Dear Sir,

I am acting on behalf of Miss Margaret Moore, who is at present in the Northumberland County Asylum at Morpeth, and whom you will remember as having been in your establishment some months ago.

According to the Doctor at Morpeth, she is still insane, but her relatives desire to have her removed to your Retreat.

As her stay with you would in all probability be for a lengthy period, I shall be obliged if you will let me know upon what terms you would receive her.

I shall also be obliged if you will kindly inform me what her mental state was when she left your establishment. Did you think she was permanently cured, or under what conditions did she leave.?

Yours faithfully,

G. W. Chapman.
