The publishers of this monumental work were able to draw, not only on the well-known examples at museums, but on the furniture of almost every house of distinction in this country. Only the very finest and the most typical pieces were chosen.

The alphabetical arrangement, which has also been used for the first time, enables a reader to turn at once to any piece about which he wishes to obtain information. Each article is dealt with chronologically from the earliest known examples to late Georgian times.

The "Dictionary" has become the standard work of reference for collectors and all connected with antique furniture. The volumes are printed on the finest art paper and include a number of colour plates.

Foreign Princes.**

From Original Manuscripts, many hitherto unpublished ;
co-ordinated with XVIth Century printed matter, ranging
from Royal Proclamations to Broadside Ballads.

A SURVEY OF LIFE AND LITERATURE

[to be completed] in ten volumes, quarto, illustrated with
many hundred portraits and other illustrations in collotype ;
also portraits in line, title pages, etc. ; and with Portfolio of
unique Maps, Charts, Documents, etc., relevant to the text.

*Issued to subscribers only.***Price £42**

The price is for subscription to the complete work and the
volumes cannot be sold separately. The edition is limited
to 325 copies. Owing to the deaths of some of the
subscribers, there remain some sets still available. Vols. 1
to 4 and the Portfolio up to 1583 are now issued, Vols. 5
and 6 will be ready shortly.

The history does not begin with Elizabeth's Accession, nor
end with her death. It extends from the last days of
Edward VI. and the nine days reign of "Jane the Queene"
to the opening years of Charles I. The illustrations, in
chronological order, form a social and artistic panorama,
which is unlikely ever to be equalled. Many are from
private collections, and with each there is a page of anti-
quarian and descriptive matter.

This work is not sent to the press for review, but a four-page
reprint from "*Studies*" (Vol. XXIV., No. 95, Sept., 1935) of
a descriptive article by one of the subscribers, Dr. Douglas
Hyde, LL.D., D.Litt., will be sent free on request.
