Dear Dr. Pierce,

During the past four weeks I have been very busily engaged with the duties of my Chief - while on holiday - as well as my own and personal matters have consequently suffered neglect. Your letter is full of kindness which

I appreciate very much. -

Sorry to hear of your past troubles but hope your trip was attended with pleasure and benefit

I am very glad indeed to say that my health is perfectly good if I may be allowed to say so.

The abdominal pains are now practically gone

and I now feel quite a new man with a great deal of energy and good spirits. -

The progress has been gradual and more marked during the last three months or so. -

You will be pleased to know that all the enthusiasm and zest for work has returned to me and I have derived

a pipe before retiring

Now I have  
given you a kind  
of description of  
myself. — I only  
wish you could  
see the change.

You have all the  
credit of shewing  
me the way and  
I shall always  
feel grateful to  
you and your  
colleagues. — It

would be interesting  
to know what you  
now think of your  
old patient.

Give my kind  
remembrances to  
Dr. Mackenzie Dr  
Kemp - Dr. Dooley  
if with you and  
other friends. - I  
have not forgotten  
the way to play  
bridge.

With every

Good wish and all  
Kind remembrances

Yours very sincerely  
Rob. W. Jack

I sent you a  
Scotsman to let  
you know at once  
your letter found  
me.

Dear Dr. Pierce,

Since I wrote  
you last I am  
pleased to inform  
you that I have  
been keeping very  
well indeed and  
been quite fit for  
my daily duties  
The weather has

not been favourable  
for exercise but it  
should be better soon.

However as it is  
I am all right and  
will be fit for a  
good tramp when  
the time arrives...

Dr. Mackenzie sent  
discharge with which  
I presume nothing  
requires to be done.

I am reminded  
that no statement  
has been sent

relative to the last  
remittance sent to  
the Retreat. - I should  
like to have the matter  
completely closed and  
will be pleased to  
hear from you at  
your convenience

With kind regards

Yours Sincerely  
Robt W. Facky

Dear Dr Pierce,

On my return home I did not take the change recommended by you and Dr. Wyllie Nicol (as the weather was bad) but started business on 1<sup>st</sup> Nov. - For the first week or so I found it extremely

trying, but since then I have steadily improved and am pleased to inform you that I now feel considerably better in every way.

The nerve pains have almost disappeared and with them the restlessness so I am feeling in better spirits and quite hopeful of overcoming my long standing malady, and work

is more of a pleasure. -

The Weather here at present is very foggy and dull though not unusual at this time of the year.

Thanking you for your many past kindnesses to me, and with kind regards and remembrances to yourself and the members of your Staff. - Believe me,  
Yours very sincerely  
Rob. W. Jacoby
