Eighty-first Report.

This is the last year that we will review the working of the Hospital in its voluntary capacity, as on July 5th, 1948, the Hospital passes under State Control.

The Hospital started in a small way in 1866 due to the initiative of Dr. John King and the family interest in the Hospital was carried on by his son Dr. T. A. King, who retired from the Medical Staff on 1st January, 1947. Mrs. King also rendered very valuable service to the Hospital and for many years was an active member of the Committee. The history of the Hospital has been one of gradual growth, additions and alterations were carried out from time to time until to-day we now provide accommodation for 20 patients which includes 3 Private Wards.

The building has been centrally heated throughout, a well-equipped operation room, provided with modern lighting and X-Ray plant.

The nursing staff is suitably housed, the board room having been converted into a comfortable sitting room and fitted with a radio.

The improvements to the Hospital Entrance are approaching completion, and we have the satisfaction of being able to hand over to the State a small but perfectly equipped Hospital and financially sound.

This has all been achieved by entirely voluntary service, given by the local people since the Hospital was opened, and the continual financial support of the public by bequests, and annual contributions.

The number of patients treated during the year was 460, which is the same number as the previous year.

The Matron and Staff continue to meet all demands. We are sorry to lose Sister J. Andrew who has resigned in order to take up an appointment abroad.

General. The various works carried out during the year have been expensive but unavoidable if we are to maintain the comfort and general welfare of the patients and staff. The increased cost in salaries are added to our liabilities.

As far as can be foreseen there will be no further heavy expenditure, but we still have to cover maintenance costs till July 5th, 1948, and probably for some time after that date until change over to State organization is complete and in running order.

We would therefore appeal to the public to continue their generous support, at the same time being fully aware of the increasing costs of living, that it is going to be somewhat difficult, but the public have never yet failed to respond to our appeals and we feel confident they will continue to do so.

The Committee wish to convey their appreciation to the Medical Staff, Ladies' Committee, Hon. Treasurer and Hon. Secretary, also to the general public for their generous support both by gifts in money or in kind. We are grateful to the collectors who assisted on flag day, and those who kindly undertook a house-to-house collection in the various parishes.

In addition we acknowledge the kind thought and material help given to the Hospital by those who organized, Carnivals, Concerts and Dances in aid of the Hospital. The various Churches who sent gifts from their Harvest Festivals are also appreciated.

The Committee tender their thanks to the Matron and Nursing Staff for their unfailing good work throughout the year. We were fortunate in being able to obtain all the domestic help that was required.

The financial position of the Hospital continues sound, the costs of various repairs, extensions, renewal of plant, overhauling of X-Ray plant and new lamps for operation theatre were heavy, making a big charge in the Capital Account, but we are still a long way from the bottom of the barrel.

Staff. There have been no changes in the Medical Staff during the year under report.

Committee. It is with deep regret that we have to record the death of our Chairman, Rear-Admiral E. B. Cloete, which occurred on 31st May at the Hospital after a brief illness.

In our late Chairman we had one who devoted himself to the welfare of the Hospital, kindly and thoughtful, never ceasing to further the interests of the patients and staff, his passing is a great loss and deeply mourned by all connected with the Hospital and the general public.

Mr. P. C. Thornton, Vice-Chairman, has kindly consented to preside as Chairman until such times as our future organization is known and settled. Capt. A. D. Barrow was elected Vice-Chairman in addition to his duties as Hon. Treasurer.

The Rev. J. A. Goodman resigned from the Committee on his transfer out of the area.

The Rev. F. A. Pye has accepted the invitation to fill the vacancy.

Mr. W. Pickard, C.C. has joined the Committee as the Blanchminster Feoffees representative, his long experience as a County and District Councillor will be a great asset to the Committee.

STRATTON COTTAGE HOSPITAL CONTRIBUTORY SCHEME.

Mr. L. Meagor, the Local Secretary, and all Group Secretaries deserve our warm thanks for their voluntary service. The number of contributors has increased during the year from 1792 to 1893.

The Annual General Meeting will be held at an early date.

L. MEAGOR, Local Hon. Secretary,
