History of the Hospital,

The Hospital was established as the Colwyn Bay and District Cottage Hospital to commemorate the Diamond Jubilee of her late Majesty Queen Victoria. The first public meeting in connection with the project was held in April, 1897. The excavation for the building was begun August 29th, 1898, and the Hospital was completed in October, 1899. The inaugural ceremony was performed by Mrs. Cornwallis-West, who represented her husband, the Lord Lieutenant of the County, in his unavoidable absence. The accommodation provided consisted, on the ground floor, of a men's ward and a women's ward, each for four patients, an operating room, matron's room, bathroom, corridor to each ward, kitchen, scullery, pantry, and a store room with linen cupboards and hot water cylinders; on the first floor, matron's bedroom, two bedrooms for nurses, bath and other rooms for staff; and in the basement, heating apparatus and coal cellar. The plans were prepared by Messrs. Booth, Chadwick & Porter, of Colwyn Bay, who generously gave their services. In 1902 a well-equipped Laundry and Mortuary were added. In the following year a building with Isolation Wards for four patients was erected, the plans having been prepared by Mr. J. M. Porter, who acted gratuitously. In 1907, a nurse's day room, a clinical room, and three extra bedrooms were added. In 1910, the present operating theatre was erected as a memorial to the late Mr. James Wood, who was one of the most active founders of the Institution, and had served as Honorary Secretary from the commencement of its work. The late Mr. Walter Whitehead, the then Chairman of the Hospital, took a keen interest in the scheme, and rendered valuable assistance in connection with it. Messrs. Porter & Elcock gave their services as Architects. The old operating room was at the same time converted into a private ward for two patients. The theatre was opened on the 14th December, 1910, by the Countess of Dundonald. An X-Ray department, with exposure and developing rooms, fully equipped with the necessary apparatus, was provided in 1911 by the generosity of the late Mr. J. S. Littlewood, who bore the entire expense. With a view to future extensions, Mr. Littlewood, in the following year, gave to the Hospital an acre of land, for which Mr. Joseph Smith, J.P., very generously fixed the price at one half of its estimated market value.

In the year 1919, the Joint Committee of the British Red Cross Society and the Order of St. John of Jerusalem made an offer of a grant of £10,000 for the enlargement of the Hospital to serve West Denbighshire, on the condition that a similar sum was raised locally by the end of August, 1920, and priority given to a limited number of ex-Service men for treatment. The offer was accepted. A large and representative Committee, having as its nucleus the members of the Board of Management of the Cottage Hospital, was formed to carry into effect the proposed scheme. Of this Committee, our President,

Lord Colwyn, was the Chairman. The late Dr. Huff Hewitt served as Chairman of the Executive Committee; Mr. David Gamble, J.P., as Chairman of the Building Committee, and Mr. Francis Nunn as Chairman of the Constitutional Committee. In July, 1920, a monster Fête, organised by Mr. Thos. E. Purdy, J.P., was, by the kindness of Lord and Lady Colwyn, held in the grounds of Queen's Lodge, when, including donations, upwards of £14,000 was realised. There was considerable delay in commencing the actual work owing to the high cost of building as a result of the war. Eventually the designs of Mr. S. Colwyn Foulkes, A.R.I.B.A., of Colwyn Bay, were accepted, and the contract was let to Mr. Joseph Davies, of Birkenhead. The Foundation Stone was laid by Lord Colwyn on June 23rd, 1923, and the formal Opening, which was also performed by Lord Colwyn, took place on October 17th, 1925. The cost of the new building and of the reconstruction of the old buildings, including equipment, was £34,845 15s. 3d. The Colwyn Bay and West Denbighshire Hospital was opened free from debt, and a debit balance of £435 in respect of the Cottage Hospital was discharged.

In 1926 Mrs. Stott, of Plas Parciau, Old Colwyn, gave to the Hospital an acre of land on the southerly side of the site already held, as a protection of the amenities of light, air and privacy. In making this very valuable gift, Mrs. Stott expressed the wish that it should be associated with the benefactions to the Hospital made by her father, the late Mr. Joseph Smith, J.P.

An Endowment Fund has been built up by generous donations from time to time. The amount of the Fund at the close of 1928 was £8,807 3s. 6d.

The officers of the Hospital since its foundation have been:—

Trustees: Mr. David Gamble, J.P., the late Mr. Harry Lupton, Mr. Francis Nunn, the Rev. Thomas Parry, J.P., the late Mr. Harold Smith, Mr. J. W. Raynes, J.P., and the late Mr. J. S. Littlewood.

Chairmen: The Rev. Thomas Parry, J.P., 1899-1900; Mr. David Gamble, J.P., 1901-2; Mr. Francis Nunn, 1903-4; Mr. J. W. Raynes, J.P., 1905-8; Mr. Walter Whitehead, 1909-11; Mr. J. W. Raynes, J.P., 1912-20; Mr. W. L. Whitehouse, 1920-21; Mr. C. E. Howe, J.P., has been Chairman since 1921.

Hon. Treasurers: Mr. David Gamble, J.P., 1899-1923; Mr. Thos. E. Purdy, J.P., C.C., has held the office of Hon. Treasurer since 1923.

Hon. Secretaries: The late Mr. James Wood and Dr. F. Lomax Wood, 1899; the late Mr. James Wood, 1900-8; Mr. Francis Nunn has acted as Hon. Secretary since 1909.

Mr. F. J. Holmes served as Clerk to the Board of Management for nearly the whole period of the Cottage Hospital's existence, and devoted himself wholeheartedly to its welfare. He was succeeded by Mr. S. H. Bratton-Jones as whole-time Secretary.

Colwyn Bay and West Denbighshire Hospital.

TWENTY-NINTH ANNUAL REPORT OF THE BOARD OF MANAGEMENT.

To the Trustees, Governors, Subscribers and Benefactors.

In presenting our Report for 1928, we have to record another slight increase in the number of patients admitted for treatment. While the total number of patients shows an increase of only 6, the average number of beds occupied throughout the year was 5 more than in 1927. This, of course, has involved a considerable additional cost for maintenance, not only as regards provisions in the ordinary sense, but also in dressings, medicines and treatment generally. There has, therefore, been a proportionate rise in expenditure in all departments. There has also been a welcome increase in revenue, but not sufficient to meet the additional needs. For the first time since the enlarged Hospital was opened, our year ended with a substantial deficit, amounting to £144 os. 6d. This deficit has been met by the generosity of three friends of the Hospital, two of whom are Mr. Herbert Froud and Mr. Emanuel Clegg; so that we have been able to start our new year free from debt. We cannot appreciate too deeply this practical sympathy with the work and needs of the Hospital, and we tender to our friends our most grateful thanks for their very generous help. It is of the greatest encouragement to us, especially as we are about to make a general appeal. We shall require about £2,000 for the equipment of our X-Ray apparatus, and for the re-modelling of our Laundry, towards which we have already received donations and promises amounting to £900. We also have to thank the many friends who have so generously supported the Hospital during the past year. The record of their benefactions is something of which we may, indeed, be proud.

PATIENTS.

On the 1st January, 1928, the number of Patients in Hospital	
was	44
There were admitted during 1928	620
	<hr/>
	664
Of these there were:—	
Discharged cured	467
„ relieved	89
Transferred to other Institutions	10
Deaths, a number of which resulted from road and quarry accidents	49
	<hr/>
	615
Leaving in Hospital	49
	<hr/>

Of the 664 cases, 207 were medical and 457 surgical.

There were 405 operations during 1928.

The average length of residence of patients was 25 days.

The average number of beds occupied was 46.

The total cost, including maintenance and all other charges, per individual (i.e., patients and the nursing and domestic staffs) was 4s. per day in 1926, 4s. 3d. per day in 1927, and 4s. 7d. per day in 1928.

The total cost per patient was 6s. 7d. per day in 1926, 6s. 9d. per day in 1927, and 7s. 1d. per day in 1928, or £2 9s. 7d. per week.

THE NURSING STAFF.

An additional Probationer has been engaged. The Staff now consists of the Matron, 3 Sisters, 4 Staff Nurses and 9 Probationers. They have had a very strenuous year, and have been handicapped by illness among their own members. We have reason to be proud of our Staff, and we are most grateful for their devoted services.

THE COUNCIL.

The half-yearly meeting of the Council was held in October, when our President, Lord Colwyn, took the chair. The chief matters brought forward were the installation of the proposed X-Ray equipment, and certain alterations and additions in our Laundry, which have been suggested by Mr. H. A. Haley, a member of the Board of Management, and an expert in Laundry work. We are advised that if the scheme outlined by Mr. Haley is carried out, we shall not only effect a considerable saving in respect of Laundry work, but it will also enable the whole of the work to be done on the premises. At the present time the bulk of the washing is sent to Mr. Haley's, Colwyn Bay Laundry, which only shows how disinterested and valuable is the help afforded by him in this special department. We are deeply grateful to him for his generosity and kindness. The combined schemes for the X-Ray and the Laundry extension were warmly supported by the Council, and our President promised a very handsome donation of £100 as a thankoffering for Lady Colwyn's recovery from her then recent illness. In addition to this, Lord Colwyn, who at our last Annual General Meeting had announced the very generous intention of Lady Colwyn and himself to make a gift to the Hospital of a Sun Ray apparatus, took the opportunity of conferring with the Medical Staff as to the best type of apparatus for the purpose. The Sun Ray equipment has since been installed and is now in use, and is proving of invaluable benefit to our patients. Lord and Lady Colwyn, who have so closely identified themselves with the Hospital, give us not only heartening leadership, but also most generous and substantial help in any movement for its greater usefulness, and our gratitude to them

is unbounded. The appeal in connection with the combined scheme has been unavoidably held back owing to illness of members of the Board, which will be referred to later.

OBITUARY.

We have to record with deep regret the death of Col. Sandbach, D.L., which occurred in March, 1928. Col. Sandbach was a member of our Board of Management, representing the district of Llangerniew. He was a very busy man, taking a great part in public life, and could only very occasionally find time to attend our meetings, but he took a real interest in the welfare of the Hospital, and his presence on the Board was of the greatest value to us.

Since the close of our financial year we have also lost another valued member of our Board by the death of Mr. W. S. Smethurst, of Rhos. Ever since the enlargement of the Hospital, Mr. Smethurst has been one of our mainstays. He loved the Hospital, and never could do too much for it. He was the vice-chairman of the Rhos Cot Committee, which has already endowed one Cot, and has contributed a substantial sum towards the endowment of another. He was also on the Committee of the Rhos Bowling and Tennis Club, which contributed over £60 to the Hospital during the past year. He was a regular attendant at our meetings, and exercised a sound and independent judgment in our discussions, and always with a genial sweet reasonableness which was atmospheric in its influence. He will be greatly missed.

Since the turn of the year, and while this Report was in preparation, a notable member of the Medical profession has passed away. Dr. Price Morris had been in practice in Old Colwyn from the time when it was a tiny village, and when there were only a few scattered houses in Colwyn Bay. He had been a member of the Hon. Staff of this Hospital since its first inception as a small Cottage Hospital, and had rendered invaluable service. He was a Doctor of the old school, and in his earlier days visited his patients in an extensive country area on horse back. He loved his profession, and devoted himself to it absolutely. He had a rare skill both in diagnosis and in treatment. He was a kind friend to rich and poor alike, and was held in affectionate regard by everybody. He will be long remembered, and we can never be too grateful for all he did for our Hospital.

ILLNESS.

During some part of the past year and the early part of the present year, several of those who are mainly concerned in doing what is possible in this Institution to relieve sickness in others, have themselves been ill. Both Lord and Lady Colwyn have been invalided. We have also been deprived of the valuable help of Mr. Stanley Wood for some months. Our Hon. Secretary, Mr. Francis Nunn, who has done so much for the Hospital, besides having acted as our hon. secre-

tary for 20 years, has been seriously ill, and is still confined to his room; and the Chairman has also been incapacitated. Fortunately, all the invalids are doing well, and we trust they may soon be completely restored to health and strength.

LINEN GUILD.

A separate Report of the work of this Guild, of which Lady Colwyn is the Founder and President, will be found in the later pages of this Report. The Guild is continuing its most valuable work in very substantially supplementing the finances of the Hospital, and in enlisting the interest and sympathy of the ladies of West Denbighshire. It is impossible to over estimate what the Guild means to the Hospital. The separate Report referred to is a wonderful record of generous service.

RHOS COT COMMITTEE.

Reference has already been made to the very serious loss sustained by the death of Mr. Smethurst. During the year the Rhos Rose Queen, with her retinue, accompanied by the Chairman and Vice-Chairman and members of the Cot Committee, attended at the Hospital, and presented the Chairman of the Board of Management with another cheque for £100 towards the endowment of a second Cot. The amount now in hand for this purpose is £252 8s. 6d. We are deeply appreciative of the splendid effort of this Committee, and of their enthusiastic interest in the welfare and progress of the Hospital.

CHURCHES AND CHAPELS.

The special efforts of the Churches and Chapels in the area we serve have again realised over £200, for which we are most grateful.

HOSPITAL SATURDAY.

Our annual Flower Day again beat all previous records. The amount raised was £466 7s. 6d., as against £425 12s. 3d. in 1927. The enthusiasm of the ladies and gentlemen, who so generously undertake this work is beyond praise, as is also the generosity of the residents and visitors.

ANNUAL HOUSE-TO-HOUSE COLLECTION.

This annual effort, which extends throughout the whole of West Denbighshire, has again been more successful than ever; £633 3s. 9d. was realised as against £555 14s. 10d. in 1927. It is a wonderful achievement, not only as regards the amount raised, but also as evidencing the very generous attitude of the residents towards the Hospital, and of their confidence in its administration. The week fixed

for the Collection proved most inclement, which made the work exceedingly trying for the ladies who had most kindly undertaken to serve as Collectors. We feel that we owe them an especial debt of gratitude.

ENTERTAINMENTS.

We tender our best thanks to the many friends who have helped us by organising Entertainments of various kinds in support of the Hospital. Among them we should like to mention the following:—

Colwyn Bay Musical Festival Committee, "The Messiah," rendered at the Pavilion. £17 5s. 4d.

Lady Colwyn's Musical "At Home," given at "Arcadia," the performance being arranged by Madame Alma de Seyfried, with the help of her friends. £74 9s. 6d.

The Annual Dance, at the Pavilion, very kindly organised by Mr. William McGregor, of Old Colwyn. £77 17s. 10d.

Matinee, at "Arcadia," given by Mr. Dennis Trent and His Dramatic Company. £60 3s. 6d.

Mrs. C. E. Howe's Play, "When the Merrie Monarch Reigned," given at "Arcadia," by the Old Colwyn Girls' Friendly Society. £80 5s. 8d. Mrs. Howe's Plays have now raised over £330 for the Hospital.

Under the will of the late Mr. William Thompson, of Rhos, a deferred Legacy of £1,000 and 1/5 share of the residuary estate have been bequeathed to the Hospital.

The Endowment Fund now stands at £8,807 3s. 6d.

RESIGNATION OF DR. LORD.

Dr. R. E. Lord, who has been a member of our Hon. Staff during the whole period of the Hospital existence, has, to our great regret, tendered his resignation. Dr. Lord is not only the senior Physician in the district, but, owing to his great experience and skill, is justly regarded as our leading medical practitioner. Dr. Lord, both as a member of the Hon. Staff and as a member of the Board of Management, has been a tower of strength to the Hospital, and it is greatly to be hoped that his services may in some way be retained. If there are any names that should be specially associated with the past work of the Hospital, Dr. and Mrs. Lord's names must certainly be among them.

THE HONORARY STAFF.

For the services of our Honorary Staff of Doctors, Surgeons, Dentists, and Masseuses, no words of appreciation could be adequate. They give of their best generously and tirelessly to all who are in need of their special skill and knowledge, and though they may not know it, they win the gratitude and admiration of their patients, and of us all.

OTHER SERVICES.

We have to thank our Secretary, Mr. S. H. Bratton-Jones for his devoted work in all that concerns the Hospital. No trouble is too great for him if only it is for the benefit of the Institution he serves so well and faithfully. We are also most grateful to Mr. H. Tudor Hughes, A.S.A.A., for having again so generously acted as our Honorary Auditor.

CHARLES E. HOWE, Chairman.

THOS. E. PURDY, Hon. Treasurer.

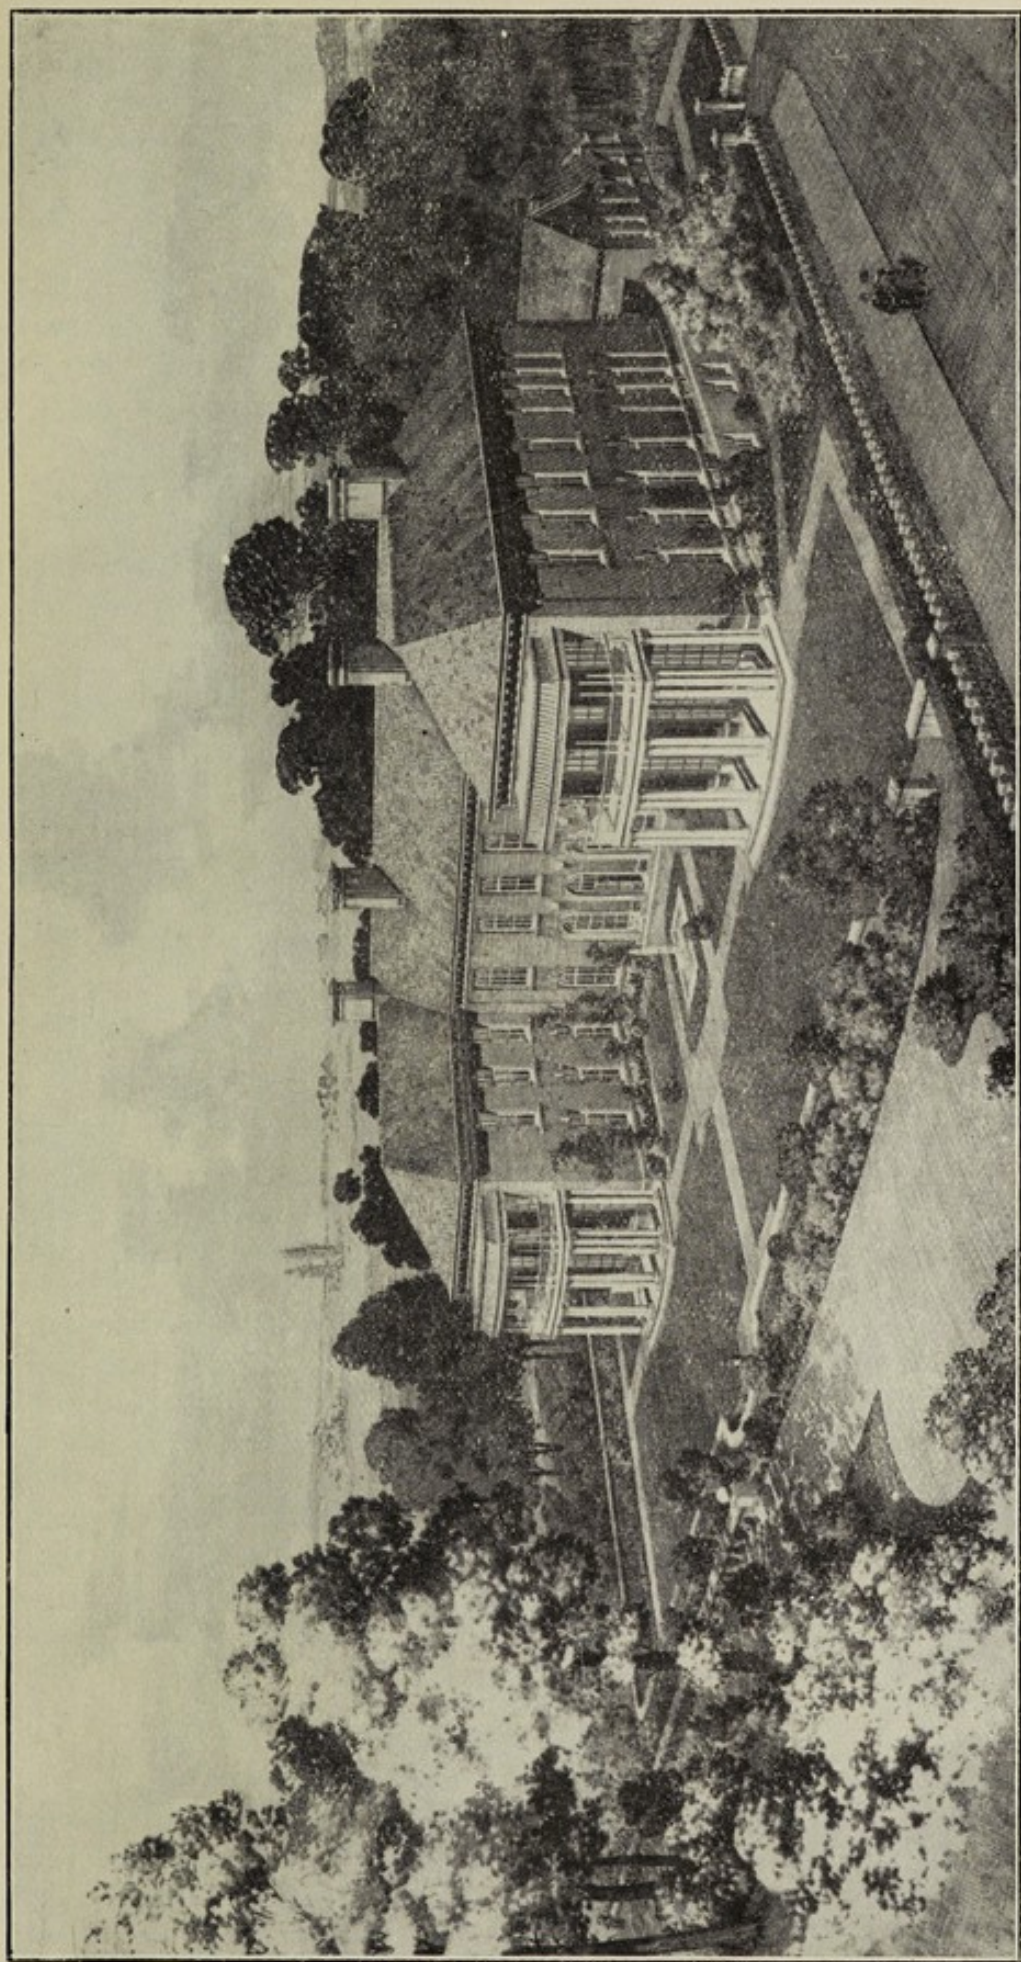

FRANCIS NUNN, Hon. Secretary.

HOSPITAL LINEN GUILD.

ANNUAL MEETING.

The third General Annual Meeting of the Linen Guild took place on Wednesday, 20th March, 1929, in the Girl Guides' Headquarters. Present:—Lady Colwyn (President), Mrs. Howe (Chairman), Mrs. Priddle, Mrs. Lord, Mrs. Humbley, Miss E. Lewis, Mrs. James Wood, Mrs. Purdy, Mrs. Bloxsome, Mrs. Randel (Hon. Treasurer), and Miss Margaret Morris (Hon. Secretary). There were letters of apology for absence from the following members of the Committee:—Mrs. Smethurst, Mrs. Stott, and Mrs. Clement Thomson.

After the Minutes of the last Annual Meeting had been read and adopted, Lady Colwyn (the Chairman), as President, said she was very glad of the opportunity to express her welcome and gratitude to the members, as it was the one time in the year she had the privilege of addressing them, and their presence, and the number of gifts displayed, showed their interest in the work. She called upon the Secretary to give her report.

The Hon. Secretary read what the Committee had arranged and done during the past year. The Children's Ward required fuller equipment. It was decided that the Hon. Secretary put notice in two local papers inviting tenders. Only two were received, that of Mr. W. S. Wood being accepted, who supplied the requirements. The winter's work was arranged, and the members in the locality undertook the Hospital's mending. The three districts, Old Colwyn, Colwyn Bay and Rhos, each taking a month, meeting fortnightly in the Board Room of the Hospital.

The Linen Room being found not large enough, the Secretary wrote to the Board of Management, who provided a more suitable room.

The Treasurer read the financial statement. The balance at the end of the financial year was £44 5s. 7d. The amount in the bank up to date £140.

Lady Colwyn thought the Guild was progressing very favourably. Eglwysbach had joined, and Mochdre intended to establish a branch. The hand-made garments and knitted woollies were most acceptable. Several members had given money with their subscription, which enabled the Committee to replenish blankets, quilts, &c., which were larger gifts than would be given individually. She called upon Miss Perks to pass a resolution passing both reports, seconded by Mrs. Thompson, Douglas House.

The Officers and Committee were re-elected *en bloc*. Proposed by Mrs. Jack Williams, Llanrwst, seconded by Mrs. Green, Bettws-y-Coed.

Mrs. Howe brought a message from the Chairman of the Board of Management expressing the gratitude the Board felt for the substantial help given to the Hospital.

Mrs. Humbley proposed a very hearty vote of thanks to Lady Colwyn for inviting the members to tea (about 200).

Mrs. Bloxsome seconded.

MARGARET MORRIS,
Hon. Secretary.

Officers
and
Servants.

11. The Board shall have full power to engage and discharge all paid officers and servants of the Hospital and to fix their remuneration, to delegate such powers and duties as they may think fit to Committees, and to make such bye-laws as they consider to be required for the good management of the Institution. In case of grave misconduct of any honorary officer they shall have power to suspend such officer.

Visits of Inspection by Council and Ministers of Religion. 12. Members of the Council and ministers of religion shall be entitled to visit and inspect the Hospital at all reasonable and convenient times, and the Board shall make arrangements to ensure that the Hospital be visited at regular intervals by members of the Board, or such other persons as they may appoint as visitors.

No person shall be eligible as Honorary Medical or Surgical Officer unless such person be a duly registered practitioner, and shall have resided and been in active practice in the district served by the Hospital during the whole of the previous twelve months. The appointment of any new members of the Honorary Medical or Surgical Staff shall be made after consultation with the Medical Advisory Board.

(See note at foot of next page).

Every application for admission, except in case of accident or emergency, must be addressed to the Secretary, with a letter of recommendation duly filled up (see Rules 5 and 5a) and a certificate by a Medical Practitioner practising in the district served by the Hospital, which in medical cases must be countersigned by one of the Honorary Physicians. A Letter of Recommendation shall be available for one year from date of issue only, and shall be effective for a period of six weeks, after which another letter of recommendation must be obtained.

Fees Payable. 16. Each patient shall pay in advance a weekly fee, the amount of which is in the discretion of the Board. The ordinary fee for patients residing or in regular employment within the district, if with a letter of recommendation, is 20s. per week; if without a letter of recommendation, 25s. per week. Children under 14, if with a letter of recommendation, 10s. per week; if without a letter of recommendation, 15s. per week. Patients from outside the district applying for admission shall only be admitted under exceptional circumstances, and application in such cases must be made to the Secretary. The Board may enter into agreements with bodies of employees or associations for payment of weekly sums, which shall cover, and be in substitution for, the fees of any of their number and their dependants who may become patients. The ordinary fee for Private Patients within the district is 4 guineas per week, and for those outside the district 5 guineas per week. The professional fees payable by Private Patients shall be a matter of arrangement between the patient and the member of the staff attending.

Patients from outside districts to apply to Secretary for admission.

attention
of
Patients.

18. Every Patient must be under the care of a member of the Honorary Staff. Any Medical or Surgical Practitioner may attend any patient he may have attended previous to admission, in conjunction with the Hon. Medical or Surgical Officer in charge of the case, but he shall not have the right to operate or to act otherwise than as Assistant to such Officer. This rule shall not prevent a Specialist being called in as Consultant or to operate.

19. The admission of Patients suffering from accidents, the attendance on whom elsewhere would entitle the District Union Medical Officer to extra payment, shall not interfere with his claim to the customary fees.

20. The Honorary Medical and Surgical Officers are not at liberty to make any charge for professional services rendered to Ordinary Patients in the Hospital.

PROPOSED ALTERATION OF RULE.

That the following clause be added to Rule 13:—

“In order that the Hospital may have the benefit of the best available skill on its Honorary Staff, when a vacancy shall occur in the senior or the Assistant Staff, all practitioners, qualified in accordance with these Rules to serve, shall be notified, and an opportunity given to make application for the post. The appointment shall be made by the Board of Management after giving due consideration to the recommendations (if any) of the Medical Advisory Board.”
