W. E. Waller

Feb 22 1913.

Dear Sir,

At the Meeting of the Retreat Committee on Tuesday the 19th, Mr. Southall & I were directed to inform you that they decided that the fee for the time he was at the Retreat should be 12 guineas -

You will readily understand that the first week or two that a patient is here often proves a very anxious time for the Medical Officers & those who have the care of the patient. It is hardly reasonable therefore that the Inpatient should be expected to incur all the extra trouble of the patient leaving at once.

You will see that this is distinctly stated on p. 37 of our Report, a copy of which I believe was sent you -

Yours faithfully

W. E. Waller  
Secy.

for which we have this statement  
 dated 2 p.m. of our report, as copy of  
 which is being sent you

Yours faithfully  
 W. C. Allen

Dear Sir,

At the meeting of the Patent  
 Committee on Tuesday the 19th Jan  
 the Committee were made aware  
 & have decided to inform you  
 that they decided that the fee for the  
 issue of a patent should be

10 guineas -  
 Your Committee have considered that  
 the first week or two that a patent is  
 in force should be a very anxious time for  
 the Patent Office & that the fee  
 for the issue of the patent should be  
 10 guineas. Therefore that the Committee  
 should be expected to issue all the  
 letters patent of the Patent Office at once.
