To Dr Price, Esq

Dear Sir

I am pleased to tell you my  
son Albert Newborn is a lot  
better he has gained one stone in  
weight I hope he will continue  
to improve I think in your  
Rules it states that if a patient  
leaves before the time that he is  
paid up to that the over paid  
money will be returned I shall  
be pleased to receive after any  
charges connected with him

is paid, to receive the balance  
Wishing you a healthy  
and happy new year

Yours truly,

Dear B. Pierce

My patient, for  
the present, has decided to indefi-  
nitely postpone his visit to York.  
He is sure he would not be  
able to accomplish the journey  
without breaking down, un-  
less he was hypnotised.

I am glad to hear Mr New-  
born is a little better.

I am

Yours sincerely  
Wm. Arbuckle

To Dr Bedford Pierce Esq M.D

Dear Sir

I received a note this morning asking for cheque balance of 19/-  
Board of my son Albert at Newburn  
30-19 of balance

I am enclosing cheque which I  
hope you will receive all right  
does 3-3-0 Include every thing  
per week that is due for me  
to pay I have never heard of  
his conditions weather much better  
or not I have had 3 letters from  
him but he does not name any  
thing about his health

I hope there is some improvement  
in him it is hard lines for us  
all, his poor Mother in a very  
Weak State of health She is bearing  
up well as long as there is a favourable  
Report it will help her

Either me or my other son would  
like to come and see him but  
I don't want to come to do him  
any harm he says he should  
like to see us all again  
don't you think it will do  
him good to keep writing home  
Keep his mind of himself

Yours Very Truly  
Ed Newbome

Dear Mr. Newborn,

There is not very much change to report in your son's condition. He is out of doors nearly the whole day long, usually in the verandah, but occasionally walking round the grounds. We are keeping him very quiet at first, but when the weather is favourable he will begin playing bowls or undertake some light amusements of this kind. He thinks he is just a little better.

It will be quite suitable for you to come over and see him at any time now.

Yours very truly,

near Dr. Arbuckle,

Unexpectedly we have a vacancy, and if the patient of whom you speak is one who could sleep in the same dormitory in which Mr. Newborn sleeps we could arrange to receive him this week, but I fear there is no private room vacant, and I see little prospect of one just at present.

Mr. Newborn goes on much as usual. We have not made much impression on the melancholia yet.

Yours very truly,

Drumclog,  
Thorne,  
Nr. Doncaster.

Dear Dr. Pierce.

I have been ex-  
pecting the necessary forms for  
Signature, required in the case  
of Albert Newborn, but up to  
the present have not received <sup>them</sup>.  
I understand it will be ne-  
cessary to have them duly  
completed within 7 days.

The Father calls upon me  
daily in reference to the above.  
He also informs me he  
sent some clothes to his  
son, but has not yet  
heard whether he has re-

-ceived them or not. He was  
pleased to have a letter from  
Albert on Monday morning  
and was delighted with its con-  
tents. Albert had stated  
that every one was kind  
to him at the Retreat, but  
of course it was not home.

I have a neurasthenic patient  
(Male), who has done no business  
for 6 years, who says he would  
like to be a voluntary patient  
at the Retreat. Can you  
admit him? He eats  
and sleeps well, but can  
take little or no exercise

out of doors, as it brings on  
rapid action of the heart, which  
is purely nervous. He has  
also a dread of being left alone  
in the house, even with one  
person.

With kind regards..

Yours faithfully

H. W. Arbuckle

If you should say to him  
you have had a letter  
from me please give him  
all our best love, and  
hope he will have a speedy  
recovery

with all our kindest regards

Yours Very Truly

Ed Newborn

P.S. please say if I am to  
write to you. Occasionally  
I have wrote him one letter  
he ought to have got it  
on Tuesday Morning  
this is the ~~beaver~~ stroke that  
has ever crossed my path

To the Secretary  
of the Retreat York  
(Dear Sir,

I am writing a few  
lines to you to say  
with not having a few  
lines from my son Albert  
Henry Newborn since Monday  
He and his Mother and  
Brother is very anxious  
to know how he is for  
We think if it is allowed  
for him to write home

If he was well enough  
he would do so you must  
be sure we are feeling  
the loss of him being  
at home very keenly  
as the old saying is  
no news is good news  
I was at Doncaster yesterday  
and I sent him his Box &  
and some wearing apparel  
I hope he has got them  
We came of in such a  
rush that he took nothing  
but what he went in I do  
hope he was found something  
right shirt and c.

I don't know your rules  
but I don't want neither  
him nor myself to go  
against them for from it  
his mother and brother  
and myself is bearing up  
under the heavy yoke as  
well as we can  
and it will be a great  
help to us to have a  
favourable report I hope  
you will I hope you will  
write me if he does not  
for we are so anxious  
about him I will pay for  
any trouble connected with  
so doing

N.B.—The Secretary is instructed to obtain the necessary signatures to the accompanying form of guarantee before the care of any patient is undertaken by The Retreat.
