Pathologist :

DR. ERNEST SHAW.

FORM OF BEQUEST.

To those Charitable Persons desirous of assisting the Charity by Will the following Form of Bequest is recommended :—

"I GIVE AND BEQUEATH to the Hornsey Central Hospital, established at Crouch End, in the County of Middlesex, the sum of †*

pounds, free of Legacy Duty, to be charged with my other Legacies on my real estate in case of deficiency of my personal estate, and I direct that the same be applied in and towards carrying on the charitable objects of the Institution, and that the receipts of the Treasurer for the time being shall be a sufficient discharge to my Executors for the same, and I direct the sale in accordance with law of any part of my estate required to be sold to give effect to this and any other charitable disposition."

- * Since the passing of the Mortmain and Charitable Uses Act, 1891, real property may be given by Will for charitable purposes. In that case the real property desired to be given to the Charity or the particular investment or Residuary Estate as the case may be should here be described.

† The sum to be expressed in words at length.

REPORT

For the Year ending 31st December, 1930.

The Council of the Hornsey Central Hospital present their Report for 1930, and draw attention to the fact that the work has exceeded all previous records.

The number of admissions reached 930, the highest total for any year since the Hospital opened, and the number of operations, 818, is also the highest ever reached in one year. The number of clinic-patients and casualties shows a very considerable increase on those of last year, and here again a record has been established.

Unfortunately the income of the Hospital has not grown in proportion to the demands made upon it, and although the total income for general purposes was slightly higher than in 1929 it was not sufficient to meet the increased expenses naturally entailed by the great increase in the work.

In-patients' payments during the year were as follows:—

44 patients paid	£6	6s.	0d.	
1	„	„	£5	5s. 0d.
1	„	„	£4	4s. 0d.
183	„	„	£3	3s. 0d.
9	„	„	£2	2s. 0d.
4	„	„	£1	11s. 6d.
167	„	„	£1	1s. 0d.
39	„	under	£1	1s. 0d.
70	„	paid	£1	1s. 0d. minor operations.
33	„	„	12s.	6d. „ „ (Hornsey Education Committee)
62	„	„	10s.	6d. minor operations.
4	„	under	10s.	6d. „ „
160	Hospital Saving Association members.			
21	Hospital Saturday Fund members.			
48	Insured persons.			
84	remitted.			

930

In addition to the 84 in-patients' fees remitted (representing 1,195 days), no fewer than 1,761 treatments were given entirely free in the out-patients' clinics, made up as follows:—

Massage, 1,222; ultra-violet ray, 252; X-ray, 74; Dressing, 213.

The above figures emphasise the urgent necessity of increasing the Hospital's income so that the demands made upon it may be adequately met.

The outstanding event of the year was the opening of the Nurses' Home. Work was commenced on the building at the end of 1929, and the foundation stone was laid by Mr. Jas. Anderson in March, 1930. The opening ceremony was performed by His Worship the Mayor of Hornsey (Councillor C. H. Summersby, J.P.) on November 22nd. He was supported by the Hospital officials and members of the Council.

The new Home gives accommodation to practically the whole of the Nursing Staff, having 22 bedrooms, a large Recreation Room, private sitting-room for the Sisters, and other smaller rooms adapted to various purposes. In addition to all these, a fine Board Room for the use of the various Committees has been included.

The cost of furnishing all the bedrooms, the Recreation Room, Sisters' sitting-room and Board Room was borne by generous friends of the Hospital, and the Council wish to express their deep gratitude for all the donations, large and small, which have been given for the purpose during the year. The Council's ambition to open the Home entirely free of debt was not realised, there being a sum of about £1,000 still to raise, but it is hoped this will be paid off during the current year.

In June the Hospital was visited by F. J. Poynton, Esq., M.D., F.R.C.P., and C. R. Hoare, Esq., on behalf of King Edward's Hospital Fund for London, and they approved of the arrangements and working.

The Council record with very deep regret the loss which the Hospital sustained in the autumn by the death of Dr. Fuller. He had been associated with the Hospital from its foundation, and his tact and experience had been of inestimable value to his fellow-workers on the Council and various Committees.

The Council desire to express their gratitude to the subscribers and donors who helped them so generously during 1930, and to ask their help again in 1931, so that the deficit shown on the year's working may be overcome and the Hospital's finances firmly established. The need for more help, especially regular support year by year, is acutely felt, and as it is unthinkable that any portion of the Hospital's work should be curtailed the Council earnestly appeal for additional financial assistance.

Very substantial additions were made during the year to the fund for the Nurses' Home, no less than £2,102 9s. 5d. having been collected, and our very grateful thanks are due to those who have so kindly contributed to secure this result.

The "Rosebuds" have again contributed £100 to the Hospital funds in support of the "Rosebud" cot, and the help which is afforded by this band of youthful artists, under the leadership of the Misses Caldicott, is greatly valued and appreciated.

The sum of £107 10s. 1d. was gratefully received from the Greyhound Racing Association, the donation allotted to the Hornsey Central Hospital from the special Charity Meeting held at the Harringay Park Track in August.

The Hornsey Central Hospital Charity Competition brought in £86 19s. 0d. to the Nurses' Home Fund, principally by means of the Swimming Gala held in the summer, and the Council thank all who helped to raise this large donation.

"Ye Olde Oake Cheste" stall held at the North London Exhibition in October was run by Councillor A. J. Blake and Mr. W. J. Oakley, and this new venture resulted in the sum of £26 9s. 0d. being added to the Nurses' Home Fund.

The Council desire to put on record the splendid gifts received from Mr. and Mrs. S. Willmott, who furnished the new Board Room, and their daughter, Miss Dorothy Willmott, who furnished the Nurses' Recreation Room. Grateful and appreciative thanks are tendered to these generous friends of the Hospital.

The Council also desire to express their appreciative thanks to Messrs. Wight and Co. for their work in connection with the wireless installation, and to the Barrington, Harefield and Independent Lawn Tennis Clubs for very kindly allowing members

of the Nursing Staff to use their courts. The Council also desire to acknowledge the courtesy of the local Press in inserting news items each week.

The Council gratefully acknowledge the generous help given to the Hospital during the year by those who sent gifts in kind.

The Council desire to acknowledge with sincere appreciation the enormous amount of gratuitous work undertaken by the Consulting Staff and the local medical practitioners. Their heartiest thanks are extended also to Mrs. Daffarn and Miss Hearle for all they have done in the massage clinic; to the voluntary helpers, headed by Miss Johnston in the ultra-violet ray clinic; and to Miss Jayne, the Hon. Dispenser. Their deep appreciation is recorded also of all the work undertaken by the large band of voluntary workers in other directions, whose assistance is so readily afforded.

The Council particularly wish to express their great appreciation and thanks to the Matron for the work that she and the Nursing Staff have accomplished during the year. The heaviest year on record has thrown a great burden on the staff, and the Council desire to record their gratitude to them.

Since the end of the year the Hospital has suffered a very severe loss by the resignation of the Matron, Miss E. H. Grime, who had held that position ever since the Hospital opened. She left the Hospital in February, 1931, after completing 21 years' service, and the Council owe to her a debt which cannot be estimated for her loyal service and wise leadership during that period. All who are in any way connected with the Hospital unite in thanking her for her work, and in wishing her health and happiness in her well-earned retirement.

Miss Grime has been succeeded by Miss M. G. Gill, who received her probationary training in the Hornsey Central Hospital, and who now returns to the Hospital from a high position at the University College Hospital. The Council desire to extend their very best wishes to her in her new and responsible position.

HORNSEY CENTRAL HOSPITAL, Park Road, Crouch End.

GRAHAM W. BURGESS, *Chartered Accountant*,
F. W. FLOWER, *Incorporated Accountant*,

14, St. Mary Axe, London, E.C.3.

9th March, 1931.

Annual Report of Medical Committee, 1930.

The usual monthly meetings were held on the first Tuesday in each month.

Dr. Fuller was elected Chairman and Dr. Victor Feldman was re-elected Secretary.

The Committee wish to express its thanks to the retiring Chairman, Dr. Girling, for his services during his year of office.

The Committee regrets to record the untimely death, after a short and painful illness, of Dr. Fuller, who had done so much for the Hospital and the profession in Hornsey, and who had always placed the welfare of his colleagues before his own. It was mainly due to his untiring efforts that this Hospital is one of the very few in England where patients can be looked after by their own doctor. The Committee wish to express its sincerest sympathy with Mrs. Fuller and her family at their great loss.

The Committee wish to express its thanks to Mrs. Fuller for the gift of a gavel in memory of her late husband, to be used by Chairmen of the Medical Committee.

Drs. Downes, French, Gregory, Girling and Feldman were elected to act on the House Committee.

Drs. G. French, Gregory and Cairns were elected on the Instrument Committee.

Dr. Mathias was re-elected Medical Officer of Staff under National Health Insurance.

A rota of surgeons and anæsthetists was elected to act, to carry out a scheme suggested by the Borough Council for the removal of enlarged tonsils and adenoids in school children. Under this scheme all children are kept in Hospital at least 24 hours.

The Committee wish to thank Drs. Girling and Mathias for organising the fruit and flower stall at the Garden Party, and also those doctors who generously contributed to the stall.

In recognition of the invaluable services of Miss Grime, the Matron, to the Hospital, the Medical Committee commemorated the occasion by placing a stone, suitably engraved, in the Nurses' Home.

The Committee wish to place on record its thanks to Miss Grime (who has given up her duties after 21 years' untiring and devoted service to the Hospital) for her help, and trusts she may enjoy many years of health during her well-earned rest.

Now that the Nurses' Home has been erected and is in occupation, a room in the Hospital has been allotted for the sole use of the Medical Staff, and also a room for visitors to patients.

The Committee note with pleasure that Dr. Monro has been elected a Member of the Borough Council, and feels that now that Dr. Brackenbury has resigned from that body the Council will still have the advice of a medical man.

The Committee wish to offer its congratulations to Dr. Brackenbury on having the Freedom of the Borough of Hornsey conferred on him.

The Committee wish to welcome the new Matron, Miss M. G. Gill, who, being a Hornsey resident, returns to the Hospital, having been first a voluntary member, and then for some time a Sister of Ward. Miss Gill comes to us from University College Hospital with the highest recommendations, and the Committee feel she will live up to the high standard set by her predecessor.

There has been a marked increase in the number of operations and admissions. The increase is mainly due to the extra amount of major work done.

(1)	Number of patients remaining on Jan. 1st, 1930	31
(2)	„ „ admitted	930
(3)	„ „ remaining Dec. 31st, 1930 ...	36
	Number of operations	818

The Committee wish to place on record its grateful thanks to the Honorary Consulting Staff and to the local practitioners who have done work gratuitously in all the departments.

The Committee also express its thanks to the Matron and Nursing Staff for their zealous and successful efforts to maintain the efficiency of the nursing during 1930.

X-RAY DEPARTMENT.

Now that the new Nurses' Home is open a second room has been placed at the disposal of this department, and the extra space thus afforded will be of great assistance in the working.

A marked increase in the work has been a feature of the year 1930.

	1930	1929
Patients	648	521
Examinations	867	641
Films	1,172	875

Miss Johnston, with Mr. Oakley's help, has again carried out the laborious job of developing the films.

U.V.R.

The work of this department has been maintained. Though the number of patients shows a decrease, the number of treatments has slightly increased.

	1930	1929
Patients from previous year	23	17
New patients	80	162
Treatments	1,285	1,254

There are now seven ladies who give their valuable assistance in the working of this department, and their kind help is much appreciated.

The Committee wish to place on record its appreciation and thanks to the Honorary Radiologist, for his work in the X-ray Department, and also for the excellent way he has carried out his work as Medical Officer in charge of the U.V.R. department.

MESSAGE DEPARTMENT.

There has been a large increase in the work done in this department.

	1930	1929
Patients from previous year	34	27
New patients	266	211
Total	300	238
Treatments	4,900	3,927

The opening of the new Nurses' Home has allowed the hut in which nurses used to sleep to be allotted to the Massage and U.V.R. Clinics. This will afford greatly improved accommodation for both departments, and will be a great help in carrying on the work.

The Committee wish to thank most heartily Miss Hearle and Mrs. Daffarn for the excellent work they have done in the Massage Department.

Dr. G. FRENCH (*Chairman*).

Dr. V. FELDMAN (*Secretary*).

Ladies' Visiting Committee Report, 1930.

THE COMMITTEE, with Mrs. Vezey, J.P., as President, have had a very busy year visiting and reporting on the general wards, as well as organising their usual activities, such as

PENCE DAY, which, although not being up to previous years, was infinitely better than last year, realising £99 16s. 3d., which is a great help in supplying bed linen, etc., for the Hospital. Then on July 10th,

THE GARDEN FETE, which, through the kindly interest of Drs. Gregory and Allen, Miss Ivy Tresmand was asked to come and open. Fortunately the day was fine, and the lawn soon filled with visitors. Mr. Gray Buchanan introduced Miss Tresmand,

who made a very nice speech, followed by one from the Mayor. After which two small "Rosebuds" presented bouquets to Miss Tresmand and the Mayoress. The fête being declared open, everyone wended their way to the different stalls and sideshows, under the supervision of the Committee and friends, with the exception of the very attractive Fruit and Flower Stall, kindly given and undertaken by "the Doctors," to whom we should like to put on record our thorough appreciation of their support in again helping us so greatly by contributing over £32 to the day's total. We should like to express many thanks to Miss Digby and her pupils for the very delightful dancing display they gave on the lawn, and for which they afterwards collected over £4 10s.0d., and our very grateful thanks are also extended to all those who helped us to realise over £200—thus enabling us to give £105 for the upkeep of the L.V.C. Bed and £50 to furnish two rooms in the Nurses' Home.

THE BIRTHDAY BOOK has now reached £4 12s. 6d. by 1s. annual subscriptions. The Samaritan Fund, for patients needing after-care as well as enabling their being sent to Convalescent Homes, has still Miss Johnston as its very able Treasurer, who will be very pleased to receive either subscriptions or donations to the above fund.

MRS. STIFF is again to be thanked for organising the Borough of Hornsey for Alexandra Day, as also the other members of the Committee who were depôt holders.

THE NEEDLEWORK GUILD, which has quite a big membership, meets every second and fourth Tuesday, now has a very comfortable room to work in, and one that can also be used for social purposes to help in raising money for the different funds of the hospital.

N. ROWLINSON,
Hon. Sec. Ladies' Visiting Committee.

Statistical Tables.

Statistics for Year to 31st December, 1930.
Compared with those of the previous Year.

1. IN-PATIENTS.

(A). Number of Beds and In-Patients.

		Numbers in 1930.	Numbers in previous year.
1. BEDS:	(a) Complement at 31st Dec.	48	48
These figures to be based on the daily count.	(b) Average Daily Complement during the year ...	48	48
	(c) Average Daily Number Closed during the year, owing to:—	—	—
	(i) Rebuilding or Extension Schemes	—	—
	(ii) Repairs, Redecoration, Cleaning or Infection64	—
	(iii) Other causes (to be specified)	—	—
	(d) Average Daily Number Open during the year ...	47.36	48
	(e) Average Daily Number Occupied during the year ...	37.79	35.52
2.	Number of In-Patients in the Hospital at beginning of year ...	31	35
3.	“ “ “ admitted during year... ..	980	867
4.	“ “ “ in the Hospital at the end of the year ...	36	31
5.	Average number of days each Patient was resident <small>(Ascertained by dividing the yearly total of daily counts, viz.:—13,793, by the number of Patients treated to a conclusion, i.e., (2 + (3) — (4)).</small>	14.92	14.95
6.	Number of Patients admitted and discharged during the year who were resident for:—		
	(i) only 1 day	157	185
	(ii) 2 and 3 days	119	101

(B). Annual Expenditure on In-Patients apart from that on Out-Patients. Average Cost of each In-Patient per week; and Average Cost of each In-Patient.

	1930.						Previous year.						
	Expenditure on In-Patients (Pounds only).	Average cost of each In-Patient per week.			Average Total Cost of each In-Patient.			Average cost of each In-Patient per week.			Average Total Cost of each In-Patient.

BOX COLLECTIONS.

The Box Collections must naturally vary with the times, and therefore do not show any increase, as people are not so free with their pence as they would be in prosperous years. The Council desire to thank all those who have helped by taking charge of boxes, and especially Mrs. Lyon, Mr. Farr, Mrs. Maley, Mrs. Herzet and Mr. Simpson for their very kind assistance, and Mr. Fred Moore for using his car for our benefit.

Cllr. A. J. BLAKE,
Hon. Box Sec.

PROPAGANDA COMMITTEE.

Propaganda can go on at any time of the day when opportunity occurs by pushing the many ways and means of helping our Hospital amongst our friends. If anybody wants a few hints as to the way to go about it, apply to

Cllr. A. J. BLAKE,
Hon. Propaganda Sec.

TIN FOIL.

Very many thanks to all who have sent in the above. It costs a little effort to collect, but every bit helps.

*** AGREEMENT TO CONTRIBUTE TO
THE HORNSEY CENTRAL HOSPITAL,
LONDON, N.8.**

I

of

Hereby covenant with the *HORNSEY CENTRAL HOSPITAL,*

London, N.8, that for a period of seven years from the.....

*day of, 19....., or during my life, whichever
period shall be shorter, I will pay annually to the said Hospital
such a sum as will, after the deduction of Income Tax, leave in*

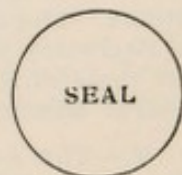

*the hands of the Hospital a net sum of such
sum to be paid from my general fund of Taxed Income, so that I
shall receive no personal or private benefit in either of the said
periods from the said sum or any part thereof.*

In witness whereof I have hereunto set my hand and

seal this day of, 19...

Signed, sealed and delivered by the said

.....

Signature

Address

Occupation

*** This form if signed and returned to the Hon. Secretary enables the
! Hospital to claim return of Income Tax on amount of Subscription.**

THE RULES

OF THE

HORNSEY CENTRAL HOSPITAL.

INSTITUTION.

I.—The Hospital shall be called "THE HORNSEY CENTRAL HOSPITAL."

II.—The Hospital is intended for the treatment of persons residing in the Borough of Hornsey suffering from non-infectious diseases, who are unable to obtain adequate treatment in their own homes and for persons suffering from accidents or sudden illness; but no case of midwifery, epilepsy, or advanced pulmonary, mental or incurable disease shall be admitted. The Council hereinafter mentioned shall have the power of receiving patients for whose maintenance special payment shall be made, and it is understood that the Medical Men in attendance on such Patients may charge medical fees. There shall be no Out-patients' Department, except that provision may be made for the treatment of emergency cases where the Patients are not detained as In-patients, and for certain special treatments.

III.—The funds of the Hospital may be provided by voluntary contributions and grants, by bequests, and by payments of Patients, their friends, or employers.

GOVERNMENT.

IV.—The management of the Hospital shall be vested in a Council consisting of ex-officio, elected and nominated Members. The President, Life Governors, Vice-Presidents, Trustees, and Honorary Officers shall be ex-officio Members. The number of elected and nominated Members shall be in the proportion of one such Member (whether elected or nominated) for every full sum of £25 of income received for the Hospital during the year ending on the 31st day of December next preceding the Annual General Meeting of Subscribers. The names of nominated Members (see Rule vii.) must be received by the Secretary prior to the said meeting, or the right of nomination shall lapse. The remaining Members of the Council shall be elected at the said Annual General Meeting of Subscribers.

V.—The Annual General Meeting of Subscribers shall be held not later than the month of May in each year, at such time and place as the Council shall determine. At this Meeting a Report and Statement of Accounts for the year ending on the next preceding 31st day of December, duly audited, shall be presented by the Council; the President, Vice-Presidents, Council, Ladies' Visiting Committee, two Auditors and Officers other than the Medical Staff, shall be nominated, appointed and elected for the ensuing year. The nomination of Life Governors qualified during the year shall be confirmed, and subject to Rule xxxvii., alterations in the Rules may be made, and such other business transacted as may be regularly brought forward.

VI.—Each Subscriber of half-a-guinea and upwards, which may be subscribed during the year ending on the next preceding 31st day of December, each ex-officio Member of the Council, and each Medical Practitioner who has gratuitously attended Patients in the Hospital during such year, shall be entitled to a vote at every Meeting of Subscribers held during the current year; and a donor of Ten Guineas and upwards shall be entitled to a vote at each Meeting of Subscribers held in his lifetime, provided that no person shall be entitled to more than one vote at any one time of voting.

VII.—A contribution of Twenty-five Guineas in one year by an individual, or Fifty Guineas in two years by a Church, Club, Society, public or private institution or body, shall entitle the donors to nominate a Life Governorship, with a vote at any General Meeting of Subscribers held during the life of the nominee. A contribution amounting to less than £25 in any one year towards the funds of the Hospital from a Church or Congregation, Club, Society, public or private institution or body, or persons holding Bazaars, Entertainments, and the like, shall entitle the contributing Church or Congregation, Club, Society, Institution, body or persons to the appointment of one representative Voter for each full sum of £5 so contributed to attend and vote at any General Meeting of Subscribers convened during the year next succeeding the 31st day of December following the date of acknowledgment on behalf of the Hospital of the receipt of the money. The authorisation of the Representative Voter must be in writing and to the satisfaction of the Chairman of any such Meeting; and otherwise the person to whom the receipt shall have been issued shall alone be admitted to vote. A similar contribution amounting to £10 and upwards in any one year shall entitle the contributing Church or Congregation, Club, Society, Institution, body or persons to nominate one Member of the Council at the next Annual General Meeting of Subscribers for every full sum of £10 so contributed, and such nominated Member shall hold office until the next succeeding Annual General Meeting of Subscribers. Provided that no such contribution shall entitle the contributing Church or Congregation, Club, Society, Institution, body or persons to appoint a Representative Voter or Voters in addition to nominating a Member or Members of the Council.

VIII.—A Vice-President shall be a Subscriber of not less than £10 10s. a year, and an elected Member of the Council of not less than £1 1s. a year towards the funds of the Hospital.

IX.—There shall be not fewer than three Trustees, in whom all the property of the Hospital shall be vested upon trust for the sole benefit of the Hospital, to be dealt with in such manner as the Council may from time to time direct, provided that the Hospital buildings and premises shall be held and dealt with from time to time in accordance with the provisions in that behalf contained in the Trust Deed comprising the premises. Should a Trustee die, resign, become incapable of acting, or be unwilling to act, a fit and proper person shall be nominated at the Annual General Meeting or at a Special General Meeting of Subscribers, and the surviving or continuing Trustee or Trustees shall thereupon appoint the person so nominated a new Trustee of the Hospital.

X.—Such funds of the Hospital as are not required for current purposes may be temporarily placed on deposit with the Bankers appointed by the Council. The Council may from time to time direct the investment of such funds in the names of the Trustees in such securities as Trustees are by law permitted to invest in, and may from time to time direct the Trustees to vary such investments into or for others of a like nature. An absolute majority of the Members of the Council may from time to time direct the Trustees to sell all or any part of the investments for the time being and to apply the proceeds of sale in such manner as such majority shall by resolution direct, conformably with the purposes of and for the benefit of the Hospital.

XI.—The Council shall meet at least three times a year. Seven Members shall form a quorum.

XII.—On a vacancy occurring on the Council or the House Committee, or among the Officers of the Hospital, from death, resignation or otherwise, the Council shall have power to fill it up.

XIII.—Any Official, Honorary or otherwise, may, after due inquiry, be removed by the Council for any conduct which the Council may in their absolute discretion consider detrimental to the interests or welfare of the Hospital.

XIV.—The Council may at any time and on a requisition signed by not fewer than ten Subscribers entitled to vote (stating the objects of the Meeting) call a Special General Meeting of Subscribers. The notice calling such Meeting shall state the business to be transacted at that Meeting.

XV.—Not less than seven days' notice shall be given of every Annual General or Special General Meeting of Subscribers, in such manner as the Council shall determine.

XVI.—All questions and matters except in the case of alterations of these Rules brought before any meeting of Subscribers shall be decided by a show of hands of persons entitled to vote; or, except in the case of alteration of these Rules, if the Chairman of the Meeting so direct, by a poll to be taken on such subsequent day and at such place, and in such manner (including voting by proxy, appointed in writing), as he may think fit. The Chairman shall, in the case of an equality of votes, have a second or casting vote.

XVII.—The internal administration and control of the Hospital shall be delegated to a House Committee, consisting of the President, the Chairman of the Council, the Treasurer, the Secretary, six Members of the Medical Committee, and nine other Members, not Medical Practitioners, annually appointed by the Council out of their own number.

XVIII.—The House Committee, three Members of whom shall form a quorum, shall meet at least once in every month at the Hospital or elsewhere, as they may decide, in order to check receipts and expenditure, authorise payments of accounts, inspect the Matron's diary and medical returns of cases, settle fees to be paid, and deal generally with all routine business. Minutes of the proceedings shall be kept by the Secretary.

XIX.—A Visiting Committee, consisting of Ladies, shall be appointed at each Annual General Meeting, with power to add both active and honorary Members to their number, active Members at no time to exceed twelve. The Members of such Committee shall from time to time visit the patients and inspect the Hospital.

XX.—No Member of the Council or Officer of the Hospital shall at any time be personally liable for any obligations contracted in the name of the Hospital, and the funds of the Hospital shall alone be liable for such obligations.

MEDICAL.

XXI.—Any legally qualified and registered Medical Practitioner resident or practising in the Borough of Hornsey may recommend any suitable case for admission to the Hospital, provided his recommendation be countersigned on the prescribed form in accordance with Rule xxviii. Any such Medical Practitioner shall also (subject to any regulations made by the Council) have the opportunity of visiting and attending any patient admitted on his recommendation.

XXII.—The Council shall accept the services of any legally qualified Medical Practitioner who will render first aid to any patient brought to the Hospital.

XXIII.—The Medical Staff shall consist of Consulting Physicians and Consulting Surgeons, to be appointed for five years by the Council after consultation with the Medical Committee, and to be eligible for re-appointment, and of other Medical Officers willing to give their services gratuitously. Each Medical Officer shall be a legally qualified and registered Medical Practitioner resident or practising in the Borough of Hornsey.

XXIV.—There shall be a Medical Committee consisting of not less than ten, or more than fifteen, Medical Practitioners, elected annually in December from among their own number by the legally qualified and Registered Medical Practitioners resident and practising in the Borough of Hornsey, subject to approval by the Council. The Medical Committee shall formulate Rules for regulating their own Department, but such Rules shall not be contrary in their operation to any of these Rules. They shall prepare a rota of Medical Practitioners who will be prepared to give their services in cases of accident and sudden emergency and to take charge of patients admitted to the Hospital who have not previously been under their medical care. The Medical Committee shall report monthly to the House Committee the number and condition of the patients, and as to other matters in connection with the Medical Department.

TREASURER.

XXV.—The Treasurer shall give authorised receipts for all moneys received on behalf of the Hospital, and shall lodge all such moneys with the Bankers appointed by the Council. All payments exceeding £2 shall be paid by cheque on the Bankers, drawn by order of the House Committee or the Council, signed by the Treasurer, and countersigned by the Secretary.

XXVI.—The Treasurer shall keep a true account of all receipts and payments, and shall produce such account at each Meeting of the Council. At each Meeting of the House Committee he shall produce the cash-book showing receipts and expenditure under the different headings recommended by King Edward's Hospital Fund for London. At the end of each financial year he shall prepare a full and complete statement of the income and expenditure, to be submitted to the Auditors, together with the names and addresses of the Donors, Contributors and Subscribers, and the amounts of their Contributions, and showing those who are entitled to vote as Subscribers or Life-Voters.

SECRETARY.

XXVII.—The Secretary shall issue the necessary notices convening all Annual General and Special General Meetings of Subscribers, and Meetings of the Council and House Committee, and shall keep a record of the business transacted thereat. He shall countersign all cheques for duly authorised payments, attend to the correspondence appertaining to his department, issue letters of recommendation, and generally further the interests of the Hospital. The Council may at any time, if they think fit, appoint a salaried Secretary or a salaried Assistant Secretary.

PATIENTS.

XXVIII.—With the exception of cases of recent accident or sudden emergency, which may be admitted on application, no case shall be admitted to the Hospital except on the written recommendation of a duly qualified and registered Medical Practitioner, resident or practising in the Borough of Hornsey, countersigned by a person entitled to do so under Rule xxix., but the counter-signature may be obtained at any time within thirty-six hours. Whenever practicable, security from some substantial person for payment of the expenses of burial or removal of a patient shall be taken.

XXIX.—For each £1 1s. 0d. subscribed or contributed, the Subscriber, or a Representative Voter or nominated Member of the Council under Rule vii., shall be entitled to a Letter of Recommendation, available for one year from the date of issue, for use in favour of any admissible patient. A Donor of ten guineas in one sum shall be entitled for life to recommend one such patient annually. Any Subscriber of £25 or upwards shall be entitled, during not more than one year from the date of the acknowledgment of the receipt of his subscription, to the use of a bed in the general wards free of charge, for any such patient recommended by him, subject to the approval of the House Committee. In the event of no bed being immediately available, notice of the first vacancy shall be given to him by the Matron.

XXX.—Each patient or his guarantor shall pay such weekly contribution as the House Committee may fix, but the Committee shall have power to remit, at their discretion, the whole or any part of such payment.

XXXI.—Except in cases of emergency every patient shall come provided with proper clothing and a change of linen.

XXXII.—All patients shall be discharged at the end of one month after admission, unless the Medical Committee or Practitioner in charge of the case certify to the House Committee that there is a probability of cure or considerable relief resulting from further treatment. No patient shall remain in the Hospital for more than two months without the special leave of the House Committee.

XXXIII.—Friends of patients may be admitted on such days and at such times as the House Committee shall appoint.

XXXIV.—Subject to such regulations as the Council may make, patients may be visited by any Clergyman or Minister whom they may desire to see.

NURSING STAFF.

XXXV.—The Matron and such nurses as may be required shall be appointed by the House Committee, acting after consultation with the Medical Committee.

XXXVI.—The salary of the Matron shall be fixed by the Council. The salaries of Assistant Nurses, Servants, and others shall be fixed by the House Committee.

ALTERATION OF RULES.

XXXVII.—No rule shall be altered, nor any new rule made, except at an Annual or Special General Meeting of Subscribers, and except by a majority of two-thirds of those present and voting on the question; and no motion for a new rule, or alteration of an existing rule, shall be brought forward at such Meeting unless notice thereof, in writing, shall have been delivered to the Council or Secretary at least fourteen clear days previous to the holding of the Meeting. The Secretary shall give due notice of any such motion to all Subscribers entitled to vote.

Record of Growth in 21 Years.

Year.	No. of Beds.	Admissions.	Operations.	Year.	No. of Beds.	Admissions.	Operations.
1910	18	217	142	1921	36	566	492

1920	31	453	386				

N.B.—It is suggested that Subscribers should preferably adopt this Bank Order for their Annual Subscriptions, as it avoids all future trouble in paying the amounts, saves the expense of collecting, secures safe transmission, and is absolutely useless except to the Hospital. Bankers will, according to custom, pay the amount direct to the Hospital bankers.
