PRIVILEGES OF CONTRIBUTORS.

Subscribers of a Guinea and upwards for more than one year are Governors as long as they maintain their subscriptions. Donors of ten guineas and upwards in one sum are Governors for life. Governors are entitled to send their own domestic servants for free treatment in the Hospital.

Firms, Clubs, and Hotels subscribing two Guineas annually may send one of their employés for free treatment each year; four guineas, 2; and five guineas, 3 employés.

No Letters of Admission are issued. It will be sufficient for contributors to give their names to ensure the free treatment to which their servants or employés may be entitled.

Prompt Admission may be secured as follows:—A medical man should be asked to certify the disease the patient is suffering from, and this certificate should be sent to the Hospital, together with the name of a person who will undertake to see that the fee of £3 3s.* (or £3 3s. a week, as the case may be) is paid. If the sufferer can be received, a Brougham-ambulance with attendants, including a nurse when necessary, will be sent to convey the patient to Hospital. There is a charge, according to distance, for horse hire for the ambulance, to be paid in addition to the fee, except in the case of Governors residing within a radius of five miles of the Hospital. These are entitled to free conveyance for their servants as well as free treatment.

If the ambulances of the Hospital cannot be spared for the journey to a distant suburb, information will generally be given as to where to apply for a conveyance locally.

N.B.—Disregard of these instructions frequently causes delay and annoyance.

*Not required in cases where sufferers are entitled to free treatment.

REPORT OF THE COMMITTEE

FOR THE

Year ended December, 1902.

At the commencement of the year there were 70 patients in the hospital, and 599 were admitted during the year 1902; a total of 669 patients were thus under treatment. This number was 234 less than during the previous year.

Scarlet Fever.—Three hundred and sixty-seven patients suffering from Scarlet Fever were admitted during the year; these, with 57 who were already under treatment when the year began, made a total of 424, of whom 364 were discharged cured, 55 were still in the hospital at the close of the year, and 5 died. The mortality from Scarlet Fever was therefore 1·3 per cent., almost the same as in 1901. As has been usual in late years the disease was mostly of a mild type.

Measles.—There were 79 cases of Measles under treatment during the year; 76 left the hospital cured, one was in hospital when the year ended, and there were 2 deaths from the disease.

Rubeola.—Thirty-two cases came under treatment and all left the hospital recovered during the year.

DIPHTHERIA.—There were in the hospital at the commencement of the year 12 cases of Diphtheria, and 81 cases came in during the year 1902: a total of 93 cases under treatment; of these 78 were discharged recovered, 10 are still in hospital, and 5 died. The mortality was therefore 6·4 per cent. as compared with 13 per cent. during the previous year.

DISEASES OTHER THAN INFECTIOUS FEVERS.—Forty-one cases were sent into the hospital certified as suffering from an infectious disease rendering them eligible for admission, but were found not to be so suffering. It is not possible to refuse admission to these cases when they are sent under such erroneous certificates, but they, together with the patients suffering from more than one infectious disease, as for instance whooping cough and measles, make a severe strain on the isolation accommodation of the hospital.

Thirty-four patients were refused admission during the year.

Dr. Hopwood, the Resident Medical Officer of the hospital, contracted Diphtheria during the year, necessitating his absence from duty (for a period) and afterwards a lengthening of his annual leave. The Committee are glad that he has recovered his health. During his illness his duties were performed by Dr. Garratt. Three nurses and one housemaid took diphtheria; all recovered, as well as three nurses who contracted scarlet fever.

The London Fever Hospital was founded in 1802, and the Lord Mayor, Sir Joseph Dimsdale, M.P., who is the Treasurer of the hospital, was good enough, with the Lady Mayoress, to hold a Reception at the Mansion House on the 29th April, 1902, to commemorate the centenary of the existence of the hospital, and to bring before the public its claims to support. Her Royal Highness Princess Louise, Duchess of Argyll, graciously consented to be present, and the Duke of Argyll eloquently pleaded the cause of the hospital, as did the Lord Mayor and other friends of the institution.

Among those who were present also were Alderman and Sheriff Sir James Bell, Sheriff Sir Horace Marshall, His Honour Judge Lumley Smith, Mr. C. J. Stewart, the Honorary Secretary, Mr. J. C. Marshall, Mr. Edward Norman, Dr. Chappell, Dr. Sidney Phillips, the Senior Physician, and many members of the Committee. The President of the hospital, Lord Balfour of Burleigh, K.T., was unfortunately prevented being present at the Mansion House Festival by a slight accident. The sum of £2,157 was collected on behalf of the hospital at the meeting. Lady Dimsdale further evinced her interest in the institution by organising and holding a concert on its behalf at the Mansion House in May. Some of the prominent artistes of the day gave their services, and a sum close on £200 was realised for the hospital. The Committee of the hospital passed very cordial votes of thanks to H.R.H. The Duchess of Argyll, the Duke of Argyll, and to the Lord Mayor and to Lady Dimsdale, and to all who took part in the concert. Some of the principal amounts realised were one hundred guineas each from the Mercers' Company and the Bank of England, one hundred pounds from Lord Iveagh, fifty guineas each from Messrs. Hitchcock, Williams & Co., Messrs. Marshall & Snelgrove, and fifty pounds each from Lord Mountstephen, Jas. Hennesey, Esq., W. D. Graham Menzies, Esq., Jas. C. Marshall, Esq., and Mrs. Winch (for a late patient).

Dr. J. W. Washbourn, C.M.G., one of the physicians to the hospital, was compelled to give up his duties early in the year owing to illness, and the Committee regret to record his death, which took place in June. Dr. Washbourn had been an assistant physician at the hospital from 14th March, 1889 to 12th February 1892, and since that year had been one of the physicians. He had been in South Africa during the years 1900 and 1901 for a year and a-half during the war, as physician to the Imperial Yeomanry hospital; he had gained for himself a high position by his ability and energy, and his comparatively early death is a loss to the hospital and the profession. Dr. William Hunter, the senior assistant physician, was elected in July to succeed Dr. Washbourn as physician, and Dr. John Broadbent was elected assistant physician.

The annual subscriptions amounted to £4,808, a decrease of £34 as compared with the amount received in 1901, but the donations were £4,266, an increase of £2,494, due entirely to the collection at the Mansion House Centenary Festival and to the concert given by the Lady Mayoress.

The hospital received a grant of £1,500 from the King Edward's Hospital Fund, and £718 from the Hospital Sunday Fund.

The Committee cannot close their Report without expressing their appreciation of the services which have been given to them for many years by their President, Lord Balfour of Burleigh, K.T.; notwithstanding the many calls on his time Lord Balfour has always found opportunity to advocate the claims of the institution at its annual meetings, to give the Committee the value of his presence as Chairman at many of the Committee meetings, and to assist the work of the hospital in every way. During the past year the Committee are especially indebted to him for services in connection with the King Edward's Hospital Fund, the proposed Convalescent Home, and the celebration of the Centenary of the work of the hospital.

LONDON FEVER HOSPITAL,

LIVERPOOL ROAD, ISLINGTON.

LAWS AND REGULATIONS.

Reception of Patients.

1. The Hospital is intended for the reception of persons suffering from infectious fever other than small-pox, and more especially for such of those persons as may require isolation, in order to prevent the further spread or propagation of the disease from them to others.

2. Any person (not being a parochial pauper) labouring under such disease shall, subject to the next rule, be considered a proper person for admission into the Hospital.

3. The Committee may from time to time make regulations for the admission of such persons as patients on payment of such sums as may be from time to time determined, provided always that—

(*a*) Domestic servants of governors shall be admitted gratuitously.

(*b*) The Committee may, if they think fit, at any time reduce or wholly remit the fees in the case of individual patients.

4. Applications for admission should be accompanied by a medical certificate stating the nature of the disease. The medical officers may, in the exercise of their discretion, refuse admission to any case which they deem unfit; but every refusal to admit a patient shall be reported at the next meeting of the Committee, together with the reason for the refusal.

Governors.

5. All subscribers of not less than one guinea per annum, who have subscribed for more than one year, and all donors of not less than ten guineas in one donation, shall be governors of the Hospital. This rule shall not be retrospective.

General Meeting and Election of Committee.

6. A general meeting of the governors, of which ten days' previous notice must be given in three morning newspapers, shall be held every year, on the second Friday in February, or as near thereto as may be convenient, for the purpose of approving or rescinding the proceedings of the Committee for the preceding year; for receiving the annual report of the state of the funds; and for electing a president, vice-presidents, treasurer, honorary secretary, and other members of the Committee for the ensuing year.

7. The Committee for the management of the Hospital shall consist of the president, the vice-presidents, the trustees, the treasurer, honorary secretary, and not less than fifteen nor more than twenty-five other governors.

8. A special general meeting of the governors may at any time be called by direction of the president or of the Committee; or on the requisition of any twelve governors, provided the requisition be made in writing to the secretary, and the purpose for which the same is summoned be published in three morning newspapers at least ten days prior to the meeting; but the proceedings of such special general meeting, though acted upon *pro tempore*, shall not be deemed final until confirmed by another general meeting.

9. No new rule or law shall be made, nor shall any existing rule or law be repealed or altered, until determined upon at a general meeting by a majority of governors present and voting, and until confirmed at a subsequent general on special meeting.

10. The presence of seven governors shall be necessary to constitute a quorum at general meetings, and without that number no business shall be transacted.

The Committee.

11. The Committee shall manage the Hospital. They shall meet on the second Friday, or on such other day of every month as they may appoint; and three members shall be necessary to constitute a meeting and to transact business. A special meeting of the Committee may be called by the direction of the honorary secretary, or by any three members of the Committee, on giving at least three days' notice of the same to the members of the Committee, and specifying the business for which it is called.

12. The Committee shall have authority to appoint sub-committees, whose reports shall be submitted to their consideration; and with the assistance of the medical officers shall, from time to time as may be expedient, form regulations and by-laws for the internal management of the Hospital.

13. The resolutions of one meeting of the Committee shall not be rescinded by another, unless it be specially summoned for that purpose.

14. The Committee shall yearly publish a report of the state of the Hospital.

15. All accounts, except such sums as may be comprised under the item of petty cash, shall be submitted to the Committee at the monthly meetings, after having been duly examined by the secretary, the resident medical officer, the house-directors, and certified by the auditor; and such accounts, if approved, shall be paid by cheques, payable to order, signed by two members of the Committee, on production of the House Directors' minutes relating to them, and countersigned by the secretary.

16. No member of the Committee shall furnish, otherwise than gratuitously, any goods, provisions, or other articles, for the use of, or on account of, the Hospital, or be concerned in any contract, directly or indirectly, for supplying the same, or be employed for hire, fees, wages, or profit in any office or employment in connection with the Hospital.

Conduct of Meetings.

17. At all meetings a simple majority of the members present and voting shall bind the minority; and in case of equality of votes, the chairman shall have an additional or casting vote.

Treasurer.

18. The treasurer, if present, shall take the chair at all meetings of the Committee, in the absence of the president or vice-presidents. He shall keep an account at the bankers', and all moneys received for the use of the Hospital shall be paid to such account; he shall honour cheques signed, as provided in Rule 15.

Honorary Secretary.

19. In the absence of the Committee, the honorary secretary shall represent the Hospital with the public and with public bodies, reporting his action to the Committee.

Audit.

20. All accounts of the Hospital shall be audited by a professional auditor. The auditor shall certify the accounts, and it shall be his duty to report to the Committee anything in the books or accounts which in his opinion appear to call for comment.

21. At the meeting of the Committee in November, three gentlemen, one at least of whom shall not be a member of the Committee, shall be appointed to examine the accounts of the Hospital for the current year, and approve an abstract of all receipts and disbursements to be prepared by the secretary, and laid before the annual general meeting in February.

House-Directors.

22. The house-directors shall consist of the trustees, treasurer, the two physicians and the architect, who shall be *ex-officio* house-directors, and of three elected house directors chosen as follows:—The Committee at their meeting in February shall

appoint a member of their own body to be chairman of house-directors, who shall retain office for a term of three months. They shall in like manner appoint a chairman of house-directors at their meetings in May, August, and November. The same person shall not, unless by special resolution of the Committee, be elected for two terms in succession. The Committee at each monthly meeting shall appoint two members of their body to be house-directors for the ensuing month, one of whom, if possible, shall not have served during the previous month. If the same house-directors are re-appointed, they shall only be so appointed by special resolution.

23. They shall from time to time cause the beds, clothes, and apparel belonging to the Hospital to be examined, and shall report thereon, if necessary, to the Committee. They shall inspect the tradesmen's bills, and take care that the provisions, bedding, clothing, furniture, and every article for the use of the Hospital be supplied on the most reasonable terms; they shall order in writing all permanent stores, and shall advise the Committee as to all larger requirements and structural alterations.

24. All articles required in large quantity shall, where practicable, be supplied by contract after public tender, and all considerable contracts for work or repairs be made after public tender or invitation to not less than three respectable firms, but the house-directors shall not be obliged to accept the lowest or any tender.

25. They shall be authorised in all respects to enforce the observance of the regulations of the Hospital; they shall notice and report to the Committee any irregularity or misconduct on the part of the officers, servants, or patients of the charity, and shall, at every meeting of the Committee, cause a statement of the house expenditure to be produced for the preceding month. They shall appoint and dismiss, or approve the appointment or dismissal, of all nurses, porters, and other servants, male or female.

26. The chairman of the house-directors shall, during the intervals between their meetings, be authorised to exercise the functions of the house-directors in any matter of urgency, reporting, at their next meeting, what he may have done under this authority.

Physicians.

27. There shall be two physicians and one or more assistant physicians, who shall be Fellows or Members of the Royal College of Physicians of London; and also a surgeon, who shall be a Fellow of the Royal College of Surgeons.

28. One of the physicians shall visit the Hospital at least once every day. The physicians shall have the power of dismissing any patient for refractory conduct or disobedience of orders. The physicians, assistant physicians, and surgeon shall be entitled to attend all Committee meetings.

28A. No physician shall hold the appointment of physician for more than twenty years, nor after he shall have attained the age of sixty-five years.

Assistant Physicians.

29. In case of the illness or necessary absence of either of the physicians, one of the assistant physicians shall attend regularly in his stead. Such attendances

shall be reported to the Committee. If the number of patients exceed 150 an assistant physician shall come on active duty.

30. The surgeon shall undertake the surgical charge of such patients as the physicians may deem necessary, and in case of emergency shall attend when summoned by the resident medical officer. Such attendances shall be reported to the Committee. If unable to attend, the surgeon shall substitute a duly qualified deputy.

Hospital Pupils.

31. No medical student shall be permitted to visit the Hospital unless in company with one of the physicians, or unless regularly entered or registered as a pupil by the physicians.

Architect.

32. There shall be an Architect to the Hospital. He shall advise on all questions concerning the Hospital sites and buildings, and shall supervise the structural maintenance of the Hospital, prepare all plans, and superintend all works connected therewith.

33. His status shall be similar to that of the physicians to the Hospital.

Resident Medical Officer.

34. The resident medical officer shall reside constantly at the Hospital, and shall devote himself entirely to the duties of his office, as defined by these laws and by the by-laws. Candidates for the post shall be required to produce satisfactory testimonials to the Committee.

35. He shall superintend the wards and Hospital generally, between the visits of the physicians, and the dispensary shall be exclusively under his control. In the absence of the Committee and house-directors, he shall be recognised as the head of the establishment.

36. He shall keep accurate registers of the patients and of their cases, which registers shall be the property of the Hospital; he shall produce a special report every month, to be laid before the Committee.

37. When the number of patients shall be sufficiently great, or other circumstances render such a step necessary, the Committee shall have power to appoint one or two assistants to the resident medical officer, and he or they shall receive such remuneration as the Committee shall from time to time determine.

Secretary, House Steward, and Collector.

38. There shall be a secretary and a house steward. These offices shall be filled by the same or by different persons as the Committee shall from time to time think fit.

39. The duties of the secretary shall be to have the conduct of the correspondence of the Hospital, the keeping of the accounts, and to perform all duties appointed by the by-laws.

40. The house steward shall have the management of the domestic affairs of the Hospital, under the general superintendence of the resident medical officer, and shall perform the duties appointed by the by-laws.

41. The duties of the collector shall be—

To call on subscribers and collect all donations and subscriptions of the Hospital; to give only authorised printed receipts for the same; to attend all meetings when required; to keep correct lists and duplicate lists of all donations and subscriptions, with the residences of the donors and subscribers, made up from day to day; to pay weekly all moneys he may receive to the bankers; to deliver weekly to the secretary reports in writing of all moneys received and paid, with the balance at the bankers'; to keep the accounts regularly entered in the collector's cash book; to deliver a copy of the annual report to each subscriber; and to perform all the duties appointed by the by-laws.

42. The secretary, house steward, and collector shall be required to enter into bonds with sufficient sureties for the due and faithful performance of their duties in such sums as the Committee may determine.

Matron.

43. The matron shall have the direction of the nurses and female servants of the Hospital, subject to the superintendence of the house directors and the resident medical officer, and shall be responsible for the care and order of the wards. She shall have charge of the housekeeping arrangements, and shall perform the duties appointed by the by-laws.

Election of Officers.

44. The physicians, surgeon, assistant physicians, architect, resident medical officers, matron, auditor, and secretary shall be elected by a Committee comprised of the Committee for the management of the Hospital, the honorary medical officers, and the architect.

Salaries.

45. No variation in the fixed salaries of officials shall be made unless the Committee be summoned for that purpose, and unless the proposed addition or diminution be confirmed by a subsequent Committee.

Trustees.

46. The legal estate in the lands, buildings, and premises of the Hospital shall be vested in not less than three trustees, new trustees being appointed at a general meeting of the governors when vacancies occur.

47. All legacies of £100 and upwards, unless otherwise directed by the testators, shall be invested for the benefit of the Hospital, in the names of three trustees, to be called trustees of the fund.

Religious Ministrations.

48. Ministers of religion of all denominations shall have free and equal access to the Hospital, but no minister of any denomination shall receive any payment out of the funds of the Hospital in respect of his ministrations.

49. It shall be a standing instruction to the Committee and officers of the Hospital that any minister of religion desirous of visiting or ministering to patients of his own denomination shall be received with all courtesy, and shall be afforded all facilities consistent with the wishes and welfare of the patients, and the convenient conduct of the Hospital.

By-Laws.

50. The by-laws which shall from time to time be made by the Committee shall be open to the inspection of any governor, and shall contain, among other things, a full specification of the duties of the resident medical officer, the matron, and other officers and servants of the Hospital, together with the terms of their employment. This specification of his or her own duties shall be read to, and assented to in writing by, every person before his or her appointment, and referred to on all occasions of doubt.

At a Meeting of the Committee held at Freemasons' Tavern, on October 13th, 1882, it was resolved:—

1. That no election to the offices of physician, assistant physician, resident medical officer, assistant resident medical officer, secretary, auditor, or matron, be proceeded with until the vacancy has been advertised in three daily London papers and in two medical journals. The first advertisement to be inserted not less than eight days before the election.
