HOWCASTER,
CHEETHAM HILL,
MANCHESTER.

Dear Friend
Dr. Pierce

I am just home from
Keswick. Hence the delay
in the full^d matter.

I had a letter from Wm
Burton (who is away)
telling me that his Brother
John - had been again
taken to the Retreat: and
informing me as your
agent. John Burton is
most impecunious - to say
the least of it.

The Brothers will have
to pay for him - and
I write to ask if you

will take him, on the
same scale of pay-
ment as before; wh
they will see paid,
if this is right.

With kind regards
I am Thine sincerely
John Collinson.

My colleague - George
Rooke - is undoubtedly
both a little "out of the
way" & rather elderly to
be much troubled -
Hence Friends here
appeal to me, on their
troubles. (for is ate)

Dear Dr. Pierce -

My brother has sent on to me your note of July 31st

described as "Recovered." He has certainly regained his alert
and cheerful manner and is physically quite active.

With kind regards and many thanks for the care you
have taken of him, believe me,

desirable to charge such a low rate -

as on the former occasion so that

as in the former session so that
 financial position is much the same
 as for your letter that the
 committee to change such a law vote -
 should be circumstances make it

I am much obliged for your report & letter concerning my brother. When I wrote to you I was unaware that my sister in law had been informed of his condition. I have seen my brother and find him better than I was expected to see him again.

I beg to enclose a cheque for the balance of the account; and at the same time I wish to express to you & your staff the gratitude which we all feel for the skill, care, and attention you have bestowed upon him.

Dear Sir

I was very much surprised to have a letter from my brother John Burton this morning telling me that he had returned home the night before last. Considering that he was placed at the Retreat by my brother & myself & that I made myself responsible for all his charges while in your care, I am very much surprised that no intimation of this was sent to me beforehand. I trust you will be good enough to let me have now some account of your views as to his condition, and also some advice as to the best means of preventing any relapse. I should also be obliged if you would have an account sent to me of the sums in which I am indebted to the Institution.

Yours Sincerely,
William Burton

I am very much obliged to you for
your careful report of my brother's condition,

him again. With kind regards.
