Annual Report on Port Health - Port of Sandwich1963

I A. Staff. Change in Telephone Number

Medical Officer of Health, 14 Dane John, Canterbury home Tel: 64411
Tel: 63391

II B.

Ships from	Number	Tonnage	Inspected		No. of Ships reporting infections on board.
			by MOH	by PHI	
Foreign Ports	Nil	-	-	-	-
Coastwise	48	12,687	-	4	Nil
Total	48	12,687	-	4	-

III C. No passengers landed at Sandwich from abroad. All traffic was coastwise, mainly oil to Richborough Wharf, with timber, sand and gravel to the town wharf.

IV No inland barge traffic occurs from the port.

V Water supply to the Richborough Wharf and Town Quay is from the Thanet Water Board mains supply, a chalk well water, moderately hard, and chlorinated before distribution.

Water samples were taken from the same mains as supply the Town Quay and Richborough Wharf and gave satisfactory results.

VI 1. Customs clearance of ships takes place from the Port of Ramsgate and a list of infected areas, maintained at the M.O.Hs office, 14 Dane John, Canterbury, is sent to Customs and Excise (Waterguard). Because the same Waterguard serves Manston Civil Airfield (Eastry Rural District) the list is directed to the Manston Office.

2. There are no arrangements for radio link with Sandwich.

4. There is no mooring station within the Port and Haven of Sandwich (Reg. 22 to 30) usable under standing direction. If such occasion arises and Ramsgate facilities are not available the advice would be to use the seaward end of Richborough Wharf which is accessible to ambulances.

5. No change.

VII No change.

VIII No change.

IX No change.

X Nil

XI Nil

XII E. One expired deratisation certificate notified to owners.

F. Not applicable.

XIII 4 inspection visits were made. Only three ships were concerned in the 48 visits to the port. No statutory or other notices were served.

XIV Not applicable.

XV Not applicable.

XVI No cases. The Ramsgate Mortuary is now used by arrangement between the Borough Councils.

Annual Report on Port Health - Port of Sandwich

1952

Medical Officer of Health, 14 Dunn John, Canterbury
Tel: 64411
Tel: 63391

I. A. Staff. Change in Telephone Number

II. B.

Ships from	Number	Tonnage	Inspected by M.H. by P.H.I.	No. of ships reporting infections on board.
Foreign Ports	Nil	-	-	-
Coastwise	48	12,687	-	Nil
Total	48	12,687	-	-

III. C.

No passengers landed at Sandwich from abroad. All traffic was coastwise, mainly oil to Riddborough Wharf, with timber, sand and gravel to the town wharf.

IV.

No inland barge traffic occurs from the port.

V.

Water supply to the Riddborough Wharf and Town Quay is from the Thames Water Board mains supply, a chalk well water, moderately hard, and chlorinated before distribution.

Water samples were taken from the same mains as supply the Town Quay and Riddborough Wharf and gave satisfactory results.

VI. 1.

Custom clearance of ships taken place from the Port of Ramsgate and a list of infected areas, maintained at the M.O.H. office, 14 Dunn John, Canterbury, is sent to Customs and Excise (Waterward). Against the same Waterward seven Munster Quay (Kent) Rural District) the list is directed to the Munster Office.

2.

There are no arrangements for radio link with Sandwich.

4.

There is no mooring station within the Port and Haven of Sandwich (Reg. 22 to 30) usable under standing direction. If such occasion arises and Ramsgate facilities are not available the advice would be to use the second end of Riddborough Wharf which is accessible to submarines.
