The Committee also wish to acknowledge the help rendered by Members of the St. John's Ambulance Brigade when called upon.

Alterations and Improvements

During the year some important improvements have been effected on the premises, and the Committee are pleased to report that the Nurses' quarters have been altered, and are now suitable for their needs. A system of Central Heating has been installed, which has greatly added to the comfort of the Hospital. The X-Ray department has been moved over to the Out-Patients block and has been equipped with the most modern apparatus, which enables the Hospital to do more efficient work.
