To the Chairman and Members of the Council.

Madam Chairman, Ladies and Gentlemen,

I have the honour to present the Annual Report of the Medical Officer of Health for 1959.

Vital Statistics:

The estimated population is almost stationary. The standardised Birth Rate again shows a slight decrease and the Still Birth Rate has risen.

The Standardised Death Rate has fallen slightly.

No other changes of significance occurred.

Infectious Diseases:

There were no epidemics although a number of sporadic cases did occur.

I am grateful to the Chairman and Members of the Council for their support and encouragement during the year; and also to all members of the staff, particularly those of the Public Health Department, for their continued co-operation.

I am,
Yours faithfully,

K. M. HARDING

Medical Officer of Health
