## Report of the Committee of Management

---

*For the Year 1937.*

---

The Committee are able to report another successful year in the work of the Hospital, all the beds having been full and occasionally extra beds in use, making the daily average 45 as against 44 in 1936. Ten children were discharged as convalescent, one was transferred to another hospital, being too old to remain here and eleven were admitted during the year. There were 43 patients from Kent, 8 from Surrey, 3 from London and 1 from Essex.

The total Ordinary Expenditure for the year was £3,905 4s. 0d., as against £4,703 5s. 10d. in 1936. £130 9s. 4d. was also spent on new Equipment and additions to buildings. The remaining old lockers were replaced by new oak ones, nine of which were Coronation gifts as suggested in the Report for 1936; the donors' names will be found on page 21. Some useful additions were made to the Buildings and Equipment, the most important being a cement platform outside the Isolation Ward to enable patients in the Ward to be in the open air; a bath for Rose Ward which was much needed for bathing the children

when they are out of apparatus ; a large Toy Cupboard for which Matron collected donations and the Brownies gave £1 3s. 6d. collected at a special Church Service. A Bucky Diaphragm was added to the X-ray equipment, enabling much clearer films to be taken. The installation of this would have taken place earlier, but had been postponed repeatedly owing to the cost, over £60, while so many other things were needed.

The Statistical Cost was £1 10s. 10½d. a week as compared with £1. 14s. 5d. in 1936 (see page 23).

The cost of Education is not shown in the Accounts ; this amounted to £271 and that sum was deducted from " Payments for Patients " on the Receipts side.

Miss Green and Miss Hatrick have again carried on the education of the children very efficiently. The Exhibition and Sale of the children's handwork in December was well attended and over £23 was realized. This was very encouraging and will help to pay for the School books, etc. as well as materials for handwork.

It is with much regret that the Committee have to report the resignation of Mr. R. S. Herries owing to increasing deafness, and Miss Standen, on her marriage. The Committee wish her every happiness. They welcomed as new members Mrs. Boise, Mr. E. de Rougemont, Mr. K. A. Latter, Mr. P. Gilchrist Thompson, whose father, the late Canon Percy Thompson, had been Trustee of the Hospital and its Chaplain and Chairman for many years, and Mrs. Webb. The Committee also regret that the Rev. E. L.

Langston, the honorary Chaplain, has left Sevenoaks. The assistant clergy and lay-workers of St. Nicholas, whom the Committee thank very cordially, are carrying on the services until the arrival of the new Rector who, it is hoped, will continue the help which his predecessors gave.

In January, 1938, Major Pym felt obliged to resign the position of Chairman, after 12 years, owing to increasing pressure of work on the County and Local Councils and Bench. The Committee accepted his resignation with real regret and elected him a Vice-President. They are very glad that he consented to remain on the Finance Committee and hopes to attend Committee Meetings whenever possible. Mr. Howson Devitt was asked, and consented, to carry on as Acting Chairman for the present.

The Committee joined in congratulating Sir Edward Meyerstein on his Knighthood.

The Committee are glad to report an increase in the number of Subscribers and in Covenanted Subscriptions. They would be grateful if still more supporters would covenant their subscriptions, so that the Hospital might have the benefit of the Income Tax, and fresh Subscribers are still needed. The College of Nursing has asked all Hospitals to increase their staff in order to shorten the nurses' working hours. This will probably become compulsory as a result of an enquiry now being made, on behalf of the Ministry of Health, by the Inter-departmental Committee of Enquiry into the Nursing Services. It will therefore be seen that a considerable additional income will be needed, as Salaries and other Expenditure are bound to be increased in future.

The following Special Receipts are gratefully acknowledged :—

£20 from the League of Mercy.

£10 from Alexandra Day.

£10 from Kent County Constabulary Sports.

£4 from Sevenoaks Charity Cup Football Competition.

£12 4s. 4d. from Neyland House School Entertainment.

£7 from Bligh's Hotel New Year Dance.

£3 3s. 0d. from Dance arranged by Mr. G. Homes.

£2 from Dance arranged by Mr. W. W. Streatfeild.

£1 3s. 6d. from Brownies' Service.

The Committee thank all who so kindly gave these sums and all who gave fruit, vegetables, pheasants, rabbits, eggs, flowers, toys, books, etc., and all who gave their services, especially those who helped with Scouts, Guides, Cubs and Brownies ; Mr. F. King and his assistants who cut the children's hair ; Messrs. Stevenson & Co. who wind the clocks ; the members of Toc H. who collected over 1,200 eggs ; members of the V.A.D., Y.W.C.A. and others who helped in the Wards ; Miss Kelly and Miss Lewis and their pupils at the Open-air School, Kippington, who gave toys and materials for handwork to the children and arranged a visit from " Father Christmas " with a present for each child ; members of Sutton G.F.S. who knitted a number of " woollies " and rugs for the children ; and Mrs. C. H. T. Green who sent cakes every week for the children who have no visitors.

Through the generosity of Mrs. Holman and others in giving jumpers, frocks and materials for cotton dresses the children are now able to be dressed in pretty things during

the summer, which they very much appreciate. The Committee would be grateful for further gifts of this kind.

Some friends also gave the children great pleasure by taking them out for drives. Matron will be glad of offers from other owners of cars, as it enables the children to see something of the world outside the Hospital.

Many friends enabled the children to have a very festive Christmas and H.R.H. the Duke of Gloucester again sent a number of crackers and Christmas novelties. With the money given to the Christmas Fund Matron was again able to arrange a series of Cinema shows for the children, Mr. Fielder kindly helping by giving them at a reduced charge. Other friends have been very kind in providing treats for the children, among them the Sevenoaks Ciné Society who gave several shows.

The Pound Days, organized by Mrs. Whitcombe, assisted by Miss Standen, resulted in 3,175 lbs. in kind and £28 11s. 6d. in money. The organizers and those in the surrounding villages who helped to arrange for the collection of contributions are thanked very warmly.

The Hospital benefitted to the extent of £11 13s. 0d. by the "Daily Mirror" Coupon Scheme and is now registered under the "Daily Sketch" Scheme. The Secretary will be glad to receive coupons from either of these papers before April 30th, when they will cease to be valid.

The Committee thank the honorary Consulting Surgeons, the honorary Dental Surgeon, the Honorary Ophthalmic Surgeon, the Medical and Surgical Officers, the Anæsthetists,

the Matron, Sister and all the Nursing Staff, and Miss Sharpe for their valuable work. They wish specially to thank Mrs. Bishop who attends regularly three times a week to give free massage and electrical treatment to the patients. They also thank Mr. Potter, the honorary Surveyor and Messrs. Sidney Cronk & Co. who again audited the Accounts free of charge.
