This accommodation is devised on the radiating principle, whereby the maximum of light and air is available for every part.

One central corridor ensures easy air circulation and good supervision.

Each separate wing is planned as a unit, immediately adjacent to its neighbouring wings.

The cost of the site and buildings, including lighting, heating and drainage, furnishing, and laying out the garden was £23,327.

## The Thirty-first Annual Report.

In presenting the 31st Annual Report the Executive Committee feel that the year just closed marks another epoch in the history of the Hospital, owing to the commencement of its enlargement, and of the Nurses' Hostel, which has been so generously provided for by an anonymous donor.

It is hoped that the works will be completed by the end of June, when the number of beds will be increased to 60, while the Nurses' Hostel will accommodate all the nursing staff.

It is anticipated that the cost of the enlargement and furnishing of the Hospital (apart from the Hostel) will be £15,000, of which £3,500 will be required to be raised in addition to a grant of £500 generously promised by the King Edward's Hospital Fund for London.

The wonderful success which attended the Carnival held last July, which realised £2,297, has led the Carnival Committee to offer to arrange a similar function as part of the opening ceremony of the new buildings, and as an effort to open them free of debt, which offer the Committee have gladly accepted.

In the meantime it is not proposed to issue a general appeal for individual subscriptions until the actual sum required is known, but the Committee hope there will be a generous giving, as it is a condition of the splendid gift of the Nurses' Hostel that the Hospital enlargement should not be used until payment for same is secured.

A list of subscriptions during the year to the enlargement fund will be seen at page 21.

The cases treated in the Hospital during the year amounted to 720, with 413 casualties, as against 690 and 330 respectively last year.

It is a matter of congratulation that the income of the institution is well maintained, the Penny-a-Week Fund producing £1,345, while the many other receipts set out at page show that the interest of the public in the Hospital is still unabated.

At the same time the Committee note with satisfaction the desire of the various Provident Societies to recognise the good work done for their members, as instanced by the annual subscription of £65 by the Prudential Approved Society and other similar organisations.

The Committee are glad to record that during the year the Hon. Secretary, Major C. P. Lovelock, has been sufficiently recovered to take up much of his work, especially in connection with the new buildings. Once again the Committee desire to place on record their sincere appreciation, in which they, feel strongly that every well-wisher of the Hospital will join, of the self-denying work of the Medical and Nursing Staff and of all who have helped in any way to enable the institution to carry on its beneficent work of relieving the sick and suffering.

The opening of the enlarged Hospital during the coming year will afford a good opportunity to those who have not hitherto been subscribers to add their names to the list and help to provide the additional income which will be required to maintain the increased number of beds.

> H. W. PARKER, Chairman. C. P. LOVELOCK, Hon. Secretary.

February 17th, 1930.

## Hon. Medical Officer's Report.

In writing the last Report we expressed the hope that the money would be forthcoming to commence the proposed extension without delay.

Even the most optimistic of us did not imagine that in a year's time a large proportion of the money would be available, and the erection of an extension doubling the capacity of the Hospital would be so far advanced. We congratulate the Committee and the Hospital workers generally on this splendid achievement.

The cases admitted during 1929 (a summary of these is attached) show an increase of 28 on the previous year. This was only accomplished by the extensive use of camp beds.

The results during the year have been very satisfactory, thanks largely to the devotion of our Nursing Staff. Our grateful thanks are due to the Matron and Nurses, also to the V.A.D. workers, for so ably backing up the work of the surgeon.

Miss Rayner has done invaluable work in treating a large number of fractures. We all appreciate her help very much.

The X-Ray department is going strong. 470 X-Ray photographs were taken during the year, and our thanks are also due to our Hon. Radiographer.

In conclusion we all congratulate our Hon. Secretary, Major Lovelock, on his reappearance on the active list. His wide knowledge and sagacity are assets which the Hospital can ill afford to lose.

## One Penny a Week Fund.

To the Chairman and Members of the Executive Committee.

GENTLEMEN,

For the sixth year in succession your Sub-Committee find that they are in the happy position of being able to report an increase both in the number of box holders and also in the amount raised through this Fund, the total for 1929 being £1,355.

They would like to take this opportunity of reminding the subscribers through you that the cost of boxes and printing, etc., in connection with this Fund is provided for, so that every penny placed in the boxes goes to the Hospital without deduction for expenses.

The Area Supervisors and their helpers enjoyed very much their visit to the Hospital in July last at your kind invitation. Your Sub-Committee wish to express their thanks to them and all those who have contributed in time or money to the success of this scheme.

C. P. INGRAM,

Hon. Secretary to the Fund.
