Dear Mr. Waller,

I wrote to Dr. Pierce enclosing a letter I had received from Mr. Marshall asking me to send in the expenses incurred on behalf of Mr. Salvin to the Retreat. & he said I had better let you have the ac^t before Tuesday - I had come to the end of my spare money & have had to borrow £1 from Mr. Armstrong, which

them no doubt will appear in

in any particular form I shall
be glad to know -

I am glad to say we are getting in

4. The transit shall in no case extend beyond (a) the time when goods carried by the Company are unloaded or tendered at the address to which they are consigned; or (b) the expiration of 24 hours after notice of arrival of the goods, posted by the Company, is due for delivery to the Consignee in the ordinary course of post, or notice of arrival is given to him personally or delivered at his address.

5. After the termination of the transit as defined in Condition 4, the Company will thenceforth and subject to these conditions hold the goods as warehousemen, subject to the usual charges.

6. After the termination of the transit, goods carried or conveyed by the Company will be subject in addition to the charge for carriage to further charges for demurrage of 3s. per truck per day, and 1s. per sheet per day in the case of traffic conveyed in Railway Companies' trucks, and of 6d. per truck per day for Siding Rent in the case of traffic conveyed in traders' trucks, or in the case of such goods as are unloaded from the truck, to reasonable charges for rent or services performed, until they are removed from the Company's premises; and similar charges will be made with respect to goods the delivery of which cannot be effected by the Company, in consequence of incorrect or insufficient address. Provided that no such charges shall be made

THE COMPANY

That it is only for the convenience of the public that they accept goods consigned direct to or from foreign countries; and that in accepting goods so consigned and handing them to or receiving them from other Companies or Carriers they do so only as agents for the owner of the goods and do not incur any risk or responsibility of any kind beyond their own system. Traffic consigned to foreign countries must be accompanied with a declaration form to be obtained at the stations, and unless such form filled up and signed by the sender is handed to the Company with the goods, the Company decline all responsibility for the delay and other consequences that may arise therefrom.

When specially constructed trucks are used 6s. per truck per day demurrage will be charged on trucks constructed to carry 15 tons and under 20 tons, 12s. per truck per day on trucks capable of carrying 20 tons and under 30 tons, and 20s. per truck per day on trucks capable of carrying 30 tons and above.

7. All goods delivered to the Company will be received and held by them subject to a lien for money due to them for the carriage of and other charges upon such goods, and also to a general lien for any other moneys due to them from the owners of such goods, upon any account, and in case any such lien is not satisfied within a reasonable time from the date upon which the Company first gave notice to the owners of the goods of the exercise of the same, the goods may be sold by the Company by auction or otherwise and the proceeds of sale applied to the satisfaction of every such lien and expenses.

8. All perishable articles refused by the Consignee, or at the place to which they are consigned; or consigned to a place not known by the Company's agents or servants, or insufficiently addressed, or not paid for and taken away within a reasonable time after arrival, if addressed to be kept till called for, may be forthwith sold by auction or otherwise, without any notice to sender or Consignee, and payment or tender of the net proceeds of any such sale after deduction of freight charges and expenses shall be accepted as equivalent to delivery.

9. The Company will not be liable for any loss of market.

10. The Company will not be liable for any indirect or consequential damages in respect of goods lost, injured or delayed.

11. The Company will not be liable for any loss of or damage to, or delay of goods, resulting from their being not properly protected by packing.

12. The Company will not be liable for any loss of or damage to, or delay of goods, resulting from their being not properly or not sufficiently addressed.

13. The Company will not be liable if goods are lost, injured, or delayed owing to a defect in a wagon not belonging to or provided by the Company, unless such defect arose from the neglect or default of the Company or their servants, or unless the Company or their servants were guilty of negligence in not discovering such defect.

14. In respect of goods consigned to places beyond the limits of the Company's free delivery, the responsibility of the Company will cease when such goods have been delivered over to another carrier in the usual course of delivery.

15. In respect of traffic of every description which loses weight in transit through drainage, evaporation, or any cause beyond the Company's control, carriage shall be paid upon the weight ascertained at the sending station.

Dear Mr. Waller -

I have made out a statement of expenditure day by day this time - so that what you wish me to continue to do?

Where I have put down Horses it means refreshments during the drive - for Horses, drives & Salves. Mr. Salvin has most days found for 2 drives, one in the morning & the other in the afternoon -

If you desire any change in

the form in which I have pre-
sented the accounts, please let
me know -

With kind regards

Yours very sincerely

Geo. Wilkie.

P.S. Would you kindly send me
a post cheque - & as I do not
know how our expenditure is
likely to be here, I think it would
be well to let me have a
cheque for £20.

Dear Sir,

I regret I was from home when your letter arrived or would have attended to it sooner. The Bills paid out amounting to £26-0-7 were for bills paid the receipts of which I enclosed with one account. The only way to get them again would be to go to the Madam and ask them

to give us another statement, which I shall be very glad to do if you wish. The accounts I enclosed were sent by Mr. Salvi from Dealey & have not been paid by me.

- Dearest Pierce
- I have your letter of yesterday's date communicating the decision of the Retreat Committee that Mr Talbot's ^{a week} is to be charged 10 guineas during any absence of his from the rooms he now occupies. The Committee reserve the right to use Mr Talbot's rooms in his absence - paying, as I

understand your letter, at the rate of 10 guinees a week for so much of the accommodation as they see fit to right in respect of & I think this will lead to differences.

I suggest, the 10 guinees be now apportioned among the rooms - say £2.5.0 for each of the 4 large rooms & £1.10.0 for the small room

Yours truly
E. Gleadowe Marshall

As to the date from which the new arrangement is to commence I must ask that it be not earlier than that at which Mr Salvin avails himself of the full increase in accommodation.

I expect to visit Mr Salvin on Tuesday (27th) & shall hope to see you.

Yours very sincerely

Answered Dec. 19th explaining that expense in Mr. S's. maintenance is due to number of rooms occupied. That Committee will reduce retaining fee from 12 to 10 Guin. & if he is away make proportionate abatement.

Mr. S. has asked for a window opposite bay window in sitting room & Committee hope soon to give effect to suggestion.
