Re Maria Duffell. deceased.

As I have already advised you, I sent the account re expenses incurred by the Retreat on Maria Duffell's behalf to Mr Duffell at Newcastle. He has forwarded it to the Solicitor who has the affairs in hand and I have this morning received the enclosed letter from him. It seems best that this letter should be in your hands, so that you may know what is being done in this matter and also the cause of the delay in settlement. It appears that Maria Duffell died without making a Will.

Dear Sir,

I have attended Mr Duffell
who has gone to the Retreat
today as a voluntary patient
& he has asked me to write you
He is a very nervous person
that suffered much from
poor digestion and constipation
particularly during the
last two years. Lighten

months ago she had great
trouble with a faecal impaction
high up in the Sigmoid flexure
and I felt a constriction which
I expected at this time was
of a malignant nature
Her Sufferer has taken very
little food for some weeks
There is a small self-inflicted
wound in front of the left elbow
which she made lately
in a time of despondency

which she will not like
to explain. probably
She is very restless and
I have given her 15 min of
hypnotism at bedtime
as a sedative.

Yours very truly
