REPORT FOR 1927.

THE Committee herewith present their Report for 1927.

The number of In-Patients have been 214 ; of these, 144 were Surgical and Operations, 32 Medical and 38 Accidents. The Out-Patients numbered 116. 303 Casualties were treated, that is, for dressings, etc., and 113 in X-Ray department.

The Committee record with much sorrow the death of Miss F. Baron, who served on the General Committee and was Secretary of the Ladies' Committee for many years. She took much interest in the Hospital and the success of Alexandra Day and Pound Day each year was largely due to her energy.

Mr. L. E. Barrington-Ward, F.R.C.S., who was staying at Polzeath in the summer, carried out a serious operation on his nephew, the son of the Bishop of Liverpool, and the following letter has been received from him. The Committee think right to print it in full as it speaks so well for the Hospital and the Staff.

“ 85, Harley Street, W.1.,
14th December, 1927.

“ Dear Sir,

I should like to record my appreciation of the services which your Hospital rendered to me when I had to operate on my nephew in August last. I was greatly struck with the efficiency of the Hospital, and the kindness of the officials. The theatre arrangements and the general nursing, supervised closely by the Matron, were of a high order. I am sure the case, which was a difficult one, could not have had a happy outcome but for the very adequate arrangements.

I am very grateful to the Hospital for allowing me to operate, and for giving me their valuable assistance.

Yours very truly,
L. E. BARRINGTON-WARD.

The Hon. Secretary,
Cottage Hospital,
Bodmin, Cornwall.”

Alexandra Day did not bring in quite so much as in 1926, but this is accounted for by the unfavourable weather. Pound Day, however, was quite a success and the Committee thank all those who so kindly sent gifts or money.

Miss Ward, the Matron, has carried out her duties nobly and to the satisfaction of your Committee and the patients, and she has been assisted loyally by the Staff.

The Committee desire to record their appreciation of the services rendered by the Consulting Surgeons and the Honorary Medical and Dental Staffs.

Mr. A. B. Lyne has paid during the year for the upkeep of the Wireless installation for which the Committee are very grateful, and the Wireless has been much enjoyed by the patients.
