Dear Sir

I am very sorry to complain
 to you of the neglected
 condition my sister has in
 when sent from the "Retreat"
 This I can not find out
 until Friday. I more fully

I thought it was but a
delusion, I gave her a
strong dose of salts, that
caused incontinence but
not relief. So I called in
a very experienced hospital
nurse yesterday aft. and
it may seem incredible
to you, but it took her
4 doses of $3\frac{1}{2}$ hours to get
her bowels clear of packed
feces. The entire rectum was

so clogged that other
measures had to be used
as well, before the whole
could be removed by
injections of gallons of water

how my poor sister has
lived, for she can't have
had a proper evacuation
for weeks. And we think
it is very culpable on
the part of her nurse or

know your opinion as

soon as possible.

I had a letter from Miss
White a week ago, quite
servicable & she seemed to
anticipate coming to stay
with me.

Do you consider it
necessary that one of
your Nurses should
come with sister & remain
a little while, of course.
I am not prepared this, unless

Dear Dr. Pease,

Mr. White came to me today about his sister. It seems that she is anxious to leave 'The Retreat' & is expecting to do so at the end of this month. I shall be greatly obliged if you will let me know if this is by your advice, & if you can give me ^{any} hints as to prognosis & treatment.

I am, Yrs. Sincerely,

Dear Sir

Thanks for letters from
 yourself & Dr H Kemp.
 Concerning my sister
 Miss White, we are very
 disappointed she has
 not made greater im-

provement, but still hope
a stay by the sea with
us, will have the desired
benefit. I expect to be able
to bring her here on April
7th and think we should
like a drive to bring
her to Braconia, if you
have occasion to write
to Mr or Miss White in
the meantime, will you

please say if that can
be arranged.

Yours very sincerely
Mr. Dr. Hackett

Dear Dr. Pumph

I hear that my
sister Miss White is very
wishing to return home.
I of course we do not
want her to remain
with you longer than
is necessary, but my
arrangement was that

she should come to us
here before going to her
home at Bingley, but
it will not be convenient
to have her until early
April, as we are commen-
cing spring clean. Expect
to be in Yorkshire April
6th & could bring her on
here then, Will you kindly
let me know your

opinion of her, & if she
is willing to stay with
you until then, after
receiving your reply, I will
write to her & also let
my sister at Bingley
know, as if she won't
be contented, she must
go there until we are
able to have her.

With kind regards
I remain,

Dear Dr. Pierce,

The relatives of
Miss White have asked me to
write to you, in order to emphasize
their desire that she should remain
at The Retreat. I had her in
a Nursing Home for a week, &
there, as at home, she exhibited the
same desire for different surroundings,
& expressed the same idea that she was
sure something else ought to be done
for her. She herself first suggested
going to The Retreat.

I know that these particulars are

Dear Dr. Pierce,

I am enclosing the
Voluntary Bander form. signed by my
patient & witnessed by myself.

As she tends to get worse I have
persuaded her to go to York on Tuesday
next. Should this not permit of time
for the filling up of the Committee's
certificate, would you kindly wire me.

I am,

Yrs. very truly,

Wm. Craig.
