Council Buildings,

Scarborough Road,

NORTON, Malton.

To the Chairman and Members of the  
Rural District Council of Pocklington.

Mr. Chairman, Mrs. Blight and Gentlemen,

I have the honour to present for your consideration,  
my Annual Report for the year 1949.

During the year, four cases of Infantile Paralysis were notified as occurring within the District. One of these cases resulted in death. Two cases occurred in the children of European Voluntary Workers. One of these cases resulted in severe residual paralysis, while in the the other case the child died. These children resided in different parishes, widely separated, in the District and no common source of infection could be traced.

An epidemic of Measles occurred, 306 cases being notified. These cases were spread throughout the District.

I should like to thank all members of the staff for their co-operation and assistance throughout the year.

I am,

Your obedient Servant,

W. WILSON,

Medical Officer of Health.

## Public Cleansing

The Council has arranged for the collection of house refuse at approximately monthly intervals, throughout the District, with the exception of Pocklington and Market Weighton. In the case of these parishes, power has been delegated to the Parish Councils.

Except in the parishes of Market Weighton and Pocklington, occupiers have to make their own arrangements for the cleansing of earth closets, privies, ashpits and cess pools.
