SEVENTY-FIFTH ANNUAL REPORT

submitted to the Governors at the Annual Meeting
held on February 23rd, 1927.

THE Board of Management have pleasure in presenting to the Governors and Subscribers the following Annual Report and Balance Sheet for the year ending 31st December, 1926.

Comparative Statement of Work Done.

The following is a record of the work done in the various departments, and for comparison the figures are given for the preceding four years :—

	1922	1923	1924	1925	1926
Admitted as In-Patients to Hospital	582	676	671	792	807
Ophthalmic In-Patients	6	49	49	33	27
Remaining in Hospital, Jan. 1st	35	41	34	39	42
Aggregate number of days in Hospital	14407	14652	15254	16154	18064
Average number of days in Hospital	23'1	20	20'2	18'75	20'6
Casualties treated at Hospital	1043	1189	1348	1418	1813

DISPENSARY DEPARTMENT.

Out-Patients	3355	3375	3464	3527	4016
Patients attended at their own homes	826	1118	1198	885	1053
Total number of Visits to Patients at their own homes	6785	9451	8726	5713	6782
Average daily visits of House Surgeons to Patients at their own homes	18'6	25'8	23'9	15'9	18'5
Ophthalmic and Aural Out-Patients	146	138	108	85	224
Prescriptions Dispensed	51662	55735	53631	59577	48461
Attendances at Rontgen Rays	2376	2342	2768	2565	2742
Ultra Violet Ray Clinic Attendances	—	—	—	—	1683
Venereal Clinic Attendances	1967	2128	2134	3643	3001

It will be noted that the great increase on In-Patients in 1925 is maintained in the past year, the average number of occupied beds daily having been 50.3. In fact in the later months of the year the number reached 60, a number too great for the capacity of the building.

The number of casualties treated at the Hospital in 1926 was 1813, as compared with 1418 during 1925. This great increase is largely due to road accidents.

In the Dispensary Department, the numbers both of out-patients and patients attended at their own homes show great increases, and this double increase has entailed heavy work on the two Resident House Surgeons.

The Ultra Violet (or Sunlight) Ray Apparatus has shown itself to be a valuable treatment in many cases, especially with children, and the Ministry of Health have approved the Department for the use of patients under the charge of the County Medical Officer.

The work of the Rontgen Ray Department has been fully maintained, and the approval of the Ministry of Health has been renewed for another period of 3 years.

The efficiency of the Department has been greatly improved by the addition of certain apparatus, through the generosity of the Worshipful Masters and brethren of the local Masonic Lodges. They have provided the sum of £145 19s. 9d., which not only paid the cost of this additional apparatus, but leaves a balance available for further improvements to it.

A most valuable acquisition has been a new table in the Operating Theatre, given by an anonymous donor, through Dr. Dick and the thanks of the Board are heartily given to the donor.

The Board has given careful consideration both to the number, salaries and grade of the Nursing Staff and both additions and changes have been made to bring the nursing organization to a state considered advisable for present requirements.

During the year, 4 of the Nurses have passed the Preliminary Examination under the General Nursing Council for State Registration, and 3 have passed their Final Examination and are now fully Registered Nurses under the new Act. The Board are most grateful to the members of the Honorary Medical Staff, the Matron and House Surgeons for the courses of lectures, periodic examinations and practical demonstrations which, together with the industry of the Nurses themselves, have led to this very satisfactory result. The Board would express their thanks to the York County Hospital for kindly admitting our Nurses for the six months extra medical training required by the General Nursing Council.

Considerable improvement in accommodation has been provided for the Sisters by the conversion of certain rooms into bed-sitting rooms, an improvement which was much required.

The Board regret to report that acting under medical advice Miss Williams resigned her post as Matron in July, and Sister Potts was appointed Acting Matron and subsequently became Matron.

The Board have been pleased to be able to join in a plan designed by the St. John Nursing Division to provide, in cases of crisis or extraordinary need, a temporary Hospital. The Nursing Division will provide the extra beds and nursing, the Board providing provisions and hospital requisites when beds are occupied by patients.

The comfort of the patients has been increased by the kindness of the local Toc H Group in providing the nucleus of a Library, the case for which has been kindly provided by Mr. W. Plaxton. The members of the Toc H Group visit weekly to perform the duties of librarians.

The Board regret deeply the loss of Mr. James Dippie, Mr. John Whitfield and Mr. Oscar Wilkinson. Both Mr. Dippie and Mr. Whitfield had been members of the Board for many years, the former having been Treasurer for ten years and the latter having showed the greatest practical interest in every department of the Hospital, more especially in that of the Nursing Staff.

The Board may now be permitted to say that Mr. Oscar Wilkinson, in addition to being an annual subscriber of £50, was on two occasions the "Anonymous" donor of £500, and had every Rose Day contributed an "Anonymous" sum of £25 to be added to the collection.

[Hospital Extension.

Throughout the past year, the Board have given continuous thought to the urgent need of additional beds. In the last Annual Report it was stated that the services of Colonel Mackintosh, C.B., M.V.O., M.B., had been obtained, and in conjunction with him, Mr. Tugwell had designed an extension to the present buildings, the cost of which was estimated at £40,000. This extension would have provided an additional 50 beds, together with certain improvements in the provision of balconies, increased nursing accommodation and domestic alterations in the old portion of the building.

On the other hand, more mature consideration showed that the present form of the Hospital and present site could not satisfactorily meet the needs considered essential to-day for a modern Hospital building. The site is already congested and would become more so with the proposed extension. To-day all Hospitals need large balconies for open-air treatment, more open space for their patients in the early stage of convalescence, and space also for future extension, a more convenient relationship of theatre to wards, and domestic offices throughout. It is estimated that a modern Hospital can be provided at a cost of £700 or rather less per bed, and the cost of the extension would be more than half the cost of an entirely new Hospital of at least 100 beds on a larger and more spacious site.

In view of the above considerations the Board have recently decided that the bolder and better course to take is to face now the problem of building an entirely new Hospital on a fresh site. There is no doubt whatever in the minds of the Board that an increase of beds is urgently needed; the town is increasing in size, each month the wards are becoming more and more taxed for accommodation and there is no prospect of any diminution in the

demand. It rests with the generous supporters of the Hospital in the Town and in the District whether the Board will be enabled to realise what they firmly believe to be the best solution, namely to build a new and up-to-date Hospital which will be a credit to the town.

Income.

The income on Revenue Account is £6,900 15s. 4d., as compared with £6,540 8s. 9d. The following figures are interesting as shewing the fluctuations in the various items.

	1925.	1926.	Inc.	Dec.
	£	£	£	£
Donations	444	359	—	85
Subscriptions	475	457	—	18
Collections	1050	1042	—	8
Workpeoples's Hospital Fund	1000	1050	50	—
Children's League	75	100	25	—
Entertainments	711	905	194	—
Patients' Donations	723	750	27	—
Rontgen Ray Fees	323	347	27	—
Investments	1403	1517	114	—
Miscellaneous	339	373	34	—
	<u>£6540</u>	<u>£6900</u>	<u>£471</u>	<u>£111</u>

The subscriptions have decreased owing mainly to the death of Mr. A. Shuttleworth who was a most generous subscriber. The Board are glad to see that Patients Donations, which includes contributions from Approved Societies are increasing. Grateful thanks are also due to the organisers of the various entertainments, etc., during the year.

The Workpeople's Hospital Committee have contributed the splendid sum of 1,000 guineas, thereby surpassing their record of £1,000 in 1925. This is a wonderful result, especially in view of the conditions obtaining during the greater part of the year. The Board are deeply grateful to the Committee, and also to the Committee of the Children's League who have increased their contribution from £75 in 1925 to £100 for 1926.

The Board are thereby enabled to show a credit balance for the year in addition to liquidating the deficiency on the 1925 accounts.

Expenditure.

The expenditure on Revenue Account for the year has been £6621 15s. 3d., as compared with £6924 4s. 5d. the previous year.

The following shows the fluctuations in the various items :—

	1925.	1926.	Inc.	Dec.
	£	£	£	£
Provisions	1174	1236	62	—
Salaries, Wages, etc. ...	1852	2102	250	—
Repairs and Renewals ...	827	423	—	404
Domestic	1535	1368	—	167
Dispensary and Surgery ...	997	930	—	67
Miscellaneous	539	562	23	—
	<u>£6924</u>	<u>£6621</u>	<u>£335</u>	<u>£638</u>

The increase in salaries is due both to an increase of staff, and to illness necessitating the engagement of temporary Nurses.

Legacies.

The following have been received during the year. From the Executors of the late Rev. A. L. Routledge, £1,500 in cash and securities of the value of about £1,800, also £750 on further account of interest and legacy, bequeathed by the late Mrs. M. A. Chapman. } 4050

Honorary Medical Staff.

The Board wish again to express their thanks for the most invaluable services rendered by the Honorary Medical Staff during the year.

Thanks.

The Board desire to thank the following for their valued help :—

The Honorary Solicitor.

The Honorary Auditors.

The Trustees and Committee of the Cottage Hospital for placing at their disposal two free beds for convalescents.

The Clergy and Ministers who made collections at their various places of worship.

All those who allow Collecting Boxes to be placed on their premises.

To the various Friendly and Approved Societies in the town and district who have kindly made Subscriptions and Donations.

To the "Pound Day" Committee for their most valuable contribution.

To the various sewing parties for their services in attending at the Hospital and attending to the necessary repairs of linen, bedding, etc.

And to those kind friends who made themselves responsible for the organisation of the contributions entered on pages 39, 40 and 41 under the heading of "Sundry Collections, Entertainments and Country Village Collections"; the donors of useful gifts sent to the Institution; and the Subscribers and all who have interested themselves in the welfare of the patients, and all other friends who have assisted in any direction.

The usual detailed statistics of work done in the various departments are appended.

REPORT

of the Workpeople's Hospital Fund.

Dear Friends,

We have great pleasure in presenting this, our Twenty-first Anniversary Annual Report. We commenced this year in good spirits, hoping to beat last year's record. Then came the strike, which of course made a great deal of difference to the Scarborough season. Still, we got through better than we expected and we have been able to hand over to the Hospital one thousand guineas, fifty pounds more than last year.

Our Special Fund is in a very flourishing condition, thanks to our Whist Drives, Concerts, Football matches, etc. and we are enabled to keep a good reserve against a lean time, as we do not want our contribution to the Hospital ever to diminish. The Shield was again won by Mr. F. W. Plaxton's employees with an increase of £7 13s. 7d. The Emblem and Medal for shops goes again to Messrs. W. Rowntree & Sons' Packing Department, £21 3s. 0½d.; 2nd, A.W. Sinclair, £19 16s. 0d.; 3rd, Brogden & Wilson, £14 10s. 8½d. The prize winners for the Town Public Houses are:—No. 1 District.—North Eastern Hotel, £21 0s. 9d.; 2nd, Carlton Hotel, £18 18s. 7d.; 3rd, Albert Hotel, £11 6s. 9d. No. 2 District.—1st, Turk's Head, £23 11s. 9d.; 2nd, Leeds Arms, £12 5s. 0d.; 3rd, Lancaster Inn, £11 12s. 3d.; Club, R.G.A. Sergeants' Mess, £5 18s. 0½d.

Country District:—1st, White Swan, Hunmanby, £14 3s. 4d.; 2nd, Plough Hotel, Scalby, £10 5s. 0d.; 3rd, Horse Shoe, Hunmanby, £8 6s. 7d. Filey:—1st, Star Hotel, £11 15s. 1d.; 2nd, Grapes Hotel, £2 8s. 0d., and Constitutional Club, £2 8s. 0d.; 3rd, Station Hotel, £1 3s. 3½.

We wish to thank the Proprietors of Gala Land, Aquarium, for their kindness, the Breweries Football Committee, the Scarborough Homing Society, the Scarborough Flying Club, the East and West Ayton Homing Society, the Filey Homing Society, Mrs. M. E. Alden for the splendid result of a Whist Drive and Dance at Cayton, Mrs. Fewster and friends for proceeds of Whist Drive and Dance at Seamer, all who helped to make the Christmas pantomime (Alice from Wonderland) a success, the organisers at Whist Drives at the Co-operative Hall, the Tradespeople and others who gave prizes for Whist Drives, etc., and one and all who helped last year.

Wishing everyone the best of health.

Yours, on behalf of the Committee,

F. J. PICKUP, Hon. Sec.

Children's Hospital League.

Annual Report.

THE Committee of the League have this year the very great pleasure of being able to report a great increase in the amount handed over to the Hospital towards the expenses of the Children's Ward, viz. £100 as against £75 for 1925. The increase is mainly due to the very generous donation of £31 10s. from the Schools Football Association. All the schools have done well, and the grateful thanks of the Committee are due to all of them. In the autumn the Burniston School sent a welcome gift of vegetables, fruit and flowers and it should be noted that the contribution of £8 made by the pupils of Bramcote, having been received after the closing of the books, will appear in the current year's accounts.

The Committee wish again to thank all the Authorities of both Public and Private Schools for their kindness in making the appeal, and forwarding the collection.
