COMPRESSED CORNED BEEF.

"REX"

BRAND.

The Cattle from which these CANNED MEATS are taken are inspected by United States Government Inspectors.

THE FINEST IN THE WORLD.

This cut correctly illustrates the workings of the Patent Key on Rex Brand of Canned Meats. The simplicity of this device and the unquestionable superiority over the old-fashioned cans—are so striking that everyone should insist on having it. There is no extra charge for the Patent Key.

Compressed Cooked Corned Beef.

Free from gristle or excess of fat, perfect in colour, does not "crumble," and retains the natural juices of the meat

These famous Meats, packed by our friends the Cudahy Packing Company, are rapidly taking the leading position on the English Market, being exceptionally "Mild Cured" and thoroughly reliable.

"MAGNOLIA" PACKING CO.,

LOUISVILLE, U.S.A.

This Packing House is located in a section that grows a Hog that for "LEANNESS and QUALITY" more nearly equals English raised or Canadian and Irish Hogs than any that can be raised by any part of the States.

We are now receiving Weekly Consignments of

Long Rib, Dublin Cut, Cumberland Cut,
Birmingham Cut, Stafford Cut,
Long Hams, Manchester Cut Hams,
&c., &c.

Dealers requiring exceptionally lean meats, firm and white, upon which they can rely absolutely, will find the "Magnolia" Meats indispensable for their trade.
