CONDITIONS OF SALE.

- II. No person to advance less than 1s.; above five pounds 2s. 6d.; and so on in proportion.
- III. All lots are sold subject to the right of the seller or his agent to bid, or else to impose a reserve.
- IV. The purchasers to give in their names and places of abode, and to pay down 10s. in the pound, if required, in part payment of the purchase-money, in default of which the lot or lots purchased to be immediately put up again and re-sold.
- V. The lots to be taken away, at the buyer's expense, immediately after the conclusion of the sale; in default of which Messrs. SOTHEY & Co. will not hold themselves responsible if lost, stolen, damaged or otherwise destroyed, but they will be left at the sole risk of the purchaser. If, at the expiration of ONE WEEK after the conclusion of the sale, the books or other property are not cleared or paid for, they will then be catalogued for immediate sale, and the expenses, the same as if re-sold, will be added to the amount at which the books were bought. Messrs. SOTHEY & Co. will have the option of re-selling the lots uncleared, either by public or private sale, without any notice being given to the defaulter.
- VI. All the books are presumed to be perfect, unless otherwise expressed; but if, upon collating, any should prove defective, the purchaser will be at liberty to take or reject them, provided they are received back within FOURTEEN DAYS after the conclusion of the sale, when the purchase-money will be returned.
- VII. All the manuscripts, autographs, all magazines and reviews, all books in lots, and all tracts in lots or volumes, will be sold with all faults, imperfections and errors of description. The sale of any illustrated book, lot of prints or drawings, is not to be set aside on account of any error in the enumeration of the numbers stated, or error of description.
- VIII. No Imperfect Book will be taken back, unless a note accompanies each book, stating its imperfections, with the number of lot and date of the sale at which the same was purchased.
- IX. To prevent inaccuracy in the delivery, and inconvenience in the settlement of the purchases, no lot can on any account be removed during the time of sale.
- X. Upon failure of complying with the above conditions, the money required and deposited in part of payment shall be forfeited; and *if any loss is sustained in the re-selling of such lots as are not cleared or paid for, all charges on such re-sale shall be made good by the defaulters at this sale.*

Messrs. SOTHEY & CO. are prepared to execute bids, and in addition to advise intending purchasers as far as possible, if requested by them to do so, without making any charge for either service. Lots will be procured as cheaply as is permitted by other bids or reserves, if any.
