## PRIVILEGES OF CONTRIBUTORS.

---

**Subscribers of a Guinea** and upwards for more than one year are Governors as long as they maintain their subscriptions. Donors of ten guineas and upwards in one sum are Governors for life. Governors are entitled to send their own domestic servants for free treatment in the Hospital.

**Firms, Clubs, and Hotels** subscribing two guineas annually may send one of their employés for free treatment each year ; four guineas, 2 ; and five guineas, 3 employés.

**No Letters of Admission are issued.** It will be sufficient for contributors to give their names to ensure the free treatment to which their servants or employés may be entitled.

**Prompt Admission** may be secured as follows :—A medical man should be asked to certify the disease the patient is suffering from, and this certificate should be sent to the Hospital together with the name of a person who will undertake to see that the fee of £3 3s.\* (or £3 3s. a week, as the case may be) is paid. If the sufferer can be received, a brougham-ambulance with attendants, including a nurse when necessary, will be sent to convey the patient to Hospital. There is a charge, according to distance, for horse hire for the ambulance, to be paid in addition to the fee, except in the case of Governors residing within a radius of five miles of the Hospital. These are entitled to free conveyance for their servants as well as free treatment.

If the ambulances of the Hospital cannot be spared for the journey to a distant suburb, information will generally be given as to where to apply for a conveyance locally.

N.B.—Disregard of these instructions frequently causes delay and annoyance.

\* Not required in cases where sufferers are entitled to free treatment

# REPORT OF THE COMMITTEE

FOR THE

Year ended December 31st, 1908.

---

The total number of patients under treatment during the year 1908 was 762, 90 less than in the previous year, the decrease being due entirely to the lessened number of cases of German Measles admitted.

SCARLET FEVER.—Four hundred and forty-six cases of Scarlet Fever were admitted during the year, being 6 more than in the previous year; these with 40 cases already in the Hospital when the year began made 486 patients under treatment for Scarlet Fever, of whom 410 left the Hospital cured, 64 were in Hospital on December 31st, and 12 died—a mortality of 2·8 per cent., as compared with 1·5 per cent. during the previous year.

MEASLES.—There were 3 patients with Measles in the Hospital at the commencement of 1908 and 64 were admitted during the year; of these 67 patients, 60 were cured, 4 were under treatment at the close of the year, and 3 died—a mortality of 4·7 per cent. The mortality was 2·9 per cent. in 1907.

RUBEOLA.—The cases of Rubeola admitted were 81 in number, as against 214 in the previous year, when the disease was unusually prevalent; 3 patients were already in Hospital at the beginning of 1908, so that in the year there were 84 patients under treatment, of whom 83 left cured, and 1 was still in the Institution at the end of the year.

DIPHTHERIA.—Seventy-seven cases of Diphtheria came under treatment during the year 1908, of whom 70 left the Hospital cured,

5 remained under treatment when the year closed, and 2 died. The mortality was therefore 2·7 per cent., an unusually low mortality for this disease. Owing to the altered criterion of diagnosis of Diphtheria since the discovery of the Klebs-Loeffler Bacillus, many cases of very slight intensity now come under treatment as Diphtheria which before 1894 would not have been regarded as Diphtheria at all, and much of the reduction in mortality is due to this cause.

**TYPHOID FEVER.**—Fifteen cases were admitted during the year. This Fever is admitted into the General Hospitals of London, and the cases coming into the London Fever Hospital have been of much more than average severity; of the 15 cases under treatment 6 were discharged cured, 6 remained in Hospital at the end of the year, and 3 died—a mortality of 33·3.

**DISEASES OTHER THAN INFECTIOUS FEVER.**—Thirty-three such cases were admitted during the year, there being a tendency to certify doubtful cases in order to obtain their admission to the Hospital—especially cases of sore throat are sent to the Hospital certified as Diphtheria. Such cases require isolation from all other patients and separate nurses to attend upon them, and severely tax the resources of the Institution. All the cases left the Hospital cured of their disease.

**OFFICIALS OF THE INSTITUTION.**—Eight Nurses contracted Scarlet Fever, 3 Rubella, 1 Morbilli, and 1 Diphtheria. Two Ward-maids contracted Scarlet Fever and 1 Diphtheria—all recovered.

The new block for female Scarlet Fever patients was opened on the 27th January, 1908, by Lady Balfour of Burleigh, and with her ladyship's consent was named the Lady Balfour of Burleigh ward. Two other wards have been named after former physicians to the Hospital—the late Sir William Jenner, Bart., and the late Dr. Charles Murchison, whose names will thus be permanently connected with the Hospital in which they worked with such distinction.

The new wards were constructed by Messrs. Mark Patrick, builders, under the direction and according to the designs of Mr.

Keith Young, the architect to the Hospital. The building is similar to that for the male Scarlet Fever patients opened in 1906, and of which a description appeared in the Report for that year. The wards are well ventilated and lighted, with teak flooring and with terrano flooring in the passages and stairs.

Mr. Corbin resigned the post of Resident Medical Officer in January, 1908, and Dr. Clifford Beards, M.A., M.B. (Oxon.), was appointed in his stead: the tables annexed to this Report have been drawn up by him. Dr. Gordon Smith, M.B. (Cantab.), succeeded Dr. Beards as Assistant Resident Medical Officer.

The Committee regret to record the death of Sister Parnham, on November 22nd, after 27 years of devoted service in the Hospital.

The Donations during the year were £1,322, a falling off of £56 as compared with the previous year, and the Subscriptions of £4,354 were less also by £164: only £665 was received in Legacies, being £5,000 less than in 1907; the Hospital Saturday Fund gave £20, as in the previous year, and the Hospital Sunday Fund increased its contribution from £325 to £337; but it will be seen that the total sum received for the maintenance of the Hospital showed a serious diminution. The Committee, after receiving a report from the Finance Committee, have resolved to make a special appeal to the public by means of a Festival Dinner to be held in June, 1909. It is now 24 years since such an appeal was found necessary, the Hospital having since then paid its way, but during the last 5 years the invested capital has been materially lessened by the expenditure on an almost entire rebuilding of the Institution, which was absolutely necessary to bring it up to date; meanwhile the demands upon the Hospital continually increase, and during the past year the financial support received from the public has unfortunately fallen off.

# LONDON FEVER HOSPITAL,

*LIVERPOOL ROAD, ISLINGTON.*

---

## LAWS AND REGULATIONS.

---

### Reception of Patients.

1. The Hospital is intended for the reception of persons suffering from infectious fever other than small-pox, and more especially for such of those persons as may require isolation, in order to prevent the further spread or propagation of the disease from them to others.

2. Any person (not being a parochial pauper) labouring under such disease shall, subject to the next rule, be considered a proper person for admission into the Hospital.

3. The Committee may from time to time make regulations for the admission of such persons as patients on payment of such sums as may be from time to time determined, provided always that—

(a) Domestic servants of governors shall be admitted gratuitously.

(b) The Committee may, if they think fit, at any time reduce or wholly remit the fees in the case of individual patients.

4. Applications for admission should be accompanied by a medical certificate stating the nature of the disease. The medical officers may, in the exercise of their discretion, refuse admission to any case which they deem unfit; but every refusal to admit a patient shall be reported at the next meeting of the Committee, together with the reason for the refusal.

### Governors.

5. All subscribers of not less than one guinea per annum, who have subscribed for more than one year, and all donors of not less than ten guineas in one donation, shall be governors of the Hospital. This rule shall not be retrospective.

### General Meeting and Election of Committee.

6. A general meeting of the governors, of which ten days' previous notice must be given in three morning newspapers, shall be held every year, on the second Friday in February, or as near thereto as may be convenient, for the purpose of approving or rescinding the proceedings of the Committee for the preceding year; for receiving the annual report of the state of the funds; and for electing a president, vice-presidents, treasurer, honorary secretary, and other members of the Committee for the ensuing year.

7. The Committee for the management of the Hospital shall consist of the president, the vice-presidents, the trustees, the treasurer, honorary secretary, and not less than fifteen nor more than twenty-five other governors.

8. A special general meeting of the governors may at any time be called by the direction of the president or of the Committee; or on the requisition of any twelve governors, provided the requisition be made in writing to the secretary, and the purpose for which the same is summoned be published in three morning newspapers at least ten days prior to the meeting; but the proceedings of such a special general meeting, though acted upon *pro tempore*, shall not be deemed final until confirmed by another general meeting.

9. No new rule or law shall be made, nor shall any existing rule or law be repealed or altered, until determined upon at a general meeting by a majority of the governors present and voting, and until confirmed at a subsequent general or special meeting.

10. The presence of seven governors shall be necessary to constitute a quorum at general meetings, and without that number no business shall be transacted.

### The Committee.

11. The Committee shall manage the Hospital. They shall meet on the second Friday, or on such other day of every month as they may appoint; and three members shall be necessary to constitute a meeting and to transact business. A special meeting of the Committee may be called by the direction of the honorary secretary, or by any three members of the Committee, on giving at least three days' notice of the same to the members of the Committee, and specifying the business for which it is called.

12. The Committee shall have authority to appoint sub-committees, whose reports shall be submitted to their consideration; and with the assistance of the medical officers shall, from time to time as may be expedient, form regulations and by-laws for the internal management of the Hospital.

13. The resolutions of one meeting of the Committee shall not be rescinded by another, unless it be specially summoned for that purpose.

14. The Committee shall yearly publish a report of the state of the Hospital.

15. All accounts, except such sums as may be comprised under the item of petty cash, shall be submitted to the Committee at the monthly meetings, after having been duly examined by the secretary, the resident medical officer, the house directors, and certified by the auditor; and such accounts, if approved, shall be paid by cheques, payable to order, signed by two members of the Committee, on production of the house directors' minutes relating to them, and countersigned by the secretary.

16. No member of the Committee shall furnish, otherwise than gratuitously, any goods, provisions, or other articles, for the use of, or on account of, the Hospital, or be concerned in any contract, directly or indirectly, for supplying the same, or be employed for hire, fees, wages, or profit in any office or employment in connection with the Hospital.

#### Conduct of Meetings.

17. At all meetings a simple majority of the members present and voting shall bind the minority; and in case of equality of votes, the chairman shall have an additional or casting vote.

#### Treasurer.

18. The treasurer, if present, shall take the chair at all meetings of the Committee, in the absence of the president or vice-presidents. He shall keep an account at the bankers', and all moneys received for the use of the Hospital shall be paid to such account; he shall honour cheques signed, as provided in Rule 15.

#### Honorary Secretary.

19. In the absence of the Committee, the honorary secretary shall represent the Hospital with the public and with public bodies, reporting his action to the Committee.

#### Audit.

20. All accounts of the Hospital shall be audited by a professional auditor. The auditor shall certify the accounts, and it shall be his duty to report to the Committee anything in the books or accounts which in his opinion appear to call for comment.

21. At the meeting of the Committee in November, three gentlemen, one at least of whom shall not be a member of the Committee, shall be appointed to examine the accounts of the Hospital for the current year, and approve an abstract of all receipts and disbursements to be prepared by the secretary, and laid before the annual general meeting in February.

#### House Directors.

22. The house-directors shall consist of the trustees, treasurer, the two physicians, and the architect, who shall be *ex-officio* house-directors, and of three elected house-directors chosen as follows:—The Committee at their meeting in February shall

appoint a member of their own body to be chairman of house directors, who shall retain office for a term of three months. They shall in like manner appoint a chairman of house directors at their meetings in May, August, and November. The same person shall not, unless by special resolution of the Committee, be elected for two terms in succession. The Committee at each monthly meeting shall appoint two members of their body to be house directors for the ensuing month, one of whom, if possible, shall not have served during the previous month. If the same house directors are re-appointed, they shall only be so appointed by special resolution.

23. They shall from time to time cause the beds, clothes, and apparel belonging to the Hospital to be examined, and shall report thereon, if necessary, to the Committee. They shall inspect the tradesmen's bills, and take care that the provisions, bedding, clothing, furniture, and every article for the use of the Hospital be supplied on the most reasonable terms; they shall order in writing all permanent stores, and shall advise the Committee as to all larger requirements and structural alterations.

24. All articles required in large quantity shall, where practicable, be supplied by contract after public tender, and all considerable contracts for work or repairs be made after public tender or invitation to not less than three respectable firms, but the house directors shall not be obliged to accept the lowest or any tender.

25. They shall be authorised in all respects to enforce the observance of the regulations of the Hospital; they shall notice and report to the Committee any irregularity or misconduct on the part of the officers, servants, or patients of the charity, and shall, at every meeting of the Committee, cause a statement of the house expenditure to be produced for the preceding month. They shall appoint and dismiss, or approve the appointment or dismissal, of all nurses, porters, and other servants, male or female.

26. The chairman of the house directors shall, during the intervals between their meetings, be authorised to exercise the functions of the house directors in any matter of urgency, reporting, at their next meeting, what he may have done under this authority.

shall be reported to the Committee. If the number of patients exceed 150 an assistant physician shall come on active duty.

30. The surgeon shall undertake the surgical charge of such patients as the physicians may deem necessary, and in case of emergency shall attend when summoned by the resident medical officer. Such attendances shall be reported to the Committee. If unable to attend, the surgeon shall substitute a duly qualified deputy.

35. He shall superintend the wards and Hospital generally, between the visits of the physicians, and the dispensary shall be exclusively under his control. In the absence of the Committee and house directors, he shall be recognised as the head of the establishment.

36. He shall keep accurate registers of the patients and of their cases, which registers shall be the property of the Hospital; he shall produce a special report every month, to be laid before the Committee.

37. #### **Secretary, House Steward, and Collector.**

38. There shall be a secretary and a house steward. These offices shall be filled by the same or by different persons as the Committee shall from time to time think fit.

43. The matron shall have the direction of the nurses and female servants in the Hospital, subject to the superintendence of the house directors and the resident medical officer, and shall be responsible for the care and order of the wards. She shall have charge of the housekeeping arrangements, and shall perform the duties appointed by the by-laws.

### By-Laws.

50. The by-laws which shall from time to time be made by the Committee shall be open to the inspection of any governor, and shall contain, among other things, a full specification of the duties of the resident medical officer, the matron, and other officers and servants of the Hospital, together with the terms of their employment.
