# Coventry and Warwickshire Hospital (Incorporated).

# Notice of First General Meeting

Notice is hereby given that the FIRST GENERAL MEETING of GOVERNORS of the COVENTRY AND WARWICKSHIRE HOSPITAL, Incorporated the twenty-fourth day of December 1942, will be held at the HOSPITAL, STONEY STANTON ROAD, COVENTRY, on TUESDAY, MARCH 23rd 1943, at 6-15 p.m., for the transaction of the following business:—

- (I) To Receive the Report of the Board, together with Audited Balance Sheet, and Income and Expenditure Account, for the year ended December 31st 1942.
- (2) To Elect a President for the ensuing year.
- (3) To Elect Vice-Presidents for the ensuing year.
- (4) To Appoint two past Chairmen of the Board of Management and two past Chairmen of the Coventry and Warwickshire Hospital Saturday Fund Committee, as members of the Board for the ensuing year.
- (5) To Elect Ten Governors as members of the Board of Management.
- (6) To Elect an Auditor for the ensuing year and to fix the remuneration of the Auditor.

BY ORDER OF THE BOARD.

(Signed) S. CECIL HILL.

House Governor and Secretary.

5th March 1943.

(Extract from Article 34 of the Articles of Association of the Hospital:—NOTICE OF THE INTENTION TO PROPOSE ANY CANDIDATE (FOR ELECTION TO THE BOARD) MUST BE SIGNED BY TWO GOVERNORS AND DELIVERED TO THE SECRETARY AT THE REGISTERED OFFICE OF THE HOSPITAL (STONEY STANTON ROAD., COVENTRY) AT LEAST FORTY-EIGHT HOURS BEFORE THE MEETING AT WHICH THE ELECTION OF THE BOARD TAKES PLACE. THE NOTICE MUST BE ACCOMPANIED BY THE NOMINEE'S WRITTEN CONSENT TO SERVE IF ELECTED).

# ANNUAL REPORT.

The Board of Management has pleasure in presenting its Report, together with Statement of Accounts, for the year ended December 31st 1942.

## ROYAL VISITORS.

The King and Queen visited the wrecked Hospital on February 25th 1942. Their Majesties, who were most sympathetic and clearly distressed to learn of the loss of life and to see the extent of the damage sustained, were very interested in the steps taken to provide alternative accommodation.

Later in the year, Her Royal Highness the Princess Royal visited the Hospital and made an extended tour of the wrecked buildings. Her Royal Highness recalled that she had promised to open the new Hospital buildings in October 1939, (this ceremony, however, was cancelled owing to the outbreak of War).

# HOSPITAL ACCOMMODATION.

The first of the new two-Ward units at the Keresley Branch Hospital was completed towards the end of March and was formally opened on April 21st by Sir Alfred Herbert, who was supported by Viscount Nuffield. Lord Leigh, President of the Hospital, presided over the large and distinguished gathering present, which included His Worship the Mayor of Coventry, Councillor A. R. Grindlay, Lord Iliffe (a past President), Lady Herbert (a Vice-President), and numerous representatives of the civic and industrial life of the City. The Ceremony was made the occasion for naming a number of Beds and Cots in acknowledgement of generous sums subscribed to the Appeal Fund.

In recognition of the generous donations to the Appeal Fund made by Lord Nuffield and Sir Alfred Herbert, and in appreciation of their continuing very practical interest in the Hospital and its work, the two new Wards were named "Nuffield Ward" and "Alfred Herbert" Ward. Governors will recall that the "Nuffield" and "Alfred Herbert" Wards at the Coventry Hospital were destroyed when the Hospital was wrecked by enemy action.

On September 30th, the second two-Ward unit was opened by the Mayor of Coventry, Councillor A. R. Grindlay, and on this occasion, also, a number of Beds and Cots were named in acknowledgement of special efforts and contributions towards the Emergency Fund. These two Wards, by resolution of the Board, were afterwards named "Wyley Ward" and "Henry Johnson Ward."

Thus, within a period of 18 months following the destruction of the Hospital buildings in Coventry, alternative accommodation had been provided for 260 out of the 452 in-patient beds previously available, an achievement of which the Citizens of Coventry—who found the necessary funds—and the Hospital Committee, may justly be proud. But additional Hospital accommodation was still necessary—is still necessary—and with adequate funds in hand, application was made for Licence to build a third two Ward

unit, which would include additional Nursing Staff accommodation, so very urgently needed. It is a matter for great regret — and of great concern to Coventry — that this application was refused, on the grounds that the available resources in labour and materials can be used only for purposes vital to the furtherance of the National War Effort. We have been assured of the Minister's appreciation of the efforts made to reinstate Hospital services, and we feel that the Minister is not unsympathetic to Coventry's needs, but while we realise the necessity for careful control of materials and labour, the Board is firm in its opinion that the provision of more Hospital accommodation immediate to the City is essential, and it is earnestly hoped that the Ministry will re-consider its decision.

# KITCHENS AT KERESLEY.

The cooking facilities at the Alcock Hospital — which consisted only of two coalranges — were, of course, quite inadequate to cater for the increasing numbers of patients and staff. Part of the new equipment installed at Coventry in 1939 has been transferred to

Keresley, and although the amount of kitchen accommodation is restricted, sufficient apparatus has been installed to meet the needs of much greater numbers of patients and staff.

# OPHTHALMIC UNIT.

The accommodation at the Kenilworth Convalescent Home (No. 3 Branch) has been in full use for the reception and treatment of eye cases since May 11th. A bedroom on the first floor was converted into an operating theatre, and although the building generally cannot, by any means, be regarded as ideal for Hospital purposes, the arrangements made have worked extremely smoothly and satisfactorily.

# MEDICAL BRANCH.

"The Towers," Kenilworth (No. 2 Branch) has been in continuous use throughout the year for the treatment of medical cases. This unavoidable dispersal of Hospital services — necessarily resulting in increased maintenance costs and administrative difficulties — is much regretted, but Governors will be satisfied to know that the arrangements have worked well, as evidenced by the many expressions of appreciation and congratulation from patients. The Board has given much thought to necessary fire precautions at "The Towers,": a motor fire pump has been installed, hose reels have been provided on each floor, and, more recently, an outside fire-escape staircase has been erected.

#### CHILDREN'S WARD.

In an endeavour to meet, if only partially, the demand for Hospital beds for children under 12, the in-patient accommodation in the Casualty Block at Keresley, originally intended as an adult Ward, is now in use as a Children's ward, thus permitting the resumption of our Ear, Nose and Throat services for children. Since the close of the year, these services for adults have also been resumed, the increased accommodation available following the opening of the second two-Ward block having made it possible to allocate a number of adult beds for Ear, Nose and Throat cases.

# CASUALTY DEPARTMENT.

As the result of a re-arrangement of accommodation in the Out-Patient Department in Coventry, it has been possible to provide better facilities for the treatment of casualties, a most necessary improvement, bearing in mind that during the year 39,783 casualty attendances were recorded.

# OUT-PATIENTS.

Towards the end of the year, a system of Appointments for out-patients was introduced, with a view to reducing the waiting time of out-patients and to relieve the heavy pressure upon the staff and services at "peak" periods. The scheme shows every sign of being successful, although some difficulties must necessarily occur from time to time, particularly because of the increasing demands upon the time and services of the Medical Staff.

#### X-RAY DEPARTMENT.

Governors will recall that the new X-Ray diagnostic apparatus, which was installed in 1939, was completely destroyed by enemy action; with the result that the remaining plants have been very heavily over-worked — during the year 14,081 patients were

Exterior View of Two-Ward Unit.

X-Rayed (requiring 26,201 X-Ray photographs). Following application to the Ministry, a new X-Ray plant has been specially released for our use and is now being installed. The cost, which will amount to approximately £2,000, will be met initially out of the Emergency Appeal Fund, but will be recovered later as part of our claim under the War Damage Act.

# NURSES' ACCOMMODATION.

The shortage of accommodation for the nursing staff has continued to engage the serious attention of the Board. Thanks are due to Captain and Mrs. Miller for their readiness in placing part of their residence, Coundon Court, at the disposal of the Hospital for resident nurses, and this has eased the situation to some extent. Nevertheless, additional accommodation for the nursing staff is very urgently needed.

## OBITUARY.

It is with feelings of regret that the Board records the deaths of Mr. W. Coker Iliffe, Dr. A. H. Laird and Dr. E. Rice. Mr. Coker Iliffe was a Vice-President of the Hospital, very deeply interested in its work and a very generous donor. By his death the Hospital has lost a valued friend and supporter.

Dr. Laird, after serving for a period as Honorary Anaesthetist, was appointed Visiting Radiologist in 1920 and had charge of the X-Ray Diagnostic and Therapy Department. The Board desires to place on record its sense of appreciation of his valued services over a period of nearly 30 years.

Dr. E. Rice was Resident Surgical Officer of the Hospital for a period of 18 years and retired in 1931, and during his long service he won the esteem and affection of the Hospital Committee and his colleagues on the Medical Staff.

#### INCOME.

Ordinary income for the year amounted to £80,329 2s. 5d. compared with £67,615 2s. 8d. in 1941, and the total income including Legacies amounted to £85,531 14s. od. as against £76,720 18s. 4d. for the previous year.

# EXPENDITURE.

Total ordinary expenditure for the year amounted to £60,070 18s. 8d. against £49,501 6s. 5d. in 1941; total expenditure amounted to £64,260 18s. 8d. compared with £50,689 16s. 3d. for the previous year. This increased expenditure is due, of course, mainly

to the larger number of patients treated and to a lesser degree, to the still rising costs of commodities. The final accounts disclose an excess of total income over total expenditure amounting to £21,270 15s. 4d.

# HOSPITAL SATURDAY FUND.

Grants totalling £50,000 — far exceeding any previous annual contribution made to the Hospital — have been received during the year from the Hospital Saturday Fund. The increased income available to the Hospital Saturday Fund Committee illustrates the growing strength of Contributory Scheme effort and for this very material and valued help we tender to the Hospital Saturday Fund renewed and grateful thanks.

# EMPLOYERS' CONTRIBUTIONS AND ANNUAL SUBSCRIPTIONS.

Many more Firms and Employers have adopted the suggested basis of  $\frac{3}{4}$ d. per week per employee as a subscription towards the Hospital funds and the total receipts from annual subscriptions amounted to  $f_{17}$ ,672 6s. 8d.

#### ALEXANDRA ROSE DAY.

Once again all previous efforts have been exceeded and the record sum of £1,306 13s. od. was handed to the Hospital as a result of the Alexandra Rose Day collections held in July 1942. To the organisers, collectors and all who helped in this effort the Board tenders most sincere thanks.

# HOSPITAL SUNDAY FUND.

Another record collection from the Hospital Sunday Fund Committee has helped to swell the income for the year and we extend to that Committee, their many helpers and the representatives of the Churches, sincere and grateful thanks for the most welcome contribution of  $\pounds 1,526$  os. 1d.

# LADIES' AUXILIARY COMMITTEE.

The Ladies' Auxiliary Committee continues to be of very great help and service in providing Hospital linen and garments for the patients while, in addition, a very substantial contribution of £474 Is. od. was handed to the Hospital during the year. To the members of the Committee and its many workers, the Board tenders sincere appreciation and thanks.

#### EMERGENCY APPEAL FUND.

During the year contributions to the Emergency Appeal Fund amounted to £22,341 18s. 2d., bringing the total fund at the close of the year to £102,503 2s. od. with cash received £67,144 8s. 2d.

Total expenditure on the reinstatement of Hospital buildings and services has amounted to £46,436 5s. od., leaving a cash balance in hand at the end of the year including balance of interest-free loan, of £29,279 IIs. 9d.

## LEGACIES.

The following Legacies were received during the year which we acknowledge with gratitude.

			£	S.	d.	
The late	Mr. H. E. Caldicott	 	 1,000	0	0	
" "	Mrs. M. J. Ebdell	 	 50	0	0	
,, ,,	Mrs. A. A. Sanders	 	 100	0	0

,, ,,	Mr. G. G. Price	 	 2,841	4	8	
	Miss E. Nutting	 	 86	6	II	

# GENERAL.

The Board extends most grateful thanks for the many contributions received during the year for the general purposes of the Hospital.

Annual subscribers of  $\pounds 2$  2s. od. or more are reminded that they have the right to be registered as Governors of the Hospital, to attend and vote at Quarterly and other meetings of Governors, and, if elected, to serve upon the Board of Management. Firms and Societies subscribing  $\pounds 5$  5s. od. or more have the right to nominate Governors in accordance with the amount subscribed annually.

# GIFTS.

The Board acknowledges with deep gratitude the many and useful gifts received during the year and is especially grateful for the help received from Canadian and American sources and the British War Relief Societies.

#### VISITING STAFF.

Dr. J. C. Heather, Visiting Physician, is now serving with His Majesty's Forces and Dr. W. Fraser Annand, who was appointed Consulting Physician when he retired from the active Staff in July 1939, has returned to active duty again.

Dr. F. Pilkington has also been called up for service with the Forces and the Board has appointed Dr. Lilian Hayward as Acting Physician in Psychological Medicine for the Period of the War.

Other war-time appointments are as follows:-

Dr. J. M. Woodburn Morison, Radiologist.

Dr. Mary Russell, full-time Assistant Surgeon to the E.N.T. Dept.

Dr. H. P. McNamara and Dr. G. Robertson, as Medical Registrars.

Dr. E. Lodge, Clinical Assistant to the Dermatological Department.

Dr. J. P. Harger, Anaesthetist at Kenilworth Convalescent Home.

Dr. K. E. Barlow, Clinical Assistant in the X-Ray Department.

Dr. N. Oughton, Clinical Assistant in the Ophthalmic Dept.

# NURSING.

Throughout the year the Nursing Department has maintained a high standard of efficiency despite the many and increasing difficulties occasioned by the War.

## PRESS.

The Board again acknowledges its obligation to the Local Press which continues to render very valuable help to the Hospital in making known its great needs and by supporting the Hospital work and activities.

#### GENERAL.

The Board concludes its report with an expression of thanks to all members of the Hospital Staff who have continued to carry out their duties so well and so loyally during another very difficult and trying year.

(Signed) G. T. SMITH-CLARKE.

Chairman.

The Board desires to place on record its great appreciation of the services rendered to the Hospital by Captain G. T. Smith-Clarke, the Chairman. It is mainly through his initiative and enterprise that, in the period of some eighteen months following the destruction of the Hospital, alternative accommodation has been provided for 260 in-patient beds. In addition, plans for a third Two-Ward unit at Keresley were prepared, adequate funds were in hand, and had it been possible to obtain the necessary licence to build, Captain Smith-Clarke would have had the great satisfaction of knowing that a large proportion of Coventry patients could have received Hospital treatment within their City. Governors will join with the Board in expressing regret that the full scheme for reinstatement of services could not be completed, but it is largely due to the indefatigable efforts of Captain Smith-Clarke that so much has been accomplished, and the Board tenders to him renewed thanks and gratitude for the valued services he has rendered to the Hospital.

I have audited the above Balance Sheet of December 31st, 1942, and have obtained all the information and explanations I have required. In my opinion such Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Hospital's affairs according to the information and explanations given to me and as shown by the books of the Hospital.

COVENTRY, 1st March, 1943.

Signed, SIDNEY T. PEIRSON, F.C.A., Auditor.
