AUDITORS' REPORT ON ACCOUNTS FOR THE YEAR TO
31ST DECEMBER, 1909.

We beg to report upon the audit of the Hospital Accounts for the year ended 31st December, 1909.

It has been carried out in full detail by the Professional Auditor—Mr. Keen—and approved by the Honorary Auditors, Mr. Baumer and Mr. Muir Mackenzie.

We desire to call attention to one or two changes in the form of the Accounts which have been made to meet the requirements of the King Edward's Hospital Fund. The site and original buildings of the Hospital have hitherto not been included as an asset in the Balance Sheet the site having been acquired many years ago from the Great Northern Railway Company in exchange for property situated at King's Cross and the Building and Equipment having been provided from time to time out of revenue and donations. To obtain a valuation of the site and existing buildings would be a costly matter and the King Edward's Hospital Fund Committee desire in the absence of such a valuation that the expenditure in recent years on rebuilding and extension should be shown. The Architect to the Hospital has furnished an account showing that from 1880 to 1908 the total of such expenditure on Capital Account has been £56,622 8s. 8d. and this amount has now therefore been brought into the Balance Sheet as a part of the capital of the institution.

In last year's account the interest on Bank loan was apportioned as between capital and revenue for the reason that the greater part of the loan had been raised for capital purposes. The Committee of the King Edward's Hospital Fund prefer the whole of this to be charged against revenue and that course has accordingly been adopted.

The proceeds of the sale of the Winchmore Hill estate which in the last account appeared in the Capital Account under the sub-heading "Convalescent Home Fund" have in the present Balance Sheet been retransferred to the sub-heading "General Purposes," the property having been originally acquired out of general revenue of the Hospital. The sum of £1000 remaining to the credit of Convalescent Home Fund Capital Account is invested in London County Council 3% Stock which is specially earmarked for a convalescent home.

The investments shown on the Balance Sheet, *i.e.* £458 Great Central Railway, 4½% South Yorkshire Stock; £1011 17s. 2d. London County Council 3% Stock; £2165 4s. 6d. Bank of England Stock; £1836 5s. 5d. India 3% Stock are, as in previous years, shown at cost price which is in excess of present market price.

PRIVILEGES OF CONTRIBUTORS.

Subscribers of a Guinea and upwards for more than one year are Governors as long as they maintain their subscriptions. Donors of ten guineas and upwards in one sum are Governors for life. Governors are entitled to send their own domestic servants for free treatment in the Hospital.

Firms, Clubs, and Hotels subscribing two guineas annually may send one of their employés for free treatment each year; four guineas, 2; and five guineas, 3 employés.

No Letters of Admission are issued. It will be sufficient for contributors to give their names to ensure the free treatment to which their servants or employés may be entitled.

The Accommodation is of two kinds, viz.—

(1) In the wards at a fee of £3 3s., payable on or before admission, and this covers the whole period of the patient's stay in the Hospital; which, in scarlet fever cases, is from six to eight weeks; and

(2) In private rooms (for scarlet fever and typhoid only) at a fee of £4 4s. a week, payable weekly in advance.

Prompt Admission may be secured as follows:—A medical man should be asked to certify the disease the patient is suffering from, and this certificate should be sent to the Hospital together with the name of a person who will undertake to see that the fee of £3 3s.* (or £4 4s. a week, as the case may be) is paid. If the sufferer can be received, a brougham-ambulance with attendants, including a nurse when necessary, will be sent to convey the patient to Hospital. There is a charge, according to distance, for horse hire for the ambulance, to be paid in addition to the fee, except in the case of Governors residing within a radius of five miles of the Hospital. These are entitled to free conveyance for their servants as well as free treatment.

If the ambulances of the Hospital cannot be spared for the journey to a distant suburb, information will generally be given as to where to apply for a conveyance locally.

N.B.—Disregard of these instructions frequently causes delay and annoyance.

* Not required in cases where sufferers are entitled to free treatment.

REPORT OF THE COMMITTEE

FOR THE

Year ended December 31st, 1909.

The total number of patients who came under treatment during the year was 691, being 71 less than in the previous year.

SCARLET FEVER.—Three hundred and ninety-seven cases of Scarlet Fever were under treatment (64 remaining over from 1908, and 333 admitted during 1909): of these 355 were discharged cured, 34 were still under treatment at the close of the year, and 8 died: a mortality of 2.2 per cent. as against 2.8 per cent. in the previous year.

MEASLES.—There were 89 cases of Measles admitted in 1909: these with 4 who were already in Hospital when the year began made 93 under treatment, of whom 87 left cured, 2 remained in Hospital when the year ended and 4 died: two of these were young children sent from other Hospitals with other serious diseases as well as Measles: the mortality was 4.4 per cent.

ROTHELN.—This illness was very prevalent during the year; most of the cases came from large business firms who would have been greatly incommoded had they not been able to send their employes to the London Fever Hospital: of the 97 cases under treatment, 96 of whom came in during the year, all were discharged cured.

DIPHThERIA.—The Diphtheria cases under treatment numbered 65, of whom 60 were admitted during the year, the remaining 5 being in Hospital when the year began: 55 were discharged cured; 9 were still under treatment on the 31st December, and 1 died; mortality only 1.8 per cent., but as pointed out in the last report, the criterion of Diphtheria adopted since 1894, being the presence of the Klebs-Loeffler Bacillus, a large number of cases are now included under the term Diphtheria, which would have been regarded as of simple sore throat before that date.

DISEASES OTHER THAN INFECTIOUS FEVER.—Many patients suffering presumably, from an Infectious Fever, were sent in with certificates of some Fever other than that from which they were actually suffering; this is unavoidable, the difficulties of diagnosis

when the practitioner is called upon to give his decision being often insuperable. But in addition to this, 31 patients were sent in under certificates of infectious disease when they had none such. The tables annexed to this report drawn up by Dr. Beards, the Resident Medical Officer, show that many of these cases were certified as Diphtheria, on the strength of a bacteriological examination, which was found to be incorrect on their arrival at Hospital. Seeing the danger and inconvenience to patients which arise from their unnecessarily being removed from home to an Infectious Fever Hospital, the importance of the bacteriological examination being only entrusted to a competent and reliable bacteriologist before certification should be borne in mind by certifying practitioners.

OFFICIALS OF THE INSTITUTION.—Two Nurses and 1 Wardmaid contracted Scarlet Fever; 2 Nurses contracted Diphtheria, and 1 got Rotheln; all recovered. Several Nurses and Servants suffered from Influenza, and the temporary loss of their services was much felt.

Dr. Gordon Smith, resigned the post of Assistant Resident Medical Officer, in April, and was succeeded by Mr. W. M. Goldie, F.R.C.S.

The Committee regret the death of Col. Philpotts, R.E. a Member of the Committee, and the resignation of Mr. Heath Joyce, who had served on the Committee for 30 years, and also the resignation of Mr. Woods, who had for many years acted as Honorary Auditor of the Hospital accounts.

In the Report for the year 1908, the falling off in the financial support received by the Hospital during the last two years, especially in the matter of legacies was pointed out, and it was intimated that a Festival Dinner would be held during the year 1909, in aid of the Funds. The American Ambassador, Mr Whitelaw Reid, had kindly promised to take the Chair at the intended dinner, but the response to the appeals for assistance and support were so discouraging, in great part, it appeared, owing to the proposals in the Budget just then laid before Parliament, that the Committee were compelled to abandon the proposed Festival Dinner.

On the recommendation of a special Committee appointed to consider how the serious deficit in the Hospital finances could best be met, it was resolved that a further loan should be obtained from the bankers, that the annual grant made to Miss Wardell's Convalescent Home should be discontinued, and

that one half of the main building should be closed, and such reduction as was thereby rendered possible in the Nursing Staff should be at once carried out; this was done in May, and since then, and at the time of writing, a large part of the Hospital is disused. Alterations have also been made in the scale of payments by patients which have proved successful in the working, and have brought an increase to the receipts of the Hospital.

Since its foundation in 1802, the support received from the public has always been sufficient to enable the Hospital to carry on its work, and the large number of patients who each year have sought its accommodation has shown that it meets an undoubted want. But the Hospital buildings dating many years back had practically become worn out, and the Committee felt the necessity, emphasised of late by the repeated comments of the visitors of the King's Fund, to carry out the re-building of the Hospital. This has been systematically carried out during the last few years, not only new Wards but Laundry, Disinfecting Rooms, Servants' Offices and Nursing Home having been erected. In carrying out this scheme, which is yet not entirely completed, the invested property of the Hospital has been almost entirely absorbed, and the maintenance of the Hospital now depends entirely upon the voluntary donations and subscriptions received from the public and upon the payment received from patients. The Committee hope that the public, especially those living in flats, those who come as visitors to London Hotels or private Houses, and the large commercial firms with many employés, and all those who wish to find isolation accommodation and treatment, for which they could contribute part of the expense should they be attacked by infectious disease will realise that it will not be obtainable unless adequate supports is forthcoming for the London Fever Hospital.

The Annual Subscriptions were £4,540 9s. 6d. as against £4,354 9s. 6d. in 1908, an increase of £186. The donations were £2,217 4s. as against £1,322 8s. 11d. in 1908, an increase of £894 15s. 1d.; the increase is due to the appeal made when the dinner was contemplated, and against it must be set the sum of £312 expended in the costs of the appeal, and the Committee beg to thank those who came forward and enabled the Hospital to defray the year's expenses. It is especially in the falling off of the amount received from legacies that the Hospital has suffered during the last 2 years; the amount received from this source was £665 in 1908, and only £179 13s. 10d. in 1909, while the average amount received from legacies in each of the preceding 10 years was £3,054.

LONDON FEVER HOSPITAL.

LIVERPOOL ROAD, ISLINGTON.

LAWS AND REGULATIONS.

Reception of Patients.

1. The Hospital is intended for the reception of persons suffering from infectious fever other than small-pox, and more especially for such of those persons as may require isolation, in order to prevent the further spread or propagation of the disease from them to others.

2. Any person (not being a parochial pauper) labouring under such disease shall, subject to the next rule, be considered a proper person for admission into the Hospital.

3. The Committee may from time to time make regulations for the admission of such persons as patients on payment of such sums as may be from time to time determined, provided always that—

(a) Domestic servants of governors shall be admitted gratuitously.

(b) The Committee may, if they think fit, at any time reduce or wholly remit the fees in the case of individual patients.

4. Applications for admission should be accompanied by a medical certificate stating the nature of the disease. The medical officers may, in the exercise of their discretion, refuse admission to any case which they deem unfit; but every refusal to admit a patient shall be reported at the next meeting of the Committee, together with the reason for the refusal.

Governors.

5. All subscribers of not less than one guinea per annum, who have subscribed for more than one year, and all donors of not less than ten guineas in one donation, shall be governors of the Hospital. This rule shall not be retrospective.

General Meeting and Election of Committee.

6. A general meeting of the governors, of which ten days' previous notice must be given in three morning newspapers, shall be held every year, on the second Friday in February, or as near thereto as may be convenient, for the purpose of approving or rescinding the proceedings of the Committee for the preceding year ; for receiving the annual report of the state of the funds ; and for electing a president, vice-presidents, treasurer, honorary secretary, and other members of the Committee for the ensuing year.

7. The Committee for the management of the Hospital shall consist of the president, the vice-presidents, the trustees, the treasurer, honorary secretary, and not less than fifteen nor more than twenty-five other governors.

8. A special general meeting of the governors may at any time be called by direction of the president or of the Committee ; or on the requisition of any twelve governors, provided the requisition be made in writing to the secretary and the purpose for which the same is summoned be published in three morning newspapers at least ten days prior to the meeting ; but the proceedings of such special general meeting, though acted upon *pro tempore*, shall not be deemed final until confirmed by another general meeting.

9. No new rule or law shall be made, nor shall any existing rule or law be repealed or altered, until determined upon at a general meeting by a majority of governors present and voting, and until confirmed at a subsequent general or special meeting.

10. The presence of seven governors shall be necessary to constitute a quorum at general meetings, and without that number no business shall be transacted.

The Committee.

11. The Committee shall manage the Hospital. They shall meet on the second Friday, or on such other day of every month as they may appoint ; and three members shall be necessary to constitute a meeting and to transact business. A special meeting of the Committee may be called by the direction of the honorary secretary, or by any three members of the Committee, on giving at least three days' notice of the same to the members of the Committee, and specifying the business for which it is called.

12. The Committee shall have authority to appoint sub-committees, whose reports shall be submitted to their consideration ; and with the assistance of the medical officers shall, from time to time as may be expedient, form regulations and by-laws for the internal management of the Hospital.

13. The resolutions of one meeting of the Committee shall not be rescinded by another, unless it be specially summoned for that purpose.

14. The Committee shall yearly publish a report of the state of the Hospital.

15. All accounts, except such sums as may be comprised under the item of petty cash, shall be submitted to the Committee at the monthly meetings, after having been duly examined by the secretary, the resident medical officer, the house directors, and certified by the auditor; and such accounts, if approved, shall be paid by cheques, payable to order, signed by two members of the Committee, on production of the house directors' minutes relating to them, and countersigned by the secretary.

16. No member of the Committee shall furnish, otherwise than gratuitously, any goods, provisions, or other articles, for the use of, or on account of, the Hospital, or be concerned in any contract, directly or indirectly, for supplying the same, or be employed for hire, fees, wages, or profit in any office or employment in connection with the Hospital.

Conduct of Meetings.

17. At all meetings a simple majority of the members present and voting shall bind the minority; and in case of equality of votes, the chairman shall have an additional or casting vote.

Treasurer.

18. The treasurer, if present, shall take the chair at all meetings of the Committee, in the absence of the president or vice-presidents. He shall keep an account at the bankers', and all moneys received for the use of the Hospital shall be paid to such account; he shall honour cheques signed, as provided in Rule 15.

Honorary Secretary.

19. In the absence of the Committee, the honorary secretary shall represent the Hospital with the public and with public bodies, reporting his action to the Committee.

Audit.

20. All accounts of the Hospital shall be audited by a professional auditor. The auditor shall certify the accounts, and it shall be his duty to report to the Committee anything in the books or accounts which in his opinion appear to call for comment.

21. At the meeting of the Committee in November, three gentlemen, one at least of whom shall not be a member of the Committee, shall be appointed to examine the accounts of the Hospital for the current year, and approve an abstract of all receipts and disbursements to be prepared by the secretary, and laid before the annual general meeting in February.

22. The house-directors shall consist of the trustees, treasurer, the two physicians, and the architect, who shall be *ex-officio* house-directors, and of three elected house-directors chosen as follows:—The Committee at their meeting in February shall

appoint a member of their own body to be chairman of house directors, who shall retain office for a term of three months. They shall in like manner appoint a chairman of house directors at their meetings in May, August, and November. The same person shall not, unless by special resolution of the Committee, be elected for two terms in succession. The Committee at each monthly meeting shall appoint two members of their body to be house directors for the ensuing month, one of whom, if possible, shall not have served during the previous month. If the same house directors are re-appointed, they shall only be so appointed by special resolution.

23. They shall from time to time cause the beds, clothes, and apparel belonging to the Hospital to be examined, and shall report thereon, if necessary, to the Committee. They shall inspect the tradesmen's bills, and take care that the provisions, bedding, clothing, furniture, and every article for the use of the Hospital be supplied on the most reasonable terms; they shall order in writing all permanent stores, and shall advise the Committee as to all larger requirements and structural alterations.

24. All articles required in large quantity shall, where practicable, be supplied by contract after public tender, and all considerable contracts for work or repairs be made after public tender or invitation to not less than three respectable firms, but the house directors shall not be obliged to accept the lowest or any tender.

25. They shall be authorised in all respects to enforce the observance of the regulations of the Hospital; they shall notice and report to the Committee any irregularity or misconduct on the part of the officers, servants, or patients of the charity, and shall, at every meeting of the Committee, cause a statement of the house expenditure to be produced for the preceding month. They shall appoint and dismiss, or approve the appointment or dismissal, of all nurses, porters, and other servants, male or female.

26. The chairman of the house directors shall, during the intervals between their meetings, be authorised to exercise the functions of the house directors in any matter of urgency, reporting, at their next meeting, what he may have done under this authority.

shall be reported to the Committee. If the number of patients exceed 150 an assistant physician shall come on active duty.

30. The surgeon shall undertake the surgical charge of such patients as the physicians may deem necessary, and in case of emergency shall attend when summoned by the resident medical officer. Such attendances shall be reported to the Committee. If unable to attend, the surgeon shall substitute a duly qualified deputy.

36. He shall keep accurate registers of the patients and of their cases, which registers shall be the property of the Hospital; he shall produce a special report every month, to be laid before the Committee.

37. Secretary, House Steward, and Collector.

38. There shall be a secretary and a house steward. These offices shall be filled by the same or by different persons as the Committee shall from time to time think fit.

41. The duties of the collector shall be—

To call on subscribers and collect all donations and subscriptions of the Hospital ; to give only authorised printed receipts for the same ; to attend all meetings when required ; to keep correct lists and duplicate lists of all donations and subscriptions, with the residences of the donors and subscribers, made up from day to day ; to pay weekly all moneys he may receive to the bankers ; to deliver weekly to the secretary reports in writing of all moneys received and paid, with the balance at the bankers' ; to keep the accounts regularly entered in the collector's cash book ; to deliver a copy of the annual report to each subscriber ; and to perform all the duties appointed by the by-laws.

The matron shall have the direction of the nurses and female servants in the Hospital, subject to the superintendence of the house directors and the resident medical officer, and shall be responsible for the care and order of the wards. She shall have charge of the housekeeping arrangements, and shall perform the duties appointed by the by-laws.

Election of Officers.

44. The physicians, surgeon, assistant physicians, architect, resident medical officers, matron, auditor, and secretary shall be elected by a Committee comprised of the Committee for the management of the Hospital, the honorary medical officers, and the architect.

Salaries.

45. No variation in the fixed salaries of officials shall be made unless the Committee be summoned for that purpose, and unless the proposed addition or diminution be confirmed by a subsequent Committee.

Trustees.

46. The legal estate in the lands, buildings, and premises of the Hospital shall be vested in not less than three trustees, new trustees being appointed at a general meeting of the governors when vacancies occur.

47. All legacies of £100 and upwards, unless otherwise directed by the testators, shall be invested for the benefit of the Hospital, in the names of three trustees, to be called trustees of the fund.

Religious Ministrations.

48. Ministers of religion of all denominations shall have free and equal access to the Hospital, but no minister of any denomination shall receive any payment out of the funds of the Hospital in respect of his ministrations.

49. It shall be a standing instruction to the Committee and officers of the Hospital that any minister of religion desirous of visiting or ministering to patients of his own denomination shall be received with all courtesy, and shall be afforded all facilities consistent with the wishes and welfare of the patients, and the convenient conduct of the Hospital.

By-Laws.

50. The by-laws which shall from time to time be made by the Committee shall be open to the inspection of any governor, and shall contain, among other things, a full specification of the duties of the resident medical officer, the matron, and other officers and servants of the Hospital, together with the terms of their employment. This specification of his or her own duties shall be read to and assented to in writing by, every person before his or her appointment, and referred to on all occasions of doubt.

At a Meeting of the Committee held at Freemasons' Tavern, on October 13th, 1882, it was resolved:—

1. That no election to the offices of physician, assistant physician, resident medical officer, assistant resident medical officer, secretary, auditor, or matron, be proceeded with until the vacancy has been advertised in three daily London papers and in two medical journals. The first advertisement to be inserted not less than eight days before the election.
