Dear Sir

With reference to the enclosed
account received today, may
I draw your attention to the
fact that Mrs Eynon's stay
was not a continuous one.

She left the Retreat a

fortnight before she went to
Thronby. From 7th to 21st
August she was away.

I enclose cheque for £2.7.1,
the amount due if you
credit me with the fortnight's
board. Kindly let me know if
the Institution will accept

this as settlement.

yours faithfully

Dear Dr Pierce

I feel that I ought to
let you know of the great
benefit which my wife
obtained during the four
months that she was
under your care. It is a
year since you pronounced

her well enough to return home, with the happy result that she now feels as well as at any time previous to her illness.

The result of your treatment is all that we could have wished when she went to you.

The unfailing kindness of your staff both at York and

Dear Sir

Your Institution has been recommended to me by my medical adviser, as a suitable one for my wife, who is anxious to go as a voluntary boarder where she may be properly cared for as soon as possible.

Her case is a mental one, which

needs care such as you can give
to ensure a recovery.

Mr Morrison of 5 Lesney Park Rd,
Grith, Kent, has been attending her,
and would give any particulars of
the case that you might need.

Would you kindly inform me if
you can receive her, and whether
you require a preliminary
interview before she takes up
her residence. She could enter
either on Saturday 6th or

Tuesday 9th inst.

Owing to distance it would be
more convenient if she could enter
directly you have seen her.

The Report gives your terms
from 48/- upwards, I hope her case
will allow you to take her at
that figure, as I am not in a
position to pay much more.

Yours faithfully

Wynon

Dear Sir,

I have received a letter from Mr. Wynon saying that it is necessary for his wife to leave home and that he proposes that she should come to the Retreat as a Voluntary Boarder. I conclude that this course is being taken on your advice, and I write to say that we shall be ready to receive her on Tuesday the 9th inst.

I enclose one of the usual forms which Voluntary Boarders are expected to sign and also a form for further particulars as to the history of the case. I conclude you are aware that patients decidedly of unsound mind cannot be admitted as Voluntary Boarders, nor those who are inclined to be suicidal.

Yours very truly,

Dr. Murison

May 3, 1911

Dear Sir,

Thank you for your letter. I have written to
Dr. Murison as requested. The terms, 48/- a week will
be quite satisfactory. You will perhaps remember that
one month's payment should be made in advance. If the
patient does not stay so long as a month the Committee does
not return money by way of allowance, as one month is the
minimum charge.

Yours truly,

W. Eynon Esq.

Dear Dr Peirce

I am happy to say that
the change from York is
proving beneficial to Mrs Lynon,
and I find a remarkable
improvement during her stay

with you. As regards her
future course I should be
glad of your advice.
Can you give me an
appointment at Scarborough,
as we are staying here till
the end of the week.

If not, I could see you in
York.

Dear Sir

I hear from Mrs Eynon,
that you consider her
sufficiently well to spend
some time near Scarborough.

And that I could join
her while she is there.

I shall be glad to
avail myself of this
arrangement for a week,
and should be very
much obliged if you
would engage the necessary
accommodation for her
and myself. I shall be
free after the 5th instant.

Thanking you for the
attention and care you
have given to my wife,
and your kind thought in
this matter.

Dear Mr. Eynon,

I had a talk to Mrs. Eynon, recently, and advised her to stay with us longer, as I felt sure she would improve further. At the same time I said that if she became stationary, it would probably be desirable for her to leave. I think I could answer your question as to when she should do so better at the end of a month. I wish it were possible for me to give you a more definite reply. All I can say is that we see no reason why she should not, eventually, make a good recovery, but it is quite possible that the complete recovery may be delayed.

Yours very truly,

July 1, 1911

Dear Mr. [Name]

I had a letter from you, and I am glad to hear that you are well. I am also well and hope these few lines will find you the same. I have not much news to write at present. I am still in the same place and doing the same work. I have not much to write at present. I am still in the same place and doing the same work. I have not much to write at present. I am still in the same place and doing the same work.

Dear Sir

I thank you for your report, concerning Mrs Eynon's health, which I am glad to hear continues to improve.

I should esteem it a favour if you would tell me

whether you expect her stay
with you to be prolonged
beyond the month of
August, and also whether
her cure will be a
complete one.

Dear Sir

I regret that I was unable to stay long enough yesterday to see you when I called at The Retreat, but I had to return to London the same evening.

I spent about an hour with my wife. I think that her

condition has improved while she has been with you.

She talked about herself a good deal, but I found it much easier to turn the conversation to other subjects, than when she left home.

Also she was more resigned to a further stay at The Retreat than I had expected.

She is anxious to have some

needlework to do, so I will have some sent on to her.

Enclosed is a Money Order for £9.12.0, in payment of a further 4 weeks residence from today.

Thanking you for your care and attention.

Dear Sir

Mrs Lygon, my wife, who is at present under your care, tells me that she finds life at the Retreat, too quiet and inactive to do her good, and that she would be better if she were doing some work.

I do not know if she has said anything to you about this

I should be glad for her to

do household work, while with you, if it would be of benefit to her, or cause her to prolong her stay at the Retreat.

When she was ill in a similar illness some seven years ago, and in a nursing home, she was allowed to ~~cycle~~ ride a bicycle in the country where she was staying, and I understood that that did her much good, and gave her thoughts some occupation.

If she cannot be induced to stay at the Retreat, I should be willing for her to go to Scarborough if you would ^{receive} take her there.

I make these suggestions subject to your approval, and with the desire to prolong her stay as much as ~~possible~~ necessary.

Dear Sir

In my conversation with
Dr Kemp this morning, I
omitted to mention that
Mrs Synon has been sleeping
in a room made as dark
as possible, in order to prevent

her awaking at daybreak.

About three weeks ago
she had bleeding of the
nose ~~on~~ on three or four days.

Her most acute attacks
occurred just before this time.

Since then she has been calmer.

I mentioned the fact that
she has some money with her,
but I do not wish to imply

that she is in any way
unfitted to keep it in her
possession, she has kept ^{full} charge
of her household affairs till
she left to go under your
care.

information may be of service
