ENVELOPE COLLECTION AND FLAG DAY

The Board desires to tender sincere thanks to the Mayor and Mayoress of Southport (Mr. Councillor and Mrs. H. W. Barber), and to all those who gave their services when the net sum of £403/9/2 was realised on behalf of the Infirmary Funds.

TINFOIL AND SILVER PAPER

The Board is most grateful to all who have collected silver paper, etc., the amount realised for 1937 being £13/6/0.

Miss Wright, of Crossens, has collected 241 lbs. of silver paper during the year, making a total weight of 922 lbs. in four years, a very wonderful contribution.

WORKPEOPLES' CONTRIBUTIONS

The Contributory Scheme for Workpeople has realised the sum of £3,904/14/10 as compared with £3,903/18/11 in the previous year, being an increase of 15/11. There are now 163 Firms and Trades Unions contributing. The Board tenders most cordial thanks to the various Firms, their Secretaries, and to all who have contributed to this very successful result.

HOUSEHOLDERS' CONTRIBUTORY SCHEME

The Contributory Scheme for Householders has realised the sum of £3,854/14/4 as compared with £3,434/15/3 in the previous year, being an increase of £419/19/1. There are now over 7,500 contributors to this Scheme, comprised of workers who are not employed by the Firms attached to the Workpeoples' Contributory Scheme.

PAYMENTS BY AND ON BEHALF OF PATIENTS

These contributions amounted to £4,740/10/3, compared with £4,638/3/4 last year, making an increase of £102/6/11.

The Board notes with pleasure the readiness with which these payments are made and which, when taken in conjunction with the amount of £7,759/9/2 from the Companies, Firms and Workshops who have adopted the Weekly Contributory Scheme, and the Householders' Contributory Scheme, made the total year's contributions £12,499/19/5, truly a magnificent contribution from the wage-earners of the Borough and the County Area.

DONORS, SUBSCRIBERS, ETC.

The Board tenders grateful thanks to all who have, by Donations, Subscriptions, Whist Drives, Bowling Competitions, Gifts in kind, or by personal service, assisted in promoting the interests of the Infirmary.

ANNUAL SUBSCRIPTIONS

The Annual Subscriptions for the year amounted to £1,779/19/0, compared with £1,814/0/7 in 1936, being a decrease of £34/1/7. The Board makes a special appeal to Donors and Subscribers to kindly assist by inducing their friends to become Annual Contributors, and in so doing render the Infirmary a valuable service, and one which would be highly appreciated. Each guinea entitles the Subscriber to two Recommendation Forms, and a Vote at the Annual Court of Governors.

The Board wishes to record cordial thanks for the valued assistance of the Lady Collectors.

FORM OF AGREEMENT FOR RECOVERY OF INCOME TAX ON SUBSCRIPTIONS

A special Form of Agreement has been sent to Subscribers, informing them that the Infirmary is permitted by law to obtain repayment of Income Tax on subscriptions paid to the Hospital. An annual Subscriber of, say, £1/1/0, by signing the Form of Agreement, enables the Infirmary to receive each year the Income Tax (now 5/- in the £), amounting to 7/-, thus increasing the Subscriber's £1/1/0 to £1/8/0, without any increased cost to the Subscriber.

The Board is grateful to those Subscribers who have already signed and returned the Agreement Form, and hopes that other Subscribers will also complete and return the Form.

BLOOD DONORS

The Board desires to record its grateful thanks and appreciation to those who have so willingly acted as Blood Donors.

There are 45 Blood Donor Volunteers on the Register and 11 gave blood donations during the year.

BRING AND BUY SALE

On the 10th July, 1937, the Ladies of the Infirmary Board and the Wage Earners' Governors, assisted by friends, held a Bring and Buy Sale at the Infirmary. The opening ceremony was presided over by the Mayor (Mr. Councillor H. W. Barber, J.P.), who was accompanied by the Mayoress and was supported by Mr. R. S. Hudson, M.P. The Sale was opened by Miss Beryl Hartley, the Yorkshire Beauty Queen. The Southport British Legion Band, under the conductorship of Mr. Molyneux, rendered appropriate music during the afternoon. The Members of the Board sincerely thank all who assisted to make this annual event such a great success. The record net sum of £333/13/4 was realised.

"SOUTHPORT GOLFERS" BED

The Final of the Competition for the "Paul Carter" Trophy was played on the Birkdale Golf Links on the 3rd July, 1937, when the sum of £160/0/8 was raised. Included in this amount is a sum of £28 presented by the Hesketh "A" Team, who won the "Max Stothert" Trophy at the Royal Lytham and St. Annes Golf Club, and who kindly gave the proceeds of that Competition to the Golfers Bed at the Infirmary. The Board desires to express sincere thanks to the Captains, Secretaries and the Golfers for their co-operation and especially to the Chairman and Members of the Birkdale Golf Club for kindly organising the Final Competition, to their Captain, Mr. Councillor S. E. Charlton, for providing a prize for the best net score, to Mr. Councillor Paul Carter for presenting the prizes, and also to Mr. H. L. Duncan for the efficient services he rendered as Honorary Secretary.

"SOUTHPORT LADY GOLFERS" COT

The Final of the Competition for the "Jane Cross" Trophy was played on the Southport and Ainsdale Golf Course on the 8th July, 1937, when the sum of £49/11/6 was raised. The Board desires to thank the Mayoress (Mrs. H. W. Barber) for presenting the prizes, and also the Captain, Secretaries and the Lady Golfers for their co-operation, especially the Chairman and Members of the Southport and Ainsdale Golf Club for kindly allowing the use of their Links and for providing a Replica of the Trophy. Thanks are also due to Mrs. E. W. Lewis (President of the Ladies' Golf Competition), Mrs. Richmond Steel (Birkdale), Mrs. H. S. Hollings (Hesketh), Mrs. Williams (Hesketh), Miss Ruth Johnson (Southport and Ainsdale), for kindly providing prizes, and to Mrs. Walker of the Hesketh Golf Club, for the efficient services she rendered as Honorary Secretary to the Competition.

“KING GEORGE V SCHOOL” APPROPRIATED BED

The Board greatly appreciates the continued support given to the Hospital by Mr. Millward, his Staff and Pupils. In 1932 the School appropriated a Bed and during the past six years have contributed, as a result of their annual School Play and collection taken on the King's Birthday, the worthy sum of £242 for the upkeep of their appropriated School Bed.

SCHEME FOR ENDOWMENT OF BED BY RAILWAYMEN

The Board welcomes the splendid efforts of the Railwaymen, who during the past year contributed £40 to the upkeep of their appropriated Bed and £10 towards the endowment of same.

The Fund started last year, of a voluntary payment of one penny per week, for the endowment of a Bed in perpetuity, has now reached the substantial sum of £150.

“SOUTHPORT AND DISTRICT LICENSED VICTUALLERS' BOWLERS” BED

The Board desires to record its warmest thanks to the Members of the Southport and District Licensed Victuallers' Bowling League Committee for their continued efforts on behalf of the Infirmary. As a result of two Bowling Handicaps they have contributed £80 to the upkeep of the Bowlers' Bed and also the sum of £130/11/2 to the Capital Account, towards the endowment of the Bed in perpetuity.

KITCHEN EQUIPMENT

The Board desires to tender grateful thanks to Mr. Bob Martin for generously purchasing a new Gas Cooker and Fish Fryer for the Kitchen at a cost of £105.

APPROPRIATED BEDS AND COTS

The Board tenders grateful thanks to:—

- The Southport Amateur Operatic Society
- The Southport Amateur Dramatic Society
- The Southport Orpheus Amateur Operatic Society
- The Southport Railwaymen
- The King George V School
- The Southport Golfers
- The Southport Corporation Transport
- The Prudential Assurance Co.
- The Southport Lady Golfers
- The Southport and District Licensed Victuallers' Bowling League
- Mrs. Osborne

for their generosity in supporting and maintaining appropriated beds and cots at the Infirmary.

INFIRMARY BALL

The Board desires to place on record its warmest thanks to Mr. Percy C. Woodhead for again defraying the whole of the expenses in connection with the Infirmary Ball, which realised the sum of £256/17/6, and also to the Mayor and Mayoress (Mr. Councillor and Mrs. F. Whittaker), for their patronage and support, and to the Ladies' Committee of the Southport Division of the B.M.A. for their kind co-operation and help. Since the inception of the Ball six years ago, Mr. Woodhead's generosity has enabled the large sum of £1,316/5/0 to be handed over to the Infirmary Funds, and the Board accepts, with grateful thanks, his offer to repeat his kind help next year.

LADIES' LINEN LEAGUE

The Ladies' Linen League has again proved to be a valuable asset to the Infirmary. It does most useful work and, in addition to collecting a large quantity of garments and linen, the members have expended a sum of £71/2/2 on the purchase of new articles for use in the Wards. The Board gratefully recognises the splendid work being carried on by Mrs. Norman Wood (the Honorary Secretary), Mrs. David (the Honorary Treasurer), the Members of the Committee and all associated with the Ladies' Linen League and commends it to the sympathetic consideration of the ladies of the town and district.

SOUTHPORT INFIRMARY LADIES' AUXILIARY COMMITTEE

The Board of Management acknowledges with grateful thanks the excellent help given by the Ladies' Auxiliary Committee, under the Chairmanship of Mrs. H. Heywood, Mrs. T. H. Harker (Vice-Chairman), Miss A. B. Cochran (Honorary Secretary), and Mrs. Richmond Steel (Honorary Treasurer). The Bridge Drive promoted last February realised the splendid sum of £235/0/2, and out of the proceeds the Committee purchased china, tray cloths, refrigerator, metal tea sets, bed tables, cot feeding tables, trays, materials for screens for the Wards, and also a radiogram, chairs and shelter for the Nursing Staff, and gave a donation of £30 to the general funds of the Infirmary.

OBITUARY

The Board deeply regrets the loss by death of:

Mr. Alderman J. E. Willett, C.B.E., D.L., J.P., who was President of the Infirmary during his three Mayoral years. He was a Vice-President from 1924, a period of over thirteen years, and was a generous annual subscriber for fifty-two years.

Mrs. A. A. Ashton, who during her year as Mayoress rendered valued service to the Infirmary, and was appointed a member of the Board of Management in 1936.

Mr. Councillor Tom Scholes, who was the Senior Member of the Board of Management, having been appointed in 1908, a period of twenty-nine years. He was appointed a Trustee in 1920 and acted as their Chairman. He was also the Chairman of the Fuel Contracts Committee for many years. He defrayed the cost of ten pictorial windows, representing nursery rhymes, in the Children's Ward, and was a generous subscriber to the funds of the Infirmary. He took the role of Father Christmas at the Christmas Parties in the Children's Ward for many years.

The total number of examinations made in the Pathological Department during 1937 shows a marked increase as compared with those of the previous year. This is due in part to an increase in the number of examinations carried out for the various departments of the Infirmary itself.

The Departmental Balance Sheet shows a credit balance for the year of approximately £200. The expenditure for the year is slightly less than the previous year. The increase in the work, however, makes it essential to consider the need of increasing the Laboratory staff. The total value of the work done for the Infirmary itself during 1937 is estimated at approximately £1897 0s. 0d.

THE CHRISTIANA HARTLEY MATERNITY HOSPITAL

Medical Officer-in-Charge: Dr. N. E. LAURENCE

Sister-in-Charge: Sister E. GRAHAM

The work carried out in the hospital is an important factor in the maternity and child welfare services of the town, and the necessity of a closer linking up of the hospital with other maternity services is more and more apparent.

The number of admissions during the year was 347, compared with 328 in the previous year, and 341 in 1935.

Three hundred and twenty-one were normal cases and required no interference. Of the remainder, thirteen were delivered by Cæsarean section.

Three hundred and thirty-four infants were born alive, 190 girls and 161 boys.

The ante-natal clinic also shows an increase in the number of mothers attending. Three hundred and thirty mothers were seen, and they made a total of 1,960 attendances.

Thirteen emergency cases were admitted during the year, and, as was pointed out in last year's report, one of the chief aims of the maternity services in the town must be to reduce these to a minimum.

W. E. FITZGERALD, M.C., M.B., CH.B., D.P.H.

Medical Officer of Health

Southport Corporation Departments.

THE VENEREAL DISEASES DEPARTMENT

Medical Officer-in-Charge: Dr. H. BARDSLEY

Sister-in-Charge: Sister M. L. J. FOSTER

During the year, there were 14,897 attendances at the Out-Patient Department.

The ward has in-patient accommodation of ten beds and eight cots, and during the twelve months, 93 patients were given in-patient treatment.

Ten maternity cases were admitted for ante-natal treatment. Nine of these were found to be suffering from some form of venereal disease.

Unfortunately, in two instances, the mothers presented themselves for treatment too late for the measures adopted to be of avail, with the result that the infants showed evidence of congenital disease.

Five babies were admitted suffering from ophthalmia neonatorum. Happily, the treatment was successful in each case and the sight completely saved.

THE SKIN DEPARTMENT

Fifty children were treated at the department during the year, for the following conditions:

Ulcer	1	Dermatitis	1
Scabies	37	Seborrhoea	3
Impetigo	5	Warts	1
Abscess	1	Spina-Bifida	1

The treatment was effective in all cases except the child suffering from spina-bifida, who died.

The continued co-operation and mutual assistance which exists between the Southport Infirmary and the Health Committee, is of the greatest value to those who are actively engaged in carrying out the work.

W. E. FITZGERALD, M.C., M.B., CH.B., D.P.H.

Gifts to Patients

The Board of Management has decided not to print the detailed List of Gifts to Patients, as this involves considerable increase in both the size and the cost of the Report.

Under the circumstances, the Board hopes that all friends who have kindly sent Gifts to the Patients during the year will accept this general acknowledgment of their kindness.

EXTRACT FROM REPORT
OF
Voluntary Hospitals Committee,

Appointed by the Ministry of Health,
issued 8th June, 1921.

“ The Committee are convinced that it is desirable in the public interest to maintain the Voluntary System of Hospital Management, which secures gratuitous and skilled service, both lay and medical, of inestimable value. If that system falls to the ground, hospitals must be provided by the public, and the expense of so providing them would be enormous. The wages and other disbursements would undoubtedly increase, and the payment of full remuneration to the administrative and medical staffs would at once become urgent. But the money loss to the State would be a small matter compared with the injury which would be done to the welfare of the sick for whom the hospitals are provided, the training of the medical profession, and the progress of medical research.

“ The voluntary hospital system, which is peculiar to the English-speaking peoples, is part of the heritage of our generation, and it would be lamentable if, by our apathy or folly, it were suffered to fall into ruin.”

The Matron or Superintendent will be pleased to receive a call from any interested in the work of the Infirmary, and show them round the Institution.
