R E P O R T
OF THE
GENERAL COMMITTEE OF GOVERNORS.
OF
ST. LUKE'S HOSPITAL,
FOR THE YEAR 1867.

To the Court of Governors of St. Luke's Hospital.

YOUR Committee regret to inform the Court that the Sale of an additional sum of £2,000. Consolidated 3 per cent. Annuities has been required to pay the Tradesmen's Bills for the past year.

The Benefactions during the past year amounted to £208. 1s., against £343. 5s. in 1866; and the Annual Subscriptions amounted to £74. 6s., against £45. 15s. in 1866.

The amount received from the friends of Patients paying One Guinea per week towards their maintenance was £472. 10s. for Curable cases, against £237. 6s. in 1866; and £1,315. 13s. for Chronic cases, against £1,317. 15s. in 1866.

The amount received from the friends of Patients deemed Incurable was £1,389. 10s., against £1,376. 4s. in 1866.

The Legacy of £100. from the late THOMAS PICKARD WARREN, Esq., has been paid.

The Expenditure has been £9,479. 19s. 1d., against £9,981. 1s. 8d. in 1866.

Your Committee acquainted the Court at their last Meeting that the Hospital had been Assessed to the Poor Rate at a Rental of £2,000., and that they had appealed against that Assessment; they have now the satisfaction of stating that it has been reduced to £1,200. They believe this amount to be in excess of the fair rateable value of the Premises, but they hope that some legislative enactment will soon be made to liberate Hospitals from liability to the Poor Rate.

Your Committee have ascertained that the proposed widening of Bath Street is under the consideration of a Committee of the Metropolitan Board of Works.

Your Committee have endeavoured by weekly advertisements in the "Lancet" and other newspapers of that class to invite the attention of the Medical Profession to the advantages of this Hospital as an Asylum for the Middle Classes; and for the same purpose they have recently addressed a letter to the Editor of the "Times," which was inserted on the 13th January. Your Committee are sorry to add that these publications have not produced any appreciable result.

Your Committee regret to record the deaths of two of the six Vice-Presidents of the Hospital—LORD AVELAND and WILLIAM HENRY WHITBREAD, Esq. Considering the large annuity which the Hospital has received from the liberality of an ancestor of Mr. WHITBREAD, they beg leave to recommend that the Court do elect, as his successor, his brother, Mr. SAMUEL CHARLES WHITBREAD, who, as a Member of the Committee, has always taken great interest in the welfare of the Hospital.

Five other Governors have died since the last meeting of the Court, viz.: Sir H. DES VŒUX, Bart., a Member of the Committee, ROBERT HANBURY, Esq., M.P., Sir JOHN M'TAGGART, Bart., The Rev. P. W. PEGUS, and GEORGE SMITH THORNTON, Esq., and three new Governors have been nominated, viz.:

CHARLES HILLMAN, Esq.

JOHN WARREN, Esq.

W. FOSTER WHITE, Esq.,

the Treasurer of St. Bartholomew's and Christ's Hospitals, whom your Committee propose for election as Vice-President in the place of LORD AVELAND,

Your Committee have received with much regret the resignation of their Colleague, MARK HUNTER, Esq., who for more than 30 years had taken an active part in the management of the Hospital, until prevented by illness. They have the satisfaction of adding that his resignation was accompanied by a donation of £31. 10s. as a qualification for his son, MARK WM. HUNTER, Esq.

The Commissioners in Lunacy made their usual Official Visit to the Hospital, pursuant to sec. 61, of the Act 8 and 9 Vic., cap. 100, on the 9th August last, and reported as follows:—

“ We have to report most favourably of the demeanour and personal condition, as to dress and otherwise, of the Patients of both sexes and all classes.

“ The Sanitary state of the Hospital is satisfactory, the Patients under Medical treatment (none for any serious disorder) are 8 Males and 19 Females.

“ The Medical Books and Registers are carefully kept, and the Hospital generally is under good management.”

Your Committee contracted for the Best Wheaten Bread,—

For the 4lbs. Loaf.

From 1st April ...to 30th September, at 7 $\frac{3}{4}$ d.

„ 1st October to 31st March , „ 8 $\frac{1}{4}$ d.

Per Stone of 8lbs.

REPORT
OF THE
PHYSICIANS AND MEDICAL SUPERINTENDENT,
FOR THE YEAR 1867.

*To the President, Vice-Presidents, Treasurer, and Governors
of St. Luke's Hospital.*

MY LORDS, LADIES, AND GENTLEMEN,

It is with pleasure we have to report to you that during the past year the health of the Patients and the general condition of the Hospital has been satisfactory.

The average daily number of Patients resident was 133.

On the Curable List there have been admitted 47 males and 78 females, and there have been discharged as recovered 20 males and 45 females, giving a per centage of 66-32 calculated on the admissions.

On the Boarders' List there have been admitted 8 males and 5 females, and there have been discharged as recovered 1 male and 1 female.

From the Curable List 7 males and 5 females have been sent out on trial, and out of this number 5 males and 3 females were discharged recovered, and are included in the List of Recoveries, the others were discharged as relieved, 1 male and 3 female Patients are still absent on trial.

The deaths have been 9 in number—5 male and 4 female, and have been from ordinary causes.

On the 1st of January of the present year there were on the Hospital books, on the Curable List, 19 males and 43 females, inclusive of 1 male and 3 females absent on trial, and on the Boarders' List 32 males and 44 females.

In the month of August last the Commissioners in Lunacy made their Annual Statutory Visit, and have recorded at length in the Visitors' Book the satisfactory state in which they found the Hospital.

The very unsatisfactory manner in which many of the Medical Certificates are filled up in some of the cases applying for admission requires from us a few remarks, as it frequently happens that the Certificates brought with Patients from the country contain only the opinion that the Patient is insane and not the special facts of the state in which the Medical Practitioner found the Patient on his examination. Hence other Medical Certificates have to be obtained, a circumstance which gives a great deal of trouble, and such a further expense to the friends, as in many cases can be ill-afforded; and we wish to impress on the profession the necessity that exists for recording plainly in each case the amount of perversion as regards the intellect, habits, instincts or affections.

On referring to the Statistical Tables the Committee will observe the high rate of cures that obtains in this Hospital: this we consider to be mainly owing to the assistance our special remedies receive from the liberal and admirably served dietary of the establishment, supplemented as it is with Brandy, Wine, &c. These things carefully administered are not less essential than medicine in the cure of this disease, and the Committee does not need to be informed, after hearing the history of the many cases applying for admission, that insanity is probably as much as any other disease a disease of debility. We often observe indeed that long before any mental lesion is suspected, the bodily health of the Patient has been gradually giving way, and that the brain shows itself to be ill-nourished by the restless

fretfulness of the Patient; hence the peculiar necessity, for kind nursing and generous diet, and we gratefully thank the Committee for placing so liberally at our disposal these means.

We have the honour to be,

MY LORDS, LADIES, AND GENTLEMEN,

Your obedient Servants,

HENRY MONRO, M.D., F.R.C.P.

WILLIAM WOOD, M.D., F.R.C.P.

JAMES ELLIS, M.D., L.K.Q.C.P.
