COLWYN BAY AND WEST DENBIGHSHIRE HOSPITAL.

History of the Hospital.

The Hospital was established as the Colwyn Bay and District Cottage Hospital to commemorate the Diamond Jubilee of Her late Majesty Queen Victoria. The first Public Meeting in connection with the project was held in April, 1897. The excavation for the building was begun August 29th, 1898, and the Hospital was completed in October, 1899. The inaugural ceremony was performed by Mrs. Cornwallis-West, who represented her husband, the Lord Lieutenant of the County, in his unavoidable absence. The accommodation provided consisted, on the ground floor, of a men's ward and a women's ward, each for four patients, an operating room, matron's room, bathroom, corridor to each ward, kitchen, scullery, pantry, and a store room with linen cupboards and hot water cylinders; on the first floor, matron's bedroom, two bedrooms for nurses, bath and other rooms for staff; and in the basement, heating apparatus and coal cellar. The plans were prepared by Messrs. Booth, Chadwick & Porter, of Colwyn Bay, who generously gave their services. In 1902 a well-equipped Laundry and Mortuary were added. In the following year a building with Isolation Wards for four patients was erected, the plans having been prepared by Mr. J. M. Porter, who acted gratuitously. In 1907, a nurse's day room, a clinical room, and three extra bedrooms were added. In 1910, the present operating theatre was erected as a memorial to the late Mr. James Wood, who was one of the most active founders of the Institution, and had served as Honorary Secretary from the commencement of its work. The late Mr. Walter Whitehead, the then Chairman of the Hospital, took a keen interest in the scheme, and rendered valuable assistance in connection with it. Messrs. Porter & Elcock gave their services as Architects. The old operating room was at the same time converted into a private ward for two patients. The theatre was opened on the 14th December, 1910, by the Countess of Dundonald. An X-Ray department, with exposure and developing rooms, fully equipped with the necessary apparatus, was provided in 1911, by the generosity of the late Mr. J. S. Littlewood, who bore the entire expense. With a view to future extensions, Mr. Littlewood, in the following year, gave to the Hospital an acre of land, for which Mr. Joseph Smith, J.P., very generously fixed the price at one half of its estimated market value.

In the year 1919, the Joint Committee of the British Red Cross Society and the Order of St. John of Jerusalem made an offer of a grant of £10,000 for the enlargement of the Hospital to serve West Denbighshire, on the condition that a similar sum was

raised locally by the end of August, 1920, and priority given to a limited number of ex-service men for treatment. The offer was accepted. A large and representative Committee, having as its nucleus the members of the Board of Management of the Cottage Hospital, was formed to carry into effect the proposed scheme. Of this Committee, our President, Lord Colwyn, was the Chairman. The late Dr. Huff Hewitt served as Chairman of the Executive Committee; Mr. David Gamble, J.P., as Chairman of the Building Committee, and Mr. Francis Nunn as Chairman of the Constitutional Committee. In July, 1920, a monster Fête, organised by Mr. Thos. E. Purdy, J.P., was, by the kindness of Lord and Lady Colwyn, held in the grounds of Queen's Lodge, when, including donations, upwards, of £14,000 was realised. There was considerable delay in commencing the actual work owing to the high cost of building as a result of the war. Eventually the designs of Mr. S. Colwyn Foulkes, A.R.I.B.A., of Colwyn Bay, were accepted and the contract was let to Mr. Joseph Davies, of Birkenhead. The Foundation Stone was laid by Lord Colwyn on June 23rd, 1923, and the formal Opening, which was also performed by Lord Colwyn, took place on October 17th, 1925. The cost of the new building and of the reconstruction of the old buildings, including equipment, was £34,845 15s. 3d. The Colwyn Bay and West Denbighshire Hospital was opened free from debt, and a debit balance of £435 in respect of the Cottage Hospital was discharged.

An Endowment Fund has been built up by generous donations from time to time. The amount of the Fund at the close of 1926 was £6,418 10s. 5d.

The officers of the Hospital since its foundation have been:—

Trustees: Mr. David Gamble, the late Mr. Harry Lupton, Mr. Francis Nunn, the Rev. Thomas Parry, the late Mr. Harold Smith, Mr. J. W. Raynes, and the late Mr. J. S. Littlewood.

Hon. Treasurers: Mr. David Gamble, 1899-1923; Mr. Thos. E. Purdy, J.P., C.C., has held the office of Hon. Treasurer since 1923.

Colwyn Bay and West Denbighshire Hospital.

TWENTY-SEVENTH ANNUAL REPORT OF THE BOARD OF MANAGEMENT.

To the Trustees, Governors, Subscribers and Benefactors:—

It is with feelings of pride and great gratitude to our generous supporters that we present our First Annual Report of the enlarged Hospital, which is also the Twenty-seventh Annual Report of the Institution originally established as the Colwyn Bay and District Cottage Hospital. It contains a record of very valuable work done in the treatment and relief of disease and suffering, and fully justifies the outlay involved in providing the increased accommodation of the Hospital. Indeed, far from verifying the forecast of some of our friends that the extension was on too large a scale, everything points to the likelihood that the enlarged Hospital, at an early date, may prove inadequate to meet the needs of the district which it serves.

As regards finance, we are able to show that on an expenditure of £5625 16s. 8d. for the period October 1st, 1925 to December 31st, 1926, we have a deficit of only £41 2s. 4d. It is a splendid start and, if a continuance of the support we have had can be assured, we may look forward with confidence to the future financial prosperity of the Hospital.

The enlargement and equipment of the Hospital involved an outlay of a £34,845, and we were not only able to open free from debt, but also to discharge a debit balance of £435 in respect of the old Cottage Hospital. It is, we imagine, an almost unique record.

Of the 726 cases, 226 were medical and 500 surgical.

The average length of residence of patients was 24 days in the last 3 months of 1925 and 23 days in the year 1926.

The average number of beds occupied in the last 3 months of 1925 was 29 and during the year 1926 the number was 39.

The total cost, including maintenance and all other charges, per individual (i.e., patients and nursing and domestic staff) was 4/6 per day in 1924, 4/5 per day in 1925, and 4/- per day in 1926.

The total cost per patient was 7/2 per day in 1924, 7/7 per day in 1925, and 6/7 per day in 1926, or £2 6s. 1d. per week.

COLWYN BAY AND DISTRICT COTTAGE HOSPITAL.

There are certain friends of the old Colwyn Bay and District Cottage Hospital who fear lest the great work done by that Institution for upwards of 26 years should be lost sight of now that it has become merged in the Colwyn Bay and West Denbighshire Hospital. We trust that such fears are groundless. There has been an alteration in the name, necessitated by the enlargement of the area we now serve, but the bigger Institution is but a development of the smaller one to meet the needs of a rapidly growing district and to extend its usefulness beyond the limits of the immediate vicinity of Colwyn Bay. We look to the rock whence we were hewn and most gratefully acknowledge our indebtedness to the benefactors who laid the foundation and generously provided endowments consisting of land, buildings, equipment and funds which constitute the substratum of the enlarged Hospital. It is our hope that their good work will never be forgotten, but will always be linked-up in grateful

memory with what has since been done in providing the larger Hospital of which we are so justly proud.

ENDOWMENT FUND.

We most gratefully acknowledge the following legacies bequeathed to the Hospital since the last report was made, all of which, however, have not yet been received:—

£1,000 by Mr. Pryce Williams, J.P., of Rhydwen, Rhos-on-Sea

£250 by Miss Harrop, of Highcroft. Whitehall Road, Rhos-on-Sea.

£90 by Mrs. Mary Ogden, of Nordene, Francis Avenue, Rhos-on-Sea.

£67 10s. by Nurse Catherine Roberts, of Denbigh.

£50 by Mr. Alfred Hirst, of Stavely, Llandudno Road, Rhos-on-Sea.

BENEFACTIONS.

Among the many benefactions received during the period under review, details of which will be found in this Report, and for which we tender our most grateful thanks, there are some which call for special mention.

During the course of the past year we were threatened with the erection of house property on the land adjoining the South side of the site of the Hospital. This would probably not only have been an eye-sore, but the privacy of the Hospital would have been greatly encroached upon, and, possibly, its amenities as regards light and air seriously interfered with. All fear of anything of the kind has now been removed by the munificent gift of an acre of land by Mrs. Stott, of Plas Parciau, who wishes her gift to be associated with a previous benefaction by her father, the late Mr. Joseph Smith, J.P., who fixed the price of the acre of land in 1912, upon which the new building of the enlarged Hospital has been erected, at one half of his estimate of its market value. We deeply appreciate this very generous gift the immense benefit of which it is difficult to appraise. We have also to offer our very grateful thanks to Messrs. Amphlett & Co., Solicitors, Mr. David Thomas, Solicitor, Messrs. Nunn & Co., Solicitors, and Mr. S. Colwyn Foulkes, A.R.I.B.A., who have all rendered professional services in connection with the matter gratuitously.

The Rhos Cot Committee who have generously endowed a Cot are now endeavouring to raise another sum of £500 to provide a fund for the payment of fees in respect of children which might not otherwise be met. Towards this fund they have already contributed £60.

The Old Colwyn Carnival Committee have given a very handsome donation of £125, being one half of the net proceeds of the Carnival held in August.

The North Wales Branch of the United Kingdom Commercial Travellers Association have given a donation of £50 for the purchase of surgical instruments in memory of the late Mr. and Mrs. Mandle Levin. The gift was presented to and accepted by our President, Lord Colwyn, on the 16th October, 1926, when a number of representatives of the Association attended and were afterwards shown over the Hospital.

We should like specially to mention the donations of £50 each from the Old Colwyn Bowling Club and the Rhôs-on-Sea Bowling and Lawn Tennis Club. The Old Colwyn Club has led the way by having organised a special Hospital Day for several years. Now Rhos has followed this excellent example, and we hope that other Clubs may in future help us in a similar way.

In addition to the above there have also been the following greatly appreciated benefactions:—

For the 3 months October 1st to December 31st, 1925—

- Astral Concert Party, £5
- Abergele Amateur Dramatic Society, £35 16s. 10d.
- Dances organised by Mrs. Jack Davies and Mrs. E. Davies, £19
- Police Aided Charities Association, Colwyn Bay, £25
- Messrs. Boots Ltd., receipts from Weighing Machine, £5 13s. 1d.

For the 12 months January 1st to December 31st, 1926—

- Half proceeds of Entertainment held at the Pavilion (credited to Equipment Fund) per Mrs. Lord, £48 10s. 9d.
- Carnival Ball Committee, £48 5s. 2d.
- Colwyn Bay Light Opera Company, £15 15s.
- Rhos Cot Committee, proceeds of Whist Drive, £24 4s.
- Llangerniew Carnival and Gala, £7
- Dances organised by Mrs. Jack Davies and Mrs. E. Davies, £21 8s. 9d.
- Abergele Consolidated Charities, £10
- Mrs. F. H. Porter, £5
- L. M.S. Railway Staff Football Match, £2 10s. 6d.
- League of Mercy London, £5
- Mr. Llewelyn Davies' Choir, £6 11s.
- Messrs. Boots Ltd., receipts from Weighing Machine, £18 2s. 2d.
- Colwyn Bay Football Club, £7.

THE CHURCHES AND CHAPELS.

We are especially gratified by the generous response made by the various Churches and Chapels within the area served by the Hospital, and in particular from the outlying districts. The total for the twelve months reached the sum of £232 0s. 2d.

HOSPITAL SATURDAY.

The Hospital Saturday Effort realized £357 17s. 5d. We are particularly grateful to the ladies and gentlemen who year after year undertake this arduous work and especially to Mrs. Lord, who organized the Colwyn Bay district, Mrs. Bloxsome and Mrs. Waterworth, who organized the Rhos District, and Mrs. Howe, who organized the Old Colwyn District.

HOUSE-TO-HOUSE COLLECTION.

We have also had a most successful House-to-House Collection organized by Mr. T. E. Purdy and covering the entire district of West Denbighshire. The amount realized was £489 14s. 7d. We hope that this will now be an annual effort, and we tender our very grateful thanks to the heads and members of the local Committees of the various districts who worked so willingly and achieved such a splendid success. We are also very grateful to the generous contributors.

X-RAY FUND.

Our X Ray Fund has benefitted by a donation of £43 17 9d. from the Colwyn Bay Operatic Players, proceeds of their performance of "The Mikado" in the Pier Pavilion; of £74 8s. 8d. from Mrs. Howe, the proceeds of her play, "A Romance of 1745," given by the Old Colwyn Girls' Friendly Society at Arcadia; and of £40, part of the proceeds of the rendering of "The Messiah" in the Pavilion by the United Choral and Orchestral Societies of Colwyn Bay; we are most grateful for these substantial gifts. This fund now stands at £359 11s. 2d. The need of an up-to-date X-Ray equipment is most urgent, without it the Hospital is incomplete. It is estimated that the cost will be at least £1,000, and we hope that the rest of the money required may be raised during the present year.

LAUNDRY.

The re-modelling of the Laundry is also badly needed and will involve a considerable expenditure.

LINEN GUILD.

Lady Colwyn, who has done such invaluable work as the President of our Equipment Committee has commemorated that work by the gift of a handsome case for surgical instruments for the

Operating Theatre. Lady Colwyn has also inaugurated a Linen Guild for the supply of needful articles for the Hospital. The Guild is still in its infancy but we are sure that it will prove most helpful, not only in the provision of essential articles but also in widening the interest of residents throughout West Denbighshire in the work of the Hospital.

THE COUNCIL.

A well attended meeting of the Council was held in October when Lord Colwyn presided and an interim report of the affairs of the Hospital was presented. The members of the Council were afterwards entertained to afternoon tea by Lord and Lady Colwyn.

GENERAL.

It is with great regret that we learn that the Rev. J. H. Howard, M.A., a member of the Board of Management, is leaving the district. Mr. Howard did heroic service in enlisting the sympathy of the residents in the extensive part of West Denbighshire which lies outside the area served by the old Cottage Hospital. He accompanied Lady Colwyn and Mr. Purdy in their campaign and gave persuasive and eloquent addresses in the vernacular which aroused a real spirit of enthusiasm. Mr. Howard has earned a great reputation during his stay in Colwyn Bay and has always been ready to further every good work. He will be very much missed.

Attention is drawn to the sketch map of the area served by the Hospital which will be found on page 1.

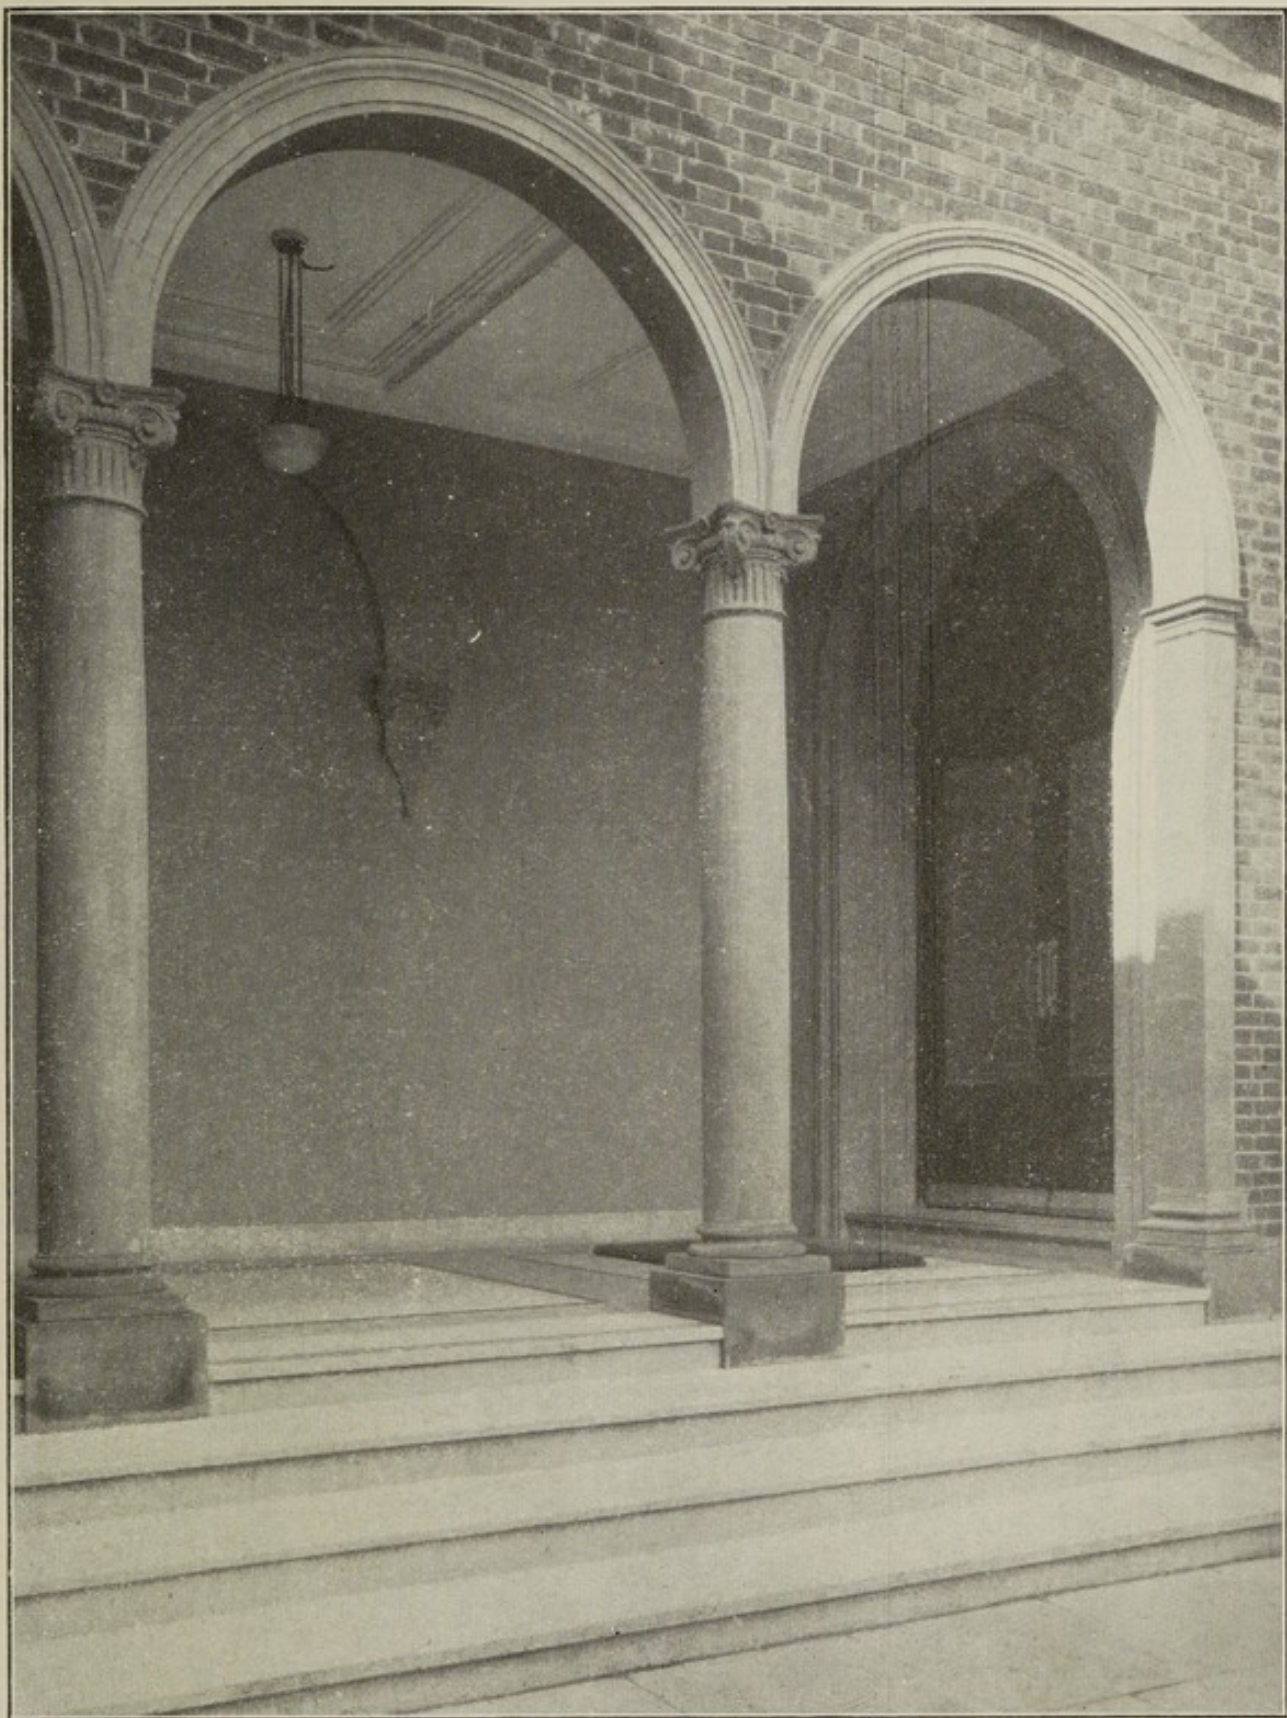

THE STAFF.

To the Honorary Staff, including the Masseuses, it is impossible to pay too high a tribute, and the same applies to the Matron, Sisters and Nursing Staff. They have worked in a spirit of true devotion and have won the well-merited gratitude of their patients. Our Secretary, Mr. S. H. Bratton-Jones, has also done splendid work and has been ably helped by his assistant.

HON. AUDITOR.

We have also to express our grateful thanks to Mr. H. Tudor Hughes, A.S.A.A., for having accepted the position of Honorary Auditor, and for his valuable services.

CHARLES E. HOWE, Chairman.
THOS. E. PURDY, Hon. Treasurer.
FRANCIS NUNN, Hon. Secretary.
