#### REPORT 1926-27.

THE report for 1926-27, we hope, may be considered satisfactory, and all things considered we think. perhaps, we are justified in using the word "successful." The years 1924-5-6 have, perhaps, been the most critical in the history of the Dartmouth and Kingswear Hospital, owing to the fact that we were faced with a somewhat alarming deficit, but owing to the fact that the Executive have pulled together, and to the generous support of the public, we may fairly claim now to be in smooth water. In these days it is both essential and necessary that all public institutions should be kept absolutely up-to-date, and also be run on business-like and economical lines.

The Building Scheme, as suggested and planned by the late Mr. Boyd-Carpenter, has been carried out, as sanctioned at the General Meeting, 1923. This has meant a heavy outlay, and has caused the Executive many anxious moments, but "keep moving" has been our motto. Thanks to this fact, and the support of generous subscribers, and by the aid of many funds raised by various public entertainments the debt is nearly paid off, and we have reason to hope that by the General Meeting in 1928 we shall be entirely free from it.

The want of the new building has already been proved, 26 patients having been treated in the first six months in the Private Wards. The outlay has been further justified by the fact that out of a total of £361 received in patients' fees, £252 of this amount has come from the Private Wards.

The number of patients treated in the Hospital exceeds that of last year, the subscriptions have increased, and the debt on the Building Fund, although not entirely wiped out, greatly reduced. This, perhaps, may all sound too rosy, and we may all feel inclined to go easy, but it is often the final effort that is really the hardest part of the struggle, and more than ever now must we pull together and still "keep moving."

Although subscriptions are still on the increase, they are yet out of all proportion to such a large population as Dartmouth ; it is not bigger subscriptions we want but "more subscribers." The weight of the burden is still borne by "the willing few."

We feel sure that the people of Dartmouth and Kingswear share with us in a deep sense of gratitude to all who have helped the Hospital by donations, and also those who have organized entertainments, dances, and various other things for the benefit of the same cause; without their kind efforts we could not "carry on," and we hope they will realise how much we appreciate and value their help. It has been a year of much individual generosity.

Mrs. Boyd-Carpenter not only provided furniture for one of the Private Wards, but in addition gave £50 towards the furnishing of other wards.

Mrs. Spalding paid for the decorating of the new building, which amounted to £58.

Two of the nurses' cubicles were furnished by Mr. Hine-Haycock.

Mr. Cyril Maude, who has only just come to live amongst us, most generously sent a donation of £50, and furthermore promised his sympathy and support to the Hospital, which, to those who know him, means far more than gold.

We are grateful to the Dartmouth Town Council for their generous support this year, and also to the Dartmouth United Charities for the increase in their yearly subscription.

The services in connection with the Hospital Motor Competition were kindly given by Mr. G. E. Turner, and also by the Managers and Staffs of both the National Provincial and Lloyds Bank. Mrs. Boyd-Thomson has also most kindly organized a Linen and Household Guild, which already has proved a great boon to the Hospital.

Again we would thank all our kind and generous supporters, but beg them not to relax their help for one moment, as we cannot "carry on" without them.

Our thanks and appreciation are given to the hon. auditors for their most able and willing services.

We are indeed fortunate in having the services of a most efficient Matron, who studies not only the comfort of all patients, but also that of her staff.

Yours very truly,

#### J. D. GOULDSMITH,

On behalf of the Executive Dartmouth and Kingswear Cottage Hospital.

5. The General Committee shall receive the Annual Report, Financial Statement, etc., and appoint a President and other Honorary Officers, as per Rule 4, and elect representatives to the various committees as specified hereafter.

7. The Hospital shall be under the direction of the Executive Committee. The Executive Committee shall consist of 10 Members : The President, the Treasurer, two representatives nominated by the Associated Trades Unions, one representative nominated by the Town Council, and two representatives elected by the Annual Subscribers. The Executive Committee may co-opt from time to time, not more than three members to assist them in case of need.

Bye-Laws may be framed by the General Committee as required, such Bye-Laws to be afterwards submitted for sanction at the Annual Meeting.
