THE GENERAL INFIRMARY AT LEEDS

One Hundred and Sixty-Fourth Annual Report. 1931.

The Board of Management have pleasure in submitting their Report for the year 1931.

The number of in-patients treated at the Infirmary during 1931 has been 1,008 less than in the previous year, as indicated in the following figures :—

	1931.	1930.	1929.	1928.

Total Number Treated ...	13,773	14,781	14,363	14,500

Waiting List. It is to be regretted that there were no fewer than 1,184 patients on the Waiting List at the end of the year, even though the average stay of each patient was only 12·7 days.

Mortality. The rate of mortality amongst the In-patients was 6·6 per cent., but after deducting the number of patients who died within 48 hours of admission, the percentage is reduced to 4·5 per cent.

Out-patients. The number of Out-patients is slightly less than last year, as are the Out-patient attendances; the following are the figures :—

	1931.	1930.	1929.	1928.
Out-patients	24,265	24,405	24,630	26,260
Casualties (Accidents and Emergencies)	13,845	15,085	16,833	16,513
In-patients made Out-patients ...	4,568	5,484	5,204	5,678
Venereal Department	2,061	1,845	1,846	1,856
	44,739	46,819	48,513	50,307
Total Attendances	323,516	333,800	307,543	324,146

Motor Accidents. During the current year 1,126 Patients were treated as a result of accidents attributable to motor vehicles; of these 525 were In-patients.

The cost of the treatment of these cases was £4,084, towards which only £866 was received for or on behalf of them. An adverse balance of £3,218 has thus to be found from General Funds.

The passing into Law of the Road Traffic Act, 1930, which came into operation on 1st January, 1931, unfortunately has not been productive of any appreciable assistance in meeting these heavy expenses.

Convalescent Cases. The total number of patients sent away for convalescence by the Leeds Convalescence Society was 161; of this number 117 were children and 44 adults.

The average stay of most of the patients sent to the Convalescent Homes was three weeks, but in a number of cases the stay was extended to six, eight, and in a few instances, ten weeks.

Once again, the Board expresses very grateful thanks to Major and Mrs. Clive Behrens, of Swinton Grange, Malton, for the use of free beds at the Malton Convalescent Home.

All the women patients who have been there during the summer months have returned greatly benefited in health, and are unanimous in their praises of the Home and its many comforts, including the great kindness shown to them by the Matron.

This year there has been an extension of the work in the Almoners' Out-patient Department. All new Patients seen by the Electro-therapeutic Department are now interviewed on their first attendance by the Almoner responsible. There has, therefore, been an increase in the number of patients dealt with by the Out-patient Almoners.

The number of In-patients referred to the Almoner by the Doctor or Ward Sister has increased steadily throughout the year, but there must still be many patients discharged from the Wards who would benefit by an Almoner's intervention, particularly with reference to convalescent treatment and after-care.

Owing to trade depression the demands made on the Samaritan Fund during the year have increased in number. This is chiefly shown by the requests for help in paying for fares to attend for special forms of treatment, and for assistance with the cost of transport to and from the Infirmary by patients not eligible for the Workpeople's Ambulance. In many instances patients have been assisted with grants for convalescent treatment, surgical appliances, and in various other ways.

The Fund is a great boon, but, unfortunately, too small, the income last year only amounting to £123 14s. Any donations will be gratefully received and should be marked "Samaritan Fund."

Donations received through the Almoners amounted to £506 16s., as compared with £285 3s. 10d. last year.

The total Income for 1931 was £104,546 ; this was £3,288 less than the previous year, and £5,550 less than the average for the past three years.

The total extraordinary expenditure for the year was £9,481, being £537 less than in 1930 and £1,911 more than the average for the past three years. The ordinary expenditure for the year was £104,871.

Accumulated
Deficit

The accumulated deficit at the end of the year 1931 stood at £79,539, the difference between Income and Expenditure showing a deficit of £9,806 against a deficit in the previous year of £6,292.

Leeds
Workpeople's
Hospital Fund.

A donation of £25,000 was received during 1931 from the Leeds Workpeople's Hospital Fund, and the Board gratefully acknowledge this munificent gift.

They are happy to record that in February, 1932, a donation of £31,250 was received from this Fund, an increase of £6,250 over the amount allocated in the previous year. The Board wish to congratulate the Members, the Executive Committee, and the various Ward Committees of the Fund, upon the excellent result of the year's working, in spite of the continued depression in trade.

In-Patients'
Contributions.

In-patients contributions amount to £8,128, an increase over the previous year of £2,466, and £3,500 more than in 1929.

This satisfactory result has been brought about by the efforts of the Staff in the new Maintenance Department, and reflects much credit on those concerned.

Donations.

The Board desire to express their gratification at the generous support from Committees, who have arranged demonstrations in various districts, and made regular collections on behalf of the Infirmary.

The thanks of the Board are also due to:—

radium, compared with 292 patients in 1930.

In May a first instalment of 369.5 mgs. of the radium
loaned to the Infirmary by the National Radium Commission
was delivered, and the remaining 637 mgs. were delivered
in December, making a total of 1006.5 mgs. As the Hospital
has already been loaned 216 mgs. by the Yorkshire Council
of the British Empire Cancer Campaign, and owns a further
504 mgs. itself, this makes a total of just under 1½ grams of
radium available for the treatment of patients.

The scheme for the development of the Radium Depart-
ment, which was adopted at the beginning of 1931, has been
in operation throughout the year, and has greatly facilitated
the work of keeping accurate records of cases treated and a
follow-up system for the cases after leaving Hospital.

Dental
Department.

The demands made by the Public upon the facilities afforded
in the Dental Hospital do not diminish, and last year dental
treatment was given to 14,689 patients, who made visits
totalling 27,885. A full-time officer of senior rank has
recently been placed in charge of the Hospital, and there is
already evidence that this new appointment will lead to a
closer co-operation between the Dental Department and other
Departments of the Infirmary, not only in the diagnosis and
treatment of dental lesions, but in obtaining valuable informa-
tion on the relation of dental sepsis to general disease. In
addition to the treatment of injuries and fractures of the
jaw, there has been co-operation with the Radium Department
in the construction of radium applicators for the treatment
of malignant disease.

The Board wishes to express its thanks to all those donors of blood who are enrolled on the Panel of the Leeds Blood Transfusion Service, and especially to those who have given blood. There are at present 308 donors on the panel, and 84 transfusions have been given to patients in the Infirmary from these donors between January 20th and December 18th, 1931. Blood transfusion has been given for a large number of different diseases, and it has been successful in a very high percentage of cases.

The Service has worked throughout with great smoothness and regularity.

In memory of the late Lord Manton, a generous benefactor of the Infirmary, a handsome bronze plaque subscribed for by friends, and designed by Mr. A. G. Wyon, F.R.B.S., has been placed in the main Hall. The unveiling ceremony was performed by Lady Manton on Friday, 11th December, 1931, in the presence of a large number of friends.

The Board desire to express their gratitude to the management of the Yorkshire Penny Bank for generously presenting a large quantity of book matches and containers with collecting boxes attached, suitable for placing in hotels and business houses, the entire proceeds of the sale to be for the benefit of the General Infirmary. The scheme has been successfully launched and proves to be a popular mode of raising funds.

A keen supporter and a member of the Advisory Board, Mr. W. L. Kirby generously offered to add 25% to the total of all new annual subscriptions received during the year. The response to this offer was disappointing, sums amounting to £132 only having been received up to the end of the year. Mr. Kirby has very kindly renewed this offer for a further twelve months, and it is hoped that greater advantage will be taken of this rare opportunity to augment the funds.

The death of Miss Charlotte Porter, A.R.R.C., on the 26th of April, 1931, is deeply regretted. Sister Porter retired in 1924 after 49 years' service on the Nursing Staff, and her services were highly esteemed by the Board.

The increased work in the Orthopædic Department was responsible for a recommendation from the Faculty to the Board to create the office of honorary Assistant Orthopædic Surgeon, and Mr. R. Broomhead, M.B., Ch.B., F.R.C.S., was

duly appointed to fill this post on the honorary staff in November.

Junior
Medical Tutor
and Registrar.

Dr. H. G. Garland, M.D., M.R.C.P., has been appointed Junior Medical Tutor and Registrar, in the place of Dr. S. J. Hartfall, who has resigned his appointment.

Personal.

Mr. R. M. Currer-Briggs resigned his seat on the Board of Management, but has been appointed a Member of the Advisory Board.

Mr. C. F. R. Brotherton was appointed a Member of the Board of Management.

Professor Talmage Read, F.R.F.P.S. (Glas.), L.R.C.P., L.R.C.S. (Edin.), L.D.S. (Glas.), was appointed Dental Warden.

Mr. C. Holland Child resigned his appointment as an Honorary Assistant Dental Surgeon.

Nursing Staff.

The following member of the Nursing Staff gained the diploma in Nursing of the Leeds University—Nurse Jennie Defty.

During the year 13 Nurses were awarded the Scholarship which enables them to take the training at the Leeds Maternity Hospital in order to gain the Certificate of the Central Midwives Board.

The Eva Moynihan Gold Medal for 1931 was awarded to Nurse Cecile Anderson.

Linen League.

The Board desire to express their gratitude to the Hon. Officers and Committee of the Linen League for the valuable help rendered.

During the year 2,655 garments were supplied towards the needs of the Institution, and the Committee expended a sum of £528 on the purchase of materials.

The Committee of the Linen League will be glad to enrol more members, to make possible further extensions of their work. The number of workers now assisting is 1,384.

THE 164TH ANNUAL GENERAL MEETING,

THURSDAY, 31st MARCH, 1932.

LADIES AND GENTLEMEN,—I have the honour to move the following Resolution, namely :—

THAT the Report and Statement of Receipts and Expenditure for the year 1931, as now submitted, be taken as read, and that the same be adopted.

I regret to say that Subscriptions and Donations received during the year are about £250 and £260 respectively less than last year ; nevertheless, our Ordinary Income, which includes Subscriptions and Donations, is up to the extent of about £2,824. Income and Expenditure.

Our Extraordinary Income, however, has fallen to the extent of £6,100, owing to a decrease in Legacies and Endowments.

Our Total Expenditure is much the same as last year, but has exceeded our Total Income for the year to the extent of £9,800, as against Six thousand odd pounds last year.

I do wish to impress upon you how important it is that we should all do our best to increase our Ordinary Income in every possible direction, and, in particular, to increase our Annual Subscriptions and Donations.

In connection with Annual Subscriptions, this year our good friend, Mr. W. L. Kirby, has repeated his offer of 1931, to add 25 per cent. to all new Annual Subscriptions received during 1932. I do hope that everyone who can will bring this generous offer to the notice of the widest possible public, so that we may reap a good harvest.

As it is, we have to rely too much on our Legacies, the variation in the yearly total of which is very considerable.

We have again to thank our good friends, the Leeds Workpeople's Hospital Fund, for their Contribution of £25,000, which was collected by them in the year 1930, but was received by us too late to go into our Accounts for that year. Consequently, the item appears in the present Accounts. Leeds Work-people's Hospital Fund.

I should like to mention that we have received from them this year—1932—a considerably larger sum, namely £31,250.

Even though they enlarged their basis of contribution for last year, still, in view of the exceptionally bad year that

the trade of the city has been passing through, they to be heartily congratulated on collecting £10,000 more than in 1930.

Motor Accidents.

Motor Accident cases continue to be a drain upon us. We treated 1,126 of these cases during the year, and of this number 525 were In-patients. They cost us £4,084, and in spite of the provisions of the Road Traffic Act we only received £866 towards this cost, and of this £430 consisted of voluntary contributions from Patients themselves.

It was hoped that the Road Traffic Act would give us considerable relief in this direction, but we find that, in practice, it will not give us anything like the relief we had hoped for.

Insurance Companies will not pay anything to the Hospitals unless and until their Insured Clients are proved to be in the wrong.

Linen League.

The ladies of our Linen League have accomplished a very considerable volume of work during the year, and provided many useful and necessary articles, thus saving us a considerable sum of money. No less than 2,655 articles were handed over by them to us during the year 1931; and their Committee expended £528 in the purchase of materials. I hope to see the time when, by its efforts, it supplies the Infirmary with all the standard articles we require.

Resolution.

I NOW MOVE the Resolution, that the Report and Statement of Receipts and Expenditure for the year 1931, as now submitted, be taken as read, and that the same be adopted.

The Rev. G. W. Seagar (Free Church Council), in seconding the Resolution, said that his relations with this great Institution extended over a period of ten to twelve years, and he was amazed at the quality of the work which was being done and the skill of the Surgeons and Nurses. He was sure everyone must feel that it was a great privilege to do what they could for its good.

Mr. Edward Tetley, in supporting the Resolution, said that he could not understand how it was that this wonderful Institution should ever lack funds; he thought that if the business men of Leeds looked at the matter properly they would be moved to do something to put the funds of the Institution on a satisfactory basis.

The Report and Statement of Accounts were adopted unanimously.

Col. F. E. Tetley, in proposing that a cordial vote of thanks be tendered to Mr. Henry Middleton, said he was sure

everybody would do so with acclamation, and he had no doubt that he would be re-elected without demur. He said he did not know if Mr. Middleton knew what he was in for when he took on this work, but having taken it on he had put his back into it and had worked day and night for the good of the Hospital. He thought the greatest thanks that could be given to him would be to see an increase in the subscriptions ; it must be an endless worry in his direction of affairs that in spite of all his repeated appeals for increased and additional subscriptions, there had been such a poor response. He wished that everyone who came to this Institution would subscribe to it as much as they would have to pay to their private practitioners, and the Hospital would then not be lacking in funds.

Mr. H. Collinson, in seconding the Resolution, said that it gave him the greatest pleasure to do so on behalf of his Colleagues. The amount of work which Mr. Middleton put into the service of the Hospital had been pointed out, and the great responsibility and anxieties under which he was labouring, and he could only say on behalf of himself and the whole of the Staff of the Hospital that their relations with Mr. Middleton were most cordial, and they had the greatest possible admiration for the way in which he had done his work. He had great pleasure in seconding the Resolution.

The Resolution was carried unanimously.

Mr. H. D. Middleton, replying to Col. F. E. Tetley and Mr. H. Collinson, said that he did not want people to think him a pessimist but rather was he an optimist, especially if he could get the help of a lot of people to see his point of view. He went on to say that there was a gap in our Income and Expenditure somewhere between £5,000 and £15,000, but what that gap would be in any one year depended on the Legacies received in that year. He wished to close that gap, and would like to bring the Infirmary to the position that it did not matter so much what the Legacies amounted to, except that when there is a good year there would be more money available for purchasing a greater number of up-to-date appliances, or for such other purposes as the Board of Management thought best. He went on to say that a Maintenance Office had been started, which was producing £3,000 new money, and that he hoped in time it would bring in £5,000 per annum. For the remainder of the gap he turned to our good friends, the Leeds Workpeople's Hospital Fund, who were going to fill that gap and fill it easily. This year had been a bad one for them, but when trade was better they would be surprised themselves at what they could

collect, and he had hopes of their collecting anything up to £20,000 to £30,000 a year more than they had done in the past, and by this means the Infirmary would get £10,000 to £15,000 per annum more than in the past. He concluded by saying that he wanted the Legacies to fill up the Reserves, and when they did this he thought the financial troubles of the Hospital would be at an end.

Mr. Charles Lupton proposed that two Rules be altered in accordance with notice already given. The first alteration referred to the additional representation on the Board to be accorded to the Workpeople's Hospital Fund, and he felt that it needed no words of his to recommend the appointment of this additional member; he was sure it would meet with everyone's approval, as the amount of money received from this Fund more than justified such an appointment. He went on to say that the other alteration, namely, the appointment of a Dental Warden, was a very interesting one to all who have been connected with this Hospital. He warned the Members that the Board might wish to add to the Academic Consulting Staff during the year. This was a new form of appointment which would have a very important effect on the Infirmary in the future, in that it would give the Hospital the benefit of special experience in different Departments.

Dr. T. Wardrop Griffith said he had the greatest pleasure in seconding the Resolution.

RESOLVED :— " That RULE 15 be altered as follows :—

In Line 1, for " fourteen " substitute " fifteen " ;

In Line 2, for " two " substitute " three " ;

In Line 5, for " three " substitute " two. " ;

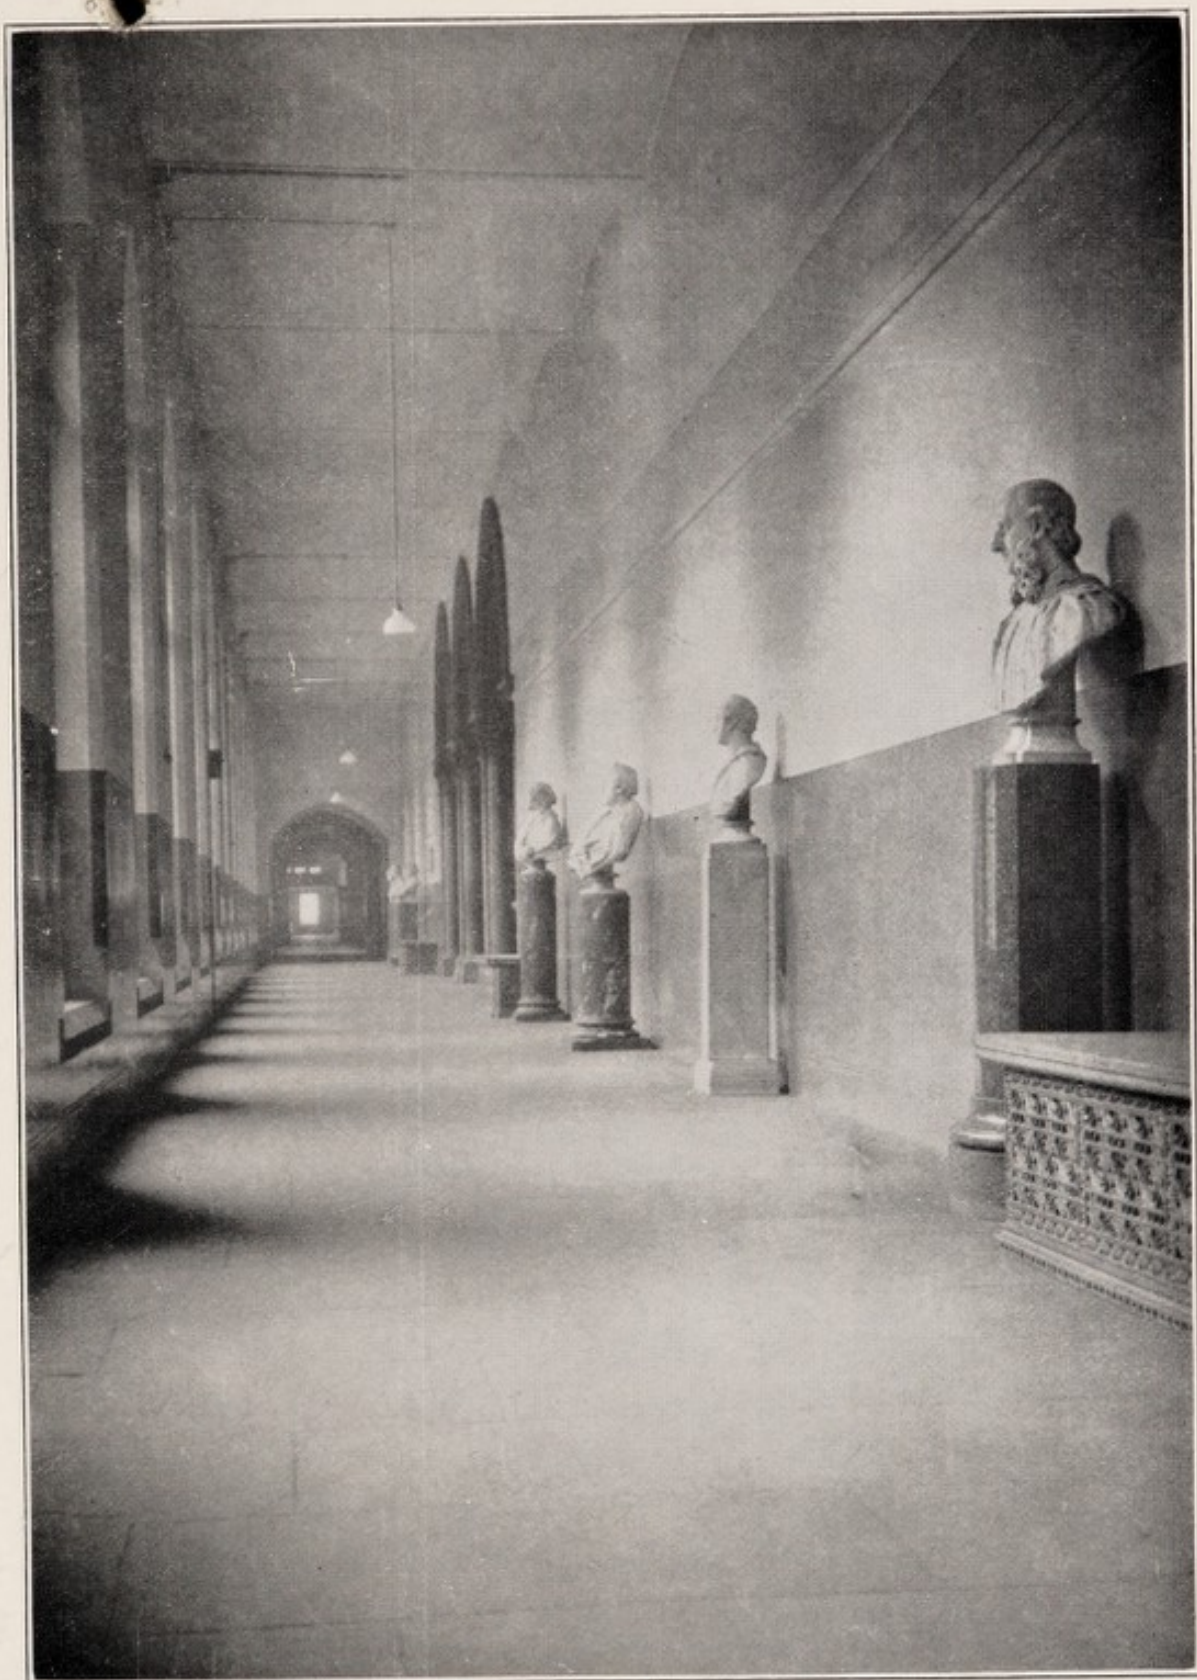

In Line 6, after the bracket insert the words " and the Dental Warden," and in

Line 9, for the word " fourteen " substitute " fifteen. "

RULE 32 be altered as follows :—

After the words " and 6 Assistant Dental Surgeons " insert the words " and the Warden of the Dental Department. "

Mr. Hugh Lupton proposed " That the following Governors be elected to form the Board of Management for

THE MAIN CORRIDOR.

the ensuing year, in conjunction with the Treasurer and Honorary Officers " :

Mr. Henry Barran.	Mr. Edgar Lupton.
Mr. T. F. Braime.	Miss Elinor G. Lupton.
Mr. C. F. R. Brotherton.	Mrs. Horace Marshall.
Col. J. C. Chambers.	Mr. James Tate.
Mr. W. McLaren Couper.	Col. F. E. Tetley.
Mr. F. J. Kitson.	Col. C. H. Tetley.
Mr. Charles Lupton.	Mr. J. Treen.
Mr. Gladstone Wilson.	

Mr. Hugh Lupton said that this country was justly proud of the way in which the Voluntary Hospitals have been founded and carried on, and that we in Leeds were proud of this Hospital, and it was a matter of great satisfaction to all the citizens of Leeds that good and well-known men and women were found to support the Chairman in carrying through the work of the Board.

Mr. Austyn Barran, in seconding the Resolution, said that he would like to take the opportunity of adding to what the Chairman had already said about funds for Voluntary Hospitals. There is a fund known as the Leeds Voluntary Hospitals Fund, which was started some years ago as an endeavour to induce certain members of the community to subscribe to the Hospitals, for whom arrangements did not exist then. We have the Workpeople's Hospital Fund which collects from the workers in Factories and other large places of employment and who have done excellent work to increase their subscriptions. He regretted that the Leeds Voluntary Hospitals Fund had in recent years unfortunately diminished. He went on to say that there is a growing portion of the community, many of whom benefit by the Voluntary Institutions, to whom an opportunity should be given to subscribe in a way that they could afford. He thought the Chairman would be fortified if some arrangement could be made to increase the Voluntary Hospitals Fund this year.

The Resolution was carried unanimously.

Mr. J. C. Macdonald proposed : " That

Mr. H. M. Hepworth,
Mr. D. Little,
Mr. G. W. Martin

be elected Members of the Special Committee for the appointment of Honorary Medical Officers, to fill the vacancies of the three who retire by rotation. He said that speaking as an ex-Member of this Committee the work was not very onerous, and that although the reputation of this great Institution

attracted Medical Officers of high standing, it was important that full discretion should be exercised by this Committee. He concluded by saying that the three names commended themselves.

Mr. H. Collinson had pleasure in seconding the Resolution.

The Resolution was carried unanimously.

Mr. J. Tate proposed that Messrs. J. W. Close, Hirst & Co. be appointed Auditors for the ensuing year. He said that, speaking on behalf of the Workpeople's Hospital Fund, the members of that Association were proud to be able to increase their subscriptions by £6,000, and they were quite as proud to hand the money over as the Board were to receive it, and during the coming years he said the Fund would try to increase their efforts. He went on to say that he would like to thank the meeting for appointing a further Representative of the Workpeople's Hospital Fund on the Board, and that the man they had chosen was worthy of the position. In conclusion, he hoped that the good feeling which existed between the Leeds Workpeople's Hospital Fund and this Hospital would continue.

Mr. J. Treen seconded the Resolution, and he thanked the Governors for the honour they had conferred upon him.

The Resolution was carried unanimously.

The Chairman stated that the formal business of the Meeting having been accomplished, he now had the great pleasure of informing the Governors present that it happened that this day 50 years ago Mr. Charles Lupton was elected a Member of the Board of Management; he felt quite sure all the Governors present would wish to congratulate Mr. Lupton on what is probably a unique accomplishment.

Mr. Lupton still gave freely and unselfishly his personal service and advice to the Board of Management and particularly to the Chairman, who well remembered that not long after he had been appointed Chairman and Treasurer, Mr. Lupton had offered to withdraw from the Board, but the Chairman had begged him not to do so, as he was a strong believer in having the benefit of the advice and experience of older men, and Mr. Lupton kindly consented to stay on.

He thought it more appropriate that he should ask old colleagues of Mr. Lupton's on the Board to speak of all the work Mr. Lupton had done for the Infirmary, and he therefore called upon Mr. Fred J. Kitson to say a few words.

Mr. F. J. Kitson said he believed he was the next Senior Member of the Board, with the exception of Mr. Henry Barran,

who was not present. He pointed out that 50 years is a long time to have served any one Institution, and that the name of "Lupton" was an honoured one all over the City of Leeds, which owed many of its improvements to Mr. Charles Lupton. It had been his privilege to sit on the Board with Mr. Lupton during the whole of the Chairmanship of Mr. Lupton, from 1900 to 1921, and he knew of the great work that he had done. Mr. Lupton had worked quietly and unobtrusively, and when improvements were needed he had bought property and saved the Hospital large sums of money.

He thought that everyone was agreed that this occasion could not pass without making some reference to these matters. He was sure all the Members of the Board were proud and honoured to have had such a Colleague.

He then asked leave to make a small presentation to Mr. Lupton, which consisted of a Porcelain and Silver Gilt replica of a handsome and historic bowl, the original of which was a Celadon porcelain and was presented to New College, Oxford, by Archbishop Warham between 1504 and 1532. He stated that the Testimonial had been subscribed to by the Members of the Board of Management, the Nursing Staff, the Administrative Staff, and others connected with the Infirmary, and on their behalf he asked Mr. Lupton to accept the Bowl as a token of their respect, admiration and affection.

Dr. A. G. Barrs said that there was no one who could more sincerely or with better reason support what had been so well said by Mr. Middleton and Mr. Kitson. He had known the Infirmary and Mr. Lupton for fifty years, and during that time Mr. Lupton had served the Infirmary well and faithfully. The Hospital had trebled in size and certainly trebled in the amount of work it does, and at the same time its reputation as a Charitable Institution and as a Medical School, which had always been very high, had never stood so high as it does to-day, and for that, in a great measure, we have to thank Mr. Lupton. We owe the two large extensions we have made in the Building to him, ending up with the Edward VII. Memorial Wing, for which Mr. Lupton was entirely responsible. Mr. Lupton had in all matters concerning the Infirmary pursued any policy which he thought would enhance the reputation of the Hospital with a determination which never lacked. The cordial relations which had always existed between the Hon. Staff and the Lay Members had always found a great supporter in Mr. Lupton, and he was always trying to improve these relations. He had been a great colleague and a personal friend to all. The Speaker had had

the good fortune of being friends with Mr. Lupton for many years, and it was a friendship characteristic of him, which never abated.

Dr. Maxwell Telling said that Dr. Barrs, as a Member of the Faculty, had referred to one thing which he was sure the Honorary Staff would wish special reference made to, and that was the cordiality of the relationships which had always existed between the Weekly Board and the Faculty under Mr. Lupton's Chairmanship, a cordiality which had become a tradition of this Institution. During Mr. Lupton's long service, Dr. Telling said he had been foremost in upholding the most glorious traditions of British Medicine which centred round the Voluntary Hospital system. He went on to say that it would be a bad day for British Medicine when the Voluntary Hospitals go. He thought the Members of the Honorary Staff would wish him to pay special tribute to the way Mr. Lupton has always kept the ideals of the Voluntary Hospitals to the front, and they hoped he would long be spared to be a member of the Board and to exercise his wisdom. He had known Mr. Lupton for over 30 years, and had known what it was to work with him and under him during a large part of that time, and he could say that his example and devotion to the cause of this Hospital had been to him an inspiration, and he was only saying what every one of his colleagues in the Faculty would wish him to say on their own behalf. Those of them who were Senior know now what that inspiration had meant, and he was sure that but for Mr. Lupton's example and his work the Medical progress and research, and the quality of Nursing and the standard of the Medical School, and many other things which are achieved by the Medical Faculty, would not have reached their high development.

Miss Innes handed Mr. Lupton a Silver Coffee Set, which she described as a special token of esteem and thanks from the members of the Nursing Staff. She went on to say that many of the privileges they had received had been through his interest and help, and that he had never lost his interest in the Nursing Staff.

Mr. C. Lupton, in replying, said that he thought everybody would recognize that it was a very difficult thing for him to adequately thank them all for their extreme kindness. He would like to thank Mr. Middleton for the great kindness he had shown to him and for the kindness all had shown to him this day. Dr. Barrs was the only one who was living in Leeds when he was first appointed 50 years ago. In 1870 he said

only 200 Nurses were employed, and to-day they had over 200. Mr. Lupton referred to Sir James Baillie's suggestion that the work of the Hospitals should be co-ordinated, and pointed out that the three Voluntary Hospitals in Leeds had already done much in this direction. To-day the three Voluntary Hospitals in Leeds had a joint system of collecting funds, and joint training for Nurses. He thought that in a few years the amalgamation would extend to a final amalgamation in government. If it was suggested that they should amalgamate with the Public Institutions, he would emphasize that in the Infirmary they depended very greatly upon freedom, and they had always introduced the medical and surgical staffs into the Government of the Hospital. He hoped that it would be with very great caution that people decided that they wanted to throw up the Voluntary System, and go on to the other system where people were elected for other purposes than the management of Hospitals.

He concluded by saying that he did not know how to thank all enough, and he would treasure the gifts as the greatest treasures which he had.

EXTRACTS FROM THE RULES AND BYE-LAWS

REGULATING THE PRIVILEGES OF BENEFACTORS, SUBSCRIBERS, ETC.

2. A Benefactor of Twenty Guineas or upwards, in one or two payments, shall be a Governor for Life. An Annual Subscriber of Two Guineas or upwards shall be a Governor during the continuance of the Subscription. A Benefactor of Ten Guineas in one payment, who also subscribes One Guinea annually, shall be a Governor during the continuance of the Subscription.

3. When Partners, or other Persons, jointly become Benefactors or Annual Subscribers, the first-named Partner or Person shall have the rights of a Governor in respect of such joint Benefaction or Subscription; and if the amount be sufficient to qualify more than one Governor, the next in order of such joint Benefactors or Subscribers shall have the rights of a Governor so far as the sums subscribed will extend to qualify.

4. The Chairman of any Public Body, Body Corporate, or Society, subscribing Three Guineas or upwards annually, shall be a Governor during the continuance of the Subscription; but no privilege shall attach to such Chairman in respect of any Benefaction. Twenty-four Governors may be appointed by the Leeds Workpeople's Hospital Fund Committee, in virtue of the contributions derived by the Infirmary through the agency of such Committee. Executors of Wills under which the Infirmary benefits to the extent of £100, may have one of their number appointed a Governor.

6. All Subscriptions shall be considered due in advance on the 1st day of January in each year; and shall be supposed to continue, unless the Subscriber gives notice to the contrary.

7. The Vote of any Subscriber, whose subscription has not been paid before the 1st of July in any year, shall not be received, unless the same be paid at the time of voting.

34. No one shall be admitted or suffered to remain as an In-patient who is capable of receiving equal benefit as an Out-patient.

37. Persons who are able to pay for medical advice, domestic servants and apprentices whose masters are able to provide for them, and soldiers and militia-men whose officers or others engage to pay for them, may be admitted, by order of the House Committee, upon payment of such charge as the said Committee may direct.

39. No woman near the time of her confinement (except in extraordinary cases, or where some surgical operation is required), no persons disordered in their senses, subject to epileptic fits, suspected to have the small-pox or other infectious distemper, having habitual ulcers, no persons in consumption, nor any who are adjudged incurable, shall be admitted as In-patients, or, if inadvertently admitted, shall be suffered to remain.

54. The Diet of the Patients shall be under the regulation of their respective Physician or Surgeon; and no provisions or liquors shall be brought into the House to the Patients on any pretence whatever. The friends of any patient offending against this Rule shall not again be allowed to visit the Patient.

55. The friends of Patients will be admitted into the wards, with leave of the General Manager, on Tuesdays and Saturdays, between the hours of Two and Four.

68. Any Patient, or any person bearing office or serving in the Infirmary, who shall directly or indirectly give to or take from any Tradesman, Patient, Servant, Stranger, or other person whatsoever, any fee, reward, or gratuity for any service connected with the Infirmary, shall be liable to expulsion.

How to Make £1 into 25/-

A keen supporter has undertaken to add 5/- to every £1 of new Annual Subscription received during 1932.

Help the General Infirmary to take full advantage of this generous offer and rare opportunity to augment the Funds.

THE BOARD OF MANAGEMENT desire to draw the attention of Annual Subscribers to the advantage to be gained by signing the form overleaf.

* * * * *

Income Tax may be deducted from such Annual Subscriptions as are guaranteed for a period of seven years, and the Infirmary can reclaim it from the Surveyor of Taxes. (See opposite page.)
