THE EIGHTH BOOK OF THE
ART OF MEDICINE

which is the best for the body, and
which is the best for the soul, and
which is the best for the mind.

Now the best for the body is
the body, and the best for the soul
is the soul, and the best for the
mind is the mind.

Therefore the best for the body
is the body, and the best for the soul
is the soul, and the best for the
mind is the mind.
