## MR. HARNESS' SYSTEM OF ELECTROPATHIC TREATMENT.

Sufferers from any Nervous or Organic Disease should not give way to despair. Mr. Harness' unique and complete system of Electropathic Treatment has proved marvellously successful in curing hundreds of obstinate cases which had been given up as hopeless. It should be generally known that the Electropathic and Zander Institute, 52, Oxford Street, London, W. (corner of Rathbone Place), established in 1879, is now the most perfect electro-medical establishment in the kingdom, and in the installation of electrical apparatus of every known kind that is of proved value for curative purposes, is unquestionably the only completely equipped Electro-Medical Institution in the world, and all who can conveniently call will be more than surprised at the progress made during the past few years in electrical treatment. Much unnecessary suffering would be avoided if ladies and gentlemen would remember that, besides the enormous sale of Mr. Harness' Curative Electropathic Belts, the most perfect form of Electro-Massage Treatment is successfully carried on under the skilful medical supervision of fully qualified English physicians and surgeons, by experienced certificated masseurs and masseuses. The Electropathic and Zander Institute contains the best Electrical Appliances and Machines that Science has procured for the use of Nervous and Rheumatic Affections, Liver and Kidney Disorders, &c. A personal visit cannot fail to astonish and delight all who are interested in the treatment of Disease by Electricity, Massage, Swedish Mechanical Exercises, Chemical Inhalation, &c. At this spacious establishment, Rupture, Deafness, Corpulence, Superfluous Hairs, Wrinkles, &c., have also been successfully treated for many years past. Free Private Consultation is one of the features that have helped to build up the present reputation of the Medical Battery Company (Ltd.), ample opportunities being given to all classes to take advantage of the skill and experience of the Consulting Officers, who courteously place their services at the disposal of all who wish for advice. Those who reside at a distance, or who are otherwise unable to call and avail themselves of these opportunities, can obtain full particulars by means of well printed Illustrated Pamphlets, Books of Testimonials, &c., which are sent post free to any address upon application. # BROWN & POLSON'S CORN FLOUR

*Has the Oldest and Highest Reputation.*

NOTE.—First produced and designated CORN FLOUR by BROWN & POLSON in 1856; not till some time afterwards was any other Corn Flour anywhere heard of, and none has now an equal claim to the public confidence.

## THE ONLY LASTING PLEASURE: CONTEMPLATION!

"No voice, however feeble, lifted up for truth, dies."—WHITTIER.

Is the fall of England's greatness near at hand?

SHAKESPEARE } "Come the three corners of the world in arms,  
AND DUTY. } And we shall shock them; nought shall make us rue,  
IF ENGLAND TO ITSELF DO REST BUT TRUE."

THE PIVOT OF DUTY: STERLING HONESTY OF PURPOSE;  
WITHOUT IT, LIFE IS A SHAM.

"DUTY alone is true; there is no true action but in its accomplishment. DUTY is the end and aim of the highest life; the truest pleasure of all is that derived from the consciousness of its fulfilment. . . . And when we have done our work on earth—of necessity, of labour, of love, or of duty—like the silk-worm, that spins its little cocoon and dies, we too depart. But, short though our stay in life may be, it is the appointed sphere in which each has to work out the great aim and end of his being to the best of his power; and when that is done the accidents of the flesh will affect but little the immortality we shall at last put on."—SMILGA.

When the spirit of duty has departed, or become deadened, or supplanted by a selfish vanity of power, or aggrandisement, etc., then the fall of England's greatness is near at hand.

What higher aim can man attain, than conquest over human pain?

## DRAWING AN OVERDRAFT ON THE BANK OF LIFE.

STIMULANTS.—Experience shows that Sugar, Mild Ales, Port Wine, Dark Sherries, Sweet Champagne, Liqueurs, and Brandy are all very apt to disagree; while Light White Wines, and Gin or Old Whiskey, largely diluted with Pure Mineral Water, charged only with natural gas, will be found the least objectionable. ENO'S "FRUIT SALT" is peculiarly adapted for any constitutional weakness of the liver. It possesses the power of reparation when Digestion has been disturbed or lost, and places the invalid on the right track to health.

DISORDERED STOMACH.—"After suffering two and a half years from severe headache and disordered stomach, and after trying almost everything without any benefit, I was recommended to try ENO'S 'FRUIT SALT' and before I had finished one bottle I found it doing me a great deal of good, and am restored to my usual health; and others I know that have tried it have not enjoyed such good health for years.—Yours most truly, ROBERT HUMPHREYS, Post Office, Barrastord."

THE STOMACH AND LIVER AND THEIR TRIALS.—"Permit me to say that I have suffered much from a Stomach and Liver Complaint. Having consulted doctors and tried many medicines, but found that none of them relieved me of this unhappy condition, one doctor told me to try ENO'S 'FRUIT SALT.' I acted upon his advice at once, and it is now nearly a year since I began to use it. Its great value has not been overestimated, and I wish to say that by its use I am enabled to follow my daily occupation, and to enjoy the pleasures of life. I have recommended ENO'S 'FRUIT SALT' to others.—I am, dear Sir, yours faithfully, "TRUTH."

THE SECRET OF SUCCESS.—STERLING HONESTY OF PURPOSE.—Without it Life is a Sham!—"A new invention is brought before the public, and commands success. A score of abominable imitations are immediately introduced by the unscrupulous, who, in copying the original closely enough to deceive the public, and yet not so exactly as to infringe upon legal rights, exercise an ingenuity that, employed in an original channel, could not fail to secure reputation and profit."—ADAMS.

CAUTION.—Examine each Bottle, and see that the Capsule is marked ENO'S "FRUIT SALT." Without it you have been imposed on by a worthless imitation.
