FOR above 28 years past, that my Pills have been made publick, they have through the as-
sistance of God been attended with admirable success in curing most dangerous Diseases in-
cident to mankind, and thence having deservedly gained an high esteem and reputation, some
wicked persons out of a design of filthy lucre, have falsely pretended they have gotten a Receipt
of them; who wandring through the Countreies, have offered at under rates a sort of dangerous
Counterfeit Pills to sale: these are therefore to request all my correspondents (for sale of my Pills)
that if they can discover any such person or persons as above-mentioned, they will give me speedy
notice thereof, that I may proceed against them according to Law, all such pretenders being ab-
solute Imposters or Cheats designing only to Couzen the Countrey.

WHEREAS it hath of late been falsely given out by some Persons, that M. Bromfield the In-
venter and Publisher of the abovementioned Pills is dead, and that one Mr. Joseph
Stent sets forth Pills in his Name, without ever having had any order for his so doing. These are
therefore to satisfy all Persons, that I the said M. Bromfield (blessed be God) am in good health
at my House now in Tottenham High-Cross in the County of Middlesex; and I do hereby further
signifie to all Persons, that I the said M. Bromfield for Divers good Reasons and Causes thereun-
to me moving, have some Years since, set over and assigned my whole and sole Right and Inte-
rest of preparing, making, vending and selling my said Pills, to the said Mr. Joseph Stent,
and to no other Person whatsoever: He the said Joseph Stent being the only person to whom I
ever did or shall discover the Secret of preparing the said Pills, and who hath constantly as-
sisted at the preparation of them at my former Dwelling-house in Plow-yard in Fetter-lane a sort-
said for the space of about fourteen Years together.

Dated at my House in Barnet, my former
Dwelling, March the 13th 1685.

M. BROMFIELD.
