MEXICAN BLOOD AND LIVER PURIFIER.

The Great Dyspepsia Remedy and Worm Destroyer.

This powerfull but harmless remedy cures one complaint and one complaint only, namely: **A Torpid and Diseased Liver.** Rev. Henry Ward Beecher says, "A man suffering from a Diseased Liver thinks God and the World against him." Why think so? Because a Torpid and Diseased Liver will positively produce any one or more, and sometimes nearly all of the following disorders, Chills, Fever, Malaria, and Dyspepsia, with its varied symptoms, such as Dyspeptic Cough, Indigestion, Loss of Appetite, Loss of Memory, Nausea, Sick Headache, Constipation, Piles, Belching of Wind, Sour Stomach, Coming up of Food after eating, Heaviness at Pit of Stomach, a tired all-gone feeling, vitiated state of the Blood, Pain in the right Side, and under the left Shoulder, Palpitation of the Heart, Partial Paralysis of the left Side, Inaptitude for work, and as a medicine for the lassitude peculiar to the Spring it stands without an equal.

A Torpid and Diseased Liver produces a Bad Digestion, a bad digestion creates a Foul Stomach, and a foul stomach Breeds Worms. As a Vermifuge or Worm Destroyer, Mexican Blood and Liver Purifier far surpasses all Worm Medicines known, for it will positively destroy worms after all other remedies fail. It acts as kindly upon the tender infant, the most delicate female, and infirm old age as upon the most vigorous and athletic system.

PHILADELPHIA, PA.

ACTUAL FACTS.

Entering the office—in an off hand style—and without an introductory word: “Do I look like a sick man?”

“No Sir, you do not.”

“Well, three weeks ago my wife said ‘Upon my word John, I’m afraid of you.’ ” “Why?” I asked.

“Why? I believe you are losing your senses; it seems to me you don’t take a bit of interest in anything about the place; vegetables, fruit, poultry, everything needs attention from you, yet we can get you to see to nothing; come rouse yourself, I’m in earnest, I’m afraid you’re going crazy.”

“Yes Sir, it is true, three weeks ago I was all that and more too—though at that time many folks did not say, what my neighbors have told me since, they were afraid I would kill myself to get out of my misery.”

“I don’t look sick; No, not a bit of it—nor feel sick either, and two bottles of your medicine did the work.”

“That is first rate news. Now be good enough to tell me—who you are, what you were, and what the medicine did for you,”

“Indeed I will,” with a laugh on his good, round, jolly face, “I want you to tell everyone who is suffering as I was,” he drew up a chair and began;—“Well, my name is John B. Fell, I live in Germantown, Philadelphia, and as you may judge, by nature a big, healthy fellow.”

“Healthy? not always. My goodness! how I suffered. Ugh! how I felt. Big and strong looking, yet a perfect wreck. Head, breast, side, stomach, back, legs, all bad, bad. Why, when I walked around the place, the ground seemed like a springing board; had such an aching and oppression around my heart, that I would unfasten my vest, to enable me to breathe without pain; stitches through my right side as though a knife had ripped me open; my bowels fearfully constipated; and my back, here, low down, was so bad; but my poor stomach, that was the greatest misery of all; belching of wind, cramps, sickness, a terrible appetite and such a distress after eating. But I believe one of the worst things I had to endure, was the awful dread of ‘something going to happen,’ that was everlastingly over me. Indeed, my neighbors said rightly, I didn’t care whether I lived or died, I had taken so much medicine without relief. I thought I never would be better. Just at this time (three weeks

ago) I was in Woodbury, N. J., and there happened on an agent of yours advertising your medicine—"MEXICAN BLOOD AND LIVER PURIFIER"—listened to what he said regarding the remedy; heard him tell of what it is made, and name persons in Woodbury cured by it. I tell you, sir, it staggered me, to hear men cured by it verify his statement, and faithless as I was, regarding all medicine as good for me, I soon concluded to give this new found remedy a trial, and after two bottles, taken according to directions—here I am a well man. Now you tell me what ailed me, for I am going to sell some of this medicine, and when people tell me how they feel, if their symptoms are anything like mine, I want to be able to tell them the whys and wherefores of it."

"So I will—the simple fact is, you were suffering from a Torpid and Diseased Liver which produced a bad digestion, commonly called Dyspepsia, which also produces a derangement of the Kidneys, impure Blood, Sluggish Circulation, hence your pain in heart and light headedness, (or Vertigo) cold feet and painful extremities. The feeling of great dread and despondency was caused by food (instead of being digested) fermenting, forming a gas which pressed upon the nerves and communicating with the brain cause all these bad forebodings. And while these facts may seem very wonderful to you, snatched from the grave, as it were, they are facts that are daily reported to us from all sections of the country—and we know the remedy will cure all cases (no matter how varied the symptoms) arising from the same great cause Torpid and Diseased Liver."

"By the way, Mr. Fell speaking of wonderful cures. We are in daily receipt of letters and verbal testimonials from parents whose children are given up to die—but who after taking a few doses of "MEXICAN BLOOD AND LIVER PURIFIER" are relieved of Worms and soon become fine healthy children."

"Among the number, I will name one from whom we have lately heard, Mr. Chas. Seely, No. 19 S. Fourth St., Camden, N. J., whose child five years of age was suffering greatly, and for two weeks was attended by reputable Physicians without any relief to the little one; 'A few doses of MEXICAN BLOOD AND LIVER PURIFIER, Great Dyspepsia Remedy and Worm Destroyer,' Mr. Seely says, 'and the Worms could be gathered by the double handful and in a few days the child was well.'

Make no mistake! The "Mexican Blood and Liver Purifier" is the only true and reliable remedy for
Dyspepsia.

ANNVILLE, LEBANON Co., Penna.,
June 29th, 1881.

R. H. Mitchell,

Dear Sir:—I am a living exponent of the value of your medicine—to it I owe the comfort I now enjoy. A sufferer from Dyspepsia for several years, I had frequent fits of vomiting, my appetite was all gone, my nervous system was completely shattered, in fact I was a picture of misery. Having purchased a bottle of your medicine, I commenced to take it. After a few doses the vomiting ceased, the nervousness vanished, my appetite returned, and although I have not finished my first bottle, I find myself entirely cured. Publish this if you think it worth while—and believe me,

Very truly yours,
WM. WITMIRE.

JANUARY.

•Mitchell's Cough Balsam" contains no opium or morphia.

When your Bowels are Constipated use “Mexican Blood
and Liver Purifier”

JANUARY.

:0:

In Acute Inflammation of the Lungs apply “Mitchell’s
Bone and Nerve Oil.”

Constipation, Liver Complaint and Piles are certainly
Cured by using "Mexican Blood and Liver Purifier."

FEBRUARY.

:0:

For Chilblains and Frosted Limbs, bathe the affected
parts with "Mitchell's Bone and Nerve Oil."

A sure Remedy for Scrofula and Blood Poison, "Mexican Blood and Liver Purifier."

READING, Pa., April 13th, 1882.

R. H. Mitchell,

Dear Sir:—For many years I suffered from Dyspepsia, which, from the fact that no medicine seemed to give any permanent relief, I was induced to believe was chronic and incurable. Having been recommended by a friend, a resident of your city, who had been cured by its use, to take "Mexican Blood and Liver Purifier, I concluded to try a bottle, and having found relief, I continued its use till now I find myself cured.

Rest assured that in me you have a sincere and grateful supporter, and one who will do her utmost to extend the sphere of usefulness of your valuable preparation.

Very truly yours,
Mrs. F. R. LOOSE, 931 Spruce Street

MARCH.

For Hoarseness and Loss of Voice use "Mitchell's Cough Balsam."

As a Medicine for the lassitude peculiar to the Spring
"Mexican Blood and Liver Purifier" stands without an
equal.

12 Sherwood St., Golden Square,
London, Eng., June 26th, 1881.

DR. R. H. MITCHELL, Phila., Pa., U. S. A.

My Dear Doctor:—My son, 18 years old, had a Tape
worm. He has it no longer because he took MEXICAN
BLOOD AND LIVER PURIFIER, which completely removed
it. He was very thin and weighed only 7 stone 10
pounds. He is now, however, gaining flesh rapidly, and
at the present writing, (4 weeks after the removal of the
worm,) he weighs 9 stone 8 pounds, a gain of nearly two
stone. I believe your medicine will do all you say, and
will cheerfully recommend it whenever called upon to do
so. Yours, etc. HENRY WILLIAMSON.

APRIL.

For a dry hacking Cough use "Mitchell's Cough Balsam
and bathe the Chest with "Mitchell's Bone and Nerve"
Oil."

For Sleepy, Drowsy feelings after eating—arouse your
Torpid Liver by taking a few doses of "Mexican
Blood and Liver Purifier."

APRIL.

:O:

For Lame Back use "Mitchell's Bone and Nerve Oil."

“Uneasy lies the head” of sufferers from Dyspepsia.
They may procure comfortable repose by taking
“Mexican Blood and Liver Purifier.”

PHILADELPHIA, March 25, 1881.

R. H. MITCHELL, ESQ.,

Dear Sir:—Having suffered all the pangs of the worst form of Dyspepsia for over ten (10) years, and during that time, having been under the care of several first-class physicians, and taken quarts of various medicines recommended, without experiencing any permanent relief, I was induced to try the MEXICAN BLOOD AND LIVER PURIFIER, and after taking a few bottles I was completely cured. With hearty thanks to you, and a cordial recommendation of the medicine to all similar sufferers, I remain,

Very truly yours,

R. PHY. 437 E. Cumberland Street.

MAY

There is no disease of the Throat and Lungs that cannot be reached by “Mitchell’s Cough Balsam.”

When the Kidneys grow inactive, dull, heavy, pains in the small of the back, with high colored urine, and brick dust deposit, recourse should be had to
“Mexican Blood and Liver Purifier.”

Annville, Lebanon Co., Penna.

R. H. MITCHELL,

Dear Sir :—I have been for some time past under medical care, being supposed and supposing myself suffering from Consumption. After taking a few doses of MEXICAN BLOOD AND LIVER PURIFIER, I was relieved of an immense number of pin (or seat) worms, since which the painful symptoms from which I suffered have entirely disappeared.

Yours with gratitude,

JOHN CARMANY.

JUNE.

For Asthma and Bronchitis take “Mitchell’s Cough Balsam” and at the same time apply “Mitchell’s Bone and Nerve Oil.”

Ladies, when the Stomach is so weak that it is unable to retain even a swallow of water—a few doses of “Mexican Blood and Liver Purifier” have been known to relieve it—and promote a healthy Digestion.

Allentown, Pa., August 6th, 1881.

Dear Sir :—My little boy was a very delicate looking child, and very few thought we would raise him. He was nearly always ailing, his appetite was variable, his complexion yellow, had no flesh on his bones to speak of, was cross, fretful, and restless. We had given him worm medicines without effect. I thought I would try your MEXICAN BLOOD AND LIVER PURIFIER, of which I had heard a great deal. I administered two doses one day and one dose the next. After the third dose he passed a number of stomach worms, round, and pointed at both ends; since then he has constantly improved in general appearance, and is quite well. You can make what use you like of this.

Yours, etc.

THOMAS J. WATTS.

R. H. MITCHELL, ESQ.

JULY.

“Mitchell’s Cough Balsam” is the best Lung Remedy known.

Upon rising in the morning with an Aching Head,
Furred Tongue, Sick Stomach, with a disgust for food—
take a few doses of “Mexican Blood and Liver Purifier”
and be relieved.

Columbia, Pa., June 1st, 1881.

Dear Sir:—Your valuable remedy has succeeded in
working, what I should have considered a few weeks
ago, a miracle. I had a very bad form of dyspepsia,
which besides destroying my appetite, produced a condi-
tion of nervous prostration. After taking a few doses I
felt considerably relieved, and in an incredibly short
space of time I found myself cured. Accept my heart-
felt thanks, and rest assured I will do all I can to spread
the knowledge of your priceless medicine. You may refer to

Yours very truly,

J. K. SMOKER.

R. H. MITCHELL, ESQ.

OCTOBER.

As an appetizer and Stomach corrector "Mexican Blood and Liver Purifier" is universally known to be the best.

OCTOBER.

—:0:—

For pains in the region of the Kidneys bathe well with
"Mitchell's Bone and Nerve Oil" and take small doses
of "Mexican Blood and Liver Purifier."

Instead of scolding and punishing your children when cross and fretful make them happy and healthy by removing from them those terribly annoying pests, Pin or Seat Worms, give them a few small doses of "Mexican Blood and Liver Purifier," a vermifuge which will destroy Worms after all other Worm remedies fail.

22 Warren Street, Liverpool, Eng.,
July 9th, 1881.

DR. MITCHELL,

My Dear Sir:—Thanks to your inestimable preparation, the MEXICAN BLOOD AND LIVER PURIFIER, I have not now to mourn the loss of my wife. She had been suffering from an attack of Bilious fever, and became so bad that the doctor gave her up. A friend of mine from America, told me that he had seen bilious fever cured by the BLOOD AND LIVER PURIFIER, so after hunting over half Liverpool, I procured a bottle at your Agency in Lord Street. After taking it she commenced to improve rapidly, and to our great joy is now quite well—for which I give thanks to the Almighty, and under Him, to you.

Yours very gratefully,

JAMES O'REILLY.

NOVEMBER.

For Tickling in the Throat use "Mitchell's Cough Balsam."

Annville, Lebanon Co., Pa., R. H. Mitchell. Dear
Sir :—I have been for some time past under medical care,
being supposed and supposing myself suffering from Con-
sumption. After taking a few doses of “Mexican Blood
and Liver Purifier,” was relieved of an immense number
of pin (or seat) worms, since which the painful symptoms
from which I suffered have entirely disappeared. Yours
with gratitude,

JOHN CARMANY.

NOVEMBER.

—:0:—

For Cramps and Wind Colic in Horses give “Mitchell’s
Bone and Nerve Oil.”

The Worm Destroying property of the "Mexican Blood and Liver Purifier" has no ill effect upon the human system. Its only province is to destroy worms of every kind (Tape, Stomach and Pin,) which infest the human body, and bring them away (whole and entire) together with the nests in which their young are deposited, in so short a time that they cannot be dissolved before being discharged.

Charles Street, BALTIMORE, Md.

February 14th, 1881.

R. H. MITCHELL,

Dear Sir:—I wish to add to your many laurels, the history of my cure.

For nearly eight years I had been a victim to Liver and Stomach troubles, brought on by a severe attack of Malarial Fever, when a friend gave me a bottle of MEXICAN BLOOD AND LIVER PURIFIER, (as he knew I would not purchase any Patent Medicine, being so often fooled.) The result seems to me almost miraculous. I took altogether five bottles, and am most as well as I ever was in my life.

Go on my dear Sir in your good work, your medicine will prove to be of more value to sufferers, than one half the doctors on the continent of America.

Gratefully and respectfully yours,

JAS. H. LYNN.

DECEMBER.

"Mitchell's Cough Balsam" is pleasant to the taste and perfectly harmless.

Suicide is committed by those who die from neglect of reasonable precautions to preserve health. "Mexican Blood and Liver Purifier" is a necessity to all sufferers from Liver and Kidney troubles.

DECEMBER.

—:O:—

For Lameness of any kind use "Mitchell's Bone and Nerve Oil."

STUMBLING BLOCK

Of America is the terrible disease known as AGUE or CHILLS and FEVER. It is well known that this dangerous complaint carries off thousands annually, particularly in the middle, southern and western states. Not only are many slain by it, but many more have their constitution destroyed, and are themselves made a wreck.

Sufferers from this fell disease have a sure and safe remedy in the "MEXICAN BLOOD AND LIVER PURIFIER," which will not only cure an actual attack—but will also prove an absolute preventive from those attacks.

Those who live in the neighborhood of marshes, and close to the banks of large rivers should remember that "prevention is better than cure," and while a child can blow away a snow-flake, the avalanche, which is but an aggregation of snow flakes, carries everything before it.

Why, then, run the risk of death or life-long misery, when either may be prevented by a judicious use of "MEXICAN BLOOD AND LIVER PURIFIER," the Great Dyspepsia Remedy and Worm Destroyer.

Annville, Lebanon Co., Pa.

Mr. R. H. Mitchell,—Dear Sir :—Your medicine has done for me what the doctors failed to do, namely, it cured me of a very bad fit of Chills and Fever, which nothing else seemed to touch.

I had taken Quinine and Blue Mass till I was completely disgusted, without the least relief—but I had not taken more than five doses of "MEXICAN BLOOD AND LIVER PURIFIER" before the chills were broken. Now I am entirely well, and I assure you I would not be without the medicine for five (5) dollars a bottle.

Very gratefully yours,

July 6th, 1881.

JOHN BOMBERGER.

HAVE YOU LIVER COMPLAINT ?

“Mexican Blood and Liver Purifier” will cure you.

“Mexican Blood and Liver Purifier” will cure you.

HAVE YOU A DISGUST FOR FOOD ?

“Mexican Blood and Liver Purifier” will cure you.

HAVE YOU LOST YOUR STRENGTH ?

“Mexican Blood and Liver Purifier” will cure you.

“Mexican Blood and Liver Purifier,” is unquestionably the BEST Liver Regulator, Blood Purifier and Dyspepsia Remedy known to mankind.

AS A VERMIFUGE

—OR—

WORM DESTROYER.

“MEXICAN BLOOD AND LIVER PURIFIER” has no equal. It is a searching, safe and speedy remedy. It brings away the worms whole, complete and entire. It cleanses out those slimy accumulations in which the worms breed and congregate. It acts with far greater completeness and rapidity than any other Vermifuge or Worm Medicine in use. It never gripes in operating. It is warranted to contain no deleterious agent. It acts as kindly on the tender infant, the most delicate female and infirm old age, as upon the most vigorous and athletic system.

Few diseases are so fatal to children as worms; few are free from them. Their symptoms often produce alarming effects without being suspected. By their irritation they aggravate all other diseases, wandering from one part of the body to another, winding themselves up into large balls and obstructing the bowels and frequently the throat, causing convulsions and too often death. But worms are not confined exclusively to children, for adults suffer as much from the irritation of ascirides (pin or seat worms) as children, without the least suspicion of the true cause of their affliction, and it is with persons in this condition that the “MEXICAN BLOOD AND LIVER PURIFIER” has proven so valuable, for by a few doses taken for supposed Dyspepsia, one or more worms have been expelled, and the general health of the patient has been immediately improved, perhaps without their ever suspecting the real cause of their trouble. When worms are suspected this prompt and reliable remedy—“MEXICAN BLOOD AND LIVER PURIFIER”—should be given at once, for there is scarcely a complaint which the presence of these animals does not excite or irritate. Cases are recorded of their producing Apoplexy, Epileptic Fits, St. Vitus’ Dance, Dropsy, Consumption, Dysentery, Convulsions, &c.

SOLD BY ALL DRUGGISTS.

An Unfailing Remedy found at last in

MITCHELL'S COUGH BALSAM,

Which is warranted to break up the
most troublesome Cough in
an incredibly short time.

Thousands can testify to its Great Curative Powers for Coughs, Colds, Asthma, Bronchitis, Spitting of Blood, Whooping Cough, Coughs which accompany Measles, Lung Fever, &c.

No Remedy has yet been tried that so effectually cures Hoarseness, Loss of Voice and Throat Affections and as a relief for confirmed cases of Hay Fever and Consumption it is known to be invaluable. It is harmless to the most delicate child. It contains no opium in any form.

There are no diseases of the Throat that cannot be cured by "MITCHELL'S COUGH BALSAM," not by drying up the Cough and leaving all fever and inflammation, but by loosening the phlegm, allaying the inflammation, relaxing the tissues, and by assisting nature to do its work in soothing and healing the diseased parts.

When the patient is troubled with Dyspepsia or Biliousness, or when the bowels are in a constipated condition the "MEXICAN BLOOD AND LIVER PURIFIER" should always be used in connection with the Balsam.

Although the Balsam may in the future, as it has in the past, produce great relief in those terrible troubles Asthma, Bronchitis, Croup and Hay Fever, as also in all those worrying Throat troubles, to which Clergymen and all public speakers are subject—yet when the BONE AND NERVE OIL is applied to the affected parts, and the COUGH BALSAM taken regularly, while at the same time the condition of the bowels is carefully watched and improved by the use of the "MEXICAN BLOOD AND LIVER PURIFIER" the effect has been truly marvelous.

The general directions for the use of "MITCHELL'S COUGH BALSAM" are to be found on the label upon the bottle. In cases of Croup it is necessary to give large doses, and in a few obstinate cases it has been found advisable to give a teaspoonful to a child three years of age—but these are exceptional cases.

25 and 50 Cents per Bottle.

MITCHELL'S BONE & NERVE OIL,

The Great Liniment for Man and Beast.

For the speedy cure of Rheumatism, Neuralgia, Sore Throat, Pleurisy, Pneumonia, Croup, Stiff Joints, Cuts, Chilblains, Quinsy, Cramps in the Stomach, Spinal Affections, Sprains, and Spasms, Colic, Cholera Morbus, Frost Bites, Bruises, Bites of Poisonous Insects and as a Liniment for Horses and Cattle it is invaluable.

For Rheumatism and Pleurisy.—Bathe the parts affected with the Bone and Nerve Oil, well rubbed in with the hand till the pain is relieved, rub frequently until a sense of irritation is produced. This Oil being of a very penetrating nature, will be sure to reach the seat of the disease.

For Sprains and Bruises.—Rub the Bone and Nerve Oil into the painful parts; where the skin is broken, the strength of the Oil may be reduced with oil and water.

For Toothache and Swollen Face.—Apply the Bone and Nerve Oil to the gums around the aching tooth, and bathe the side of the face.

For Cramps and Colic, repeat the above doses every half hour, rubbing the Oil on the affected parts until relief is obtained.

For Croup, Diphtheria and Sore Throat.—Bathe the throat and chest well with the Oil, and take internally from ten to twenty drops of the Oil in a little water. Diluted in sweet oil it makes a most beneficial gargle for severe cases.

For Frost Bites and Chilblains.—Bathe freely with Bone and Nerve Oil several times a day.

For Felons and Boils.—Keep the part affected covered with a cloth kept moist with Bone and Nerve Oil till the pain is relieved.

For Pains in the Side and Back.—Treat as for Rheumatism, and throw away all porous plasters.

For Pains in the Breast, take fifteen drops of Bone and Nerve Oil in sweetened milk and water, bathing the breast in it clear at the same time. Should the milk passages be clogged from cold or other causes, bathing with the oil will give immediate relief.

For Horses and Cattle.—The Bone and Nerve Oil has been acknowledged the best for speed and efficiency in the cure of Ringbone, Spavin, Sprains, Galls, Sores, Lameness, Swellings, Fresh Wounds, Caked Udder, and Inflammation from any cause. Apply the Oil three or four times a day until cured, and for Cramps and Wind Colic in horses, give two teaspoonsful in half a pint of warm water.

25 and 50 Cents per Bottle.
