 13/- per week & you ^{he paid} had given to Mr. Kenney the instructions to tell me if I would come this way in future that it would be better for me & that I could come in the
same gally with Mr Jacob who I very dearly respect as one of my best friends on earth & one I dearly love; no man better through his dear kindness to me all the time I was at the retreat & I am sure I would do any thing for him as far as I could to make him every comfort which I have always done when he as come to see
