TOTNES RURAL DISTRICT COUNCIL

"Rushbrook", Totnes.

I have the honour to submit my Annual Report for 1952 on the health of the Totnes Rural District.

The live birth rate was 14.3 per 1,000 estimated resident population as compared with 12.7 in 1951, the rate for England and Wales being 15.3.

The infant mortality rate was 20.0 per 1,000 live births, as compared with 16.9 in 1951, the figure for England and Wales being 27.6.

The death rate of legitimate infants per 1,000 legitimate live births was 20.9

The crude death rate for the year was 11.3 per 1,000 estimated resident population, the figure for 1951 being 13.2 and that for England and Wales 11.3

Sewerage and sewage Disposal

Churston Ferrers - A sewerage and sewage disposal scheme is in course of construction.

Marldon - A sewerage and sewage disposal scheme is in course of construction. The Contractor has now been in the parish for over 2 years but the scheme is nearing completion.

Food

Meat and other foods

There are no public slaughter-houses in the rural district and only one Knacker's Yard which is maintained in good condition and is inspected periodically.

Ice Cream

There are 32 licensed retailers of Ice Cream but no manufacturers have premises in this district. All the retailers are provided with refrigerators and only sell ice cream wrapped and as supplied from the factories.

Food Poisoning Outbreaks

There were no outbreaks of Food Poisoning in 1952.

I am, Your obedient Servant,

*Stanley Jellicoe*

Medical Officer of Health.

General and other notes

General notes - A number of people have been in the camp since construction.

Notes - A number of people have been in the camp since construction. The Director has been in the camp for over 2 years and the school is being repaired.

Good

Notes on other notes

There are no people living in the camp since the school was built. The school is being repaired and is now being used.

Joe Green

There are 32 licensed vehicles in the camp but no automobiles have been in the district. All the vehicles are parked in the school yard and only one has been used in the past year.

Notes on other notes

There are no vehicles in the camp since 1932.
