### NOTE.

The following Lists have been prepared with a view to facilitating reference to Messrs. SOTHEBY, WILKINSON & HODGE'S Sale Catalogue of Lord Amherst of Hackney's Library. The classification has been based on M. Seymour de Ricci's Handlist of the Library. Each section is arranged, more or less, chronologically. It will be noticed that sometimes a book appears under more than one heading. This occurs on account of the book being of equal importance from its date, printer, subject or binding.
