I

MILNROW URBAN DISTRICT COUNCIL

Annual Report of the Medical Officer of Health

For the Year 1972

To the Health Committee of the Urban District of Milnrow

Mr. Chairman and Members,

I have the honour of presenting my forty-fourth Annual Report of the District of Milnrow and again commence by placing before you the General Statistics from which this report is formed.

Population

The estimated population of the district for 1972 is 19,231 with an average of 5.1%.

The rateable value of the district is £740,826 and the sum represented by the penny rate is £1,120,00

The population is industrial and is occupied mainly with cotton spinning, the engineering trade and the wool trade, none of which has any peculiar influence on the population.

ANNUAL REPORT

OF THE
