Dear Dr. Pease

I have received
your letter & telegram and
shall be glad of further
information as to Mr. Lloyd's
propose. It seems quite
impossible for any of us
to pay her a visit this
week and I judge from
your letter that it would
be undesirable unless
she should express a wish
to see me or any one of
the family and then is
I suppose improbable but

1256
I must wait your further
advice before considering if
I could come next week.

It may be well to
refer to the decision we
arrived at on a previous
occasion that in the event
of her demise arrangements
for the funeral should be
made at Ipswich it seems no
longer possible to consider the
probability of her removal
to Aylesbury. I am

Dear Dr Rieu

I had a letter
a few days ago written
at Mr Lloyd's dictation
asking me to come & see
her. As this is impossible
I have arranged with my
second daughter Mrs Kameke
who is now in England
and who was intending
to pay her a visit when
possible to go to York
next Wednesday. I expect
she will arrive from

Birmingham either
at 2.27 or earlier on
Wednesday. She may
wish to return the same
day, but it is probable that
she will be willing to
stay the night at the
Hotel returning the
following day

If it is of any use

I may try to pay
a visit in a few weeks,
time but I cannot come
this week. —

Mr Kanche was a
very favorite grand daughter
but she has been 7 years
in India. If Mr Lloyd
can remember anyone she
will welcome a visit from
her as much as she would
from me. I am dear D'Pieris
Yours sincerely
H. Lloyd

My sister Mr. Curtis Greene is
hoping to call to see Mr. Lloyd
on Friday morning. She
may have to come fairly
early as she has to return
here there- after noon.

Dear Mr. Lloyd,

I am much obliged for your letter and have noted the wishes expressed therein.

Mrs. Lloyd remains in very much the same condition. She gives fairly intelligent replies to questions, but there is no doubt that there is a great deal of mental enfeeblement, and her ideas are evidently in very narrow compass.

The Sister in charge showed me the other day a large number of letters which have accumulated, Mrs. Lloyd having kept every letter she has had. I should be glad of a line saying whether we may destroy these. The letters she receives are always read to her, and I think she appreciates having them.

Dear Sir,

I am requested by the Relief Committee to say that at their meeting yesterday it was decided to reduce the terms for Mrs Lloyd to £6.16.6 a week, the reduction to date from the commencement of the present quarter.

This reduction would have been greater, were it not that the Committee have informed that Mrs Lloyd now requires the exclusive services of a day nurse & a night nurse, as well as part services of a third nurse when either of the others are off duty.

I beg to enclose a corrected statement which Office has asked me to send & a copy of the Nurses Report as to present condition.

Dear Dr.Pierce

I am in receipt of yours of the 20th & am surprised that the committee should propose so high an additional charge as 31/6 per week. Even if the entire cost of a night attendant is charged, & from your previous letter of the 14th I gather that you do not consider the exclusive services of a nurse to be desirable, the amount appears to my brother & myself to be excessive. We wish Mrs. Lloyd to have the use of the sitting-room as long as she desires it but must ask the committee to make some reduction on the charge proposed. Hoping they will be willing to do this
