Dear Dr. Percie,

At last I am able to  
send you cheque value £48.13.10  
in settlement of acc for my father.  
It has been a great disappointment  
to me not to have done this before.  
Just after his return a good Com-  
-mission that I was relying on  
to meet this acc was deferred, &  
other expenses caused by his  
illness made it very difficult  
to meet the amount. I must  
apologise therefore for the delay.  
I am glad to say my father keeps  
up physically tho otherwise is a  
constant cause of anxiety -

Thanking you again for all  
you did for him, & your  
kind consideration in waiting  
for settlement of A/C - I trust  
you are keeping well,  
Yours truly  
Wm. Moore

Mr D. Percy-

I am exceedingly sorry  
not to have sent cheque to you  
before this. I had quite hoped to  
have done so, but others have  
disappointed me. I hope you would  
kindly let me have final A/C,  
I will send as soon as possible.  
We are all delighted to have Mr  
Lather back, tho' he is not so  
strong & well as we would have  
wished - I am sure he would send  
Rigo thanks, if he knew I were writing.  
I hope you had a pleasant  
trip in Wiltshire. Very good wish  
for you in your work for the wel-  
fare of poor suffering humanity.

Yours sincerely

Dear Dr. Pierce,

Many thanks for kindly writing so fully with reference to my Father. I should have replied before, but have been waiting every day to see when I could get over. I hope to be at York on Friday morning, and if the weather is favourable to take my Father to Scarborough. I am not certain of the time of the arrival as I will be coming from Newcastle-on-Tyne, but suppose we could go down to Scarborough after dinner.

Kindest regards.

Yours sincerely,

Dr. Pierce,

The Retreat,

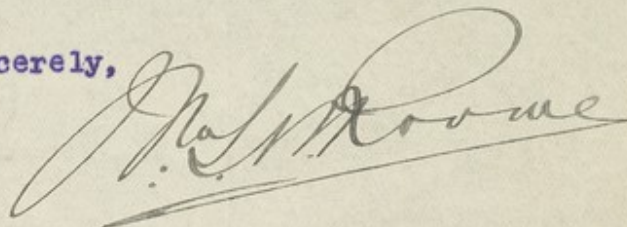

Y o r k. ✓

Dear Dr. Pierce,

Thanks for wire to hand this morning. I am sorry to find that my Father seems to be having rather restless nights. I was proposing to go over this week end if I had heard definitely that my Father would be ready to go to Scarborough'. We have had no letter from him recently, and beyond your wires don't know how he has been progressing. Might I trouble you to wire me on receipt of this whether you think it would be well to go to Scarborough' this week end, or remain a week longer and go at the end of next week. If you wire 'Scarborough' or 'postpone' I will know what you think best.

I hope you are making good progress with the preparations for the New Residence.

Yours sincerely,

1907. Jan May.
