REPORT FOR 1938.

In presenting my first Report as Chairman of the Hospital I must first of all refer to the great loss the Hospital has sustained in the death during the past year of the Rev. E. D. L. Harvey, who has been connected with the Hospital for so many years. Mr. Harvey was one of the Founders of the Hospital, was President for several years and was Chairman at the time of his death. Mr. Harvey's name will for all time be gratefully remembered in the Hospital for his long and devoted service to its interests.

I have accepted the Chairmanship, thus vacant, in an effort to try to carry on the work that Mr. Harvey has done and with a sincere desire on my part to make a contribution of real help to the Hospital.

The past year may be described as a very busy one. 590 patients were admitted and 186 accidents were attended to. As will be seen from the statistics, given in subsequent pages of this Report, the patients admitted come from a very wide range in our surrounding district.

Subscriptions received amount to £618 14s. 6d. Donations, £260 13s. 10d. Amounts received as Patients' Fees, £1,362 19s. 5d. The Contributory Scheme has provided the Hospital with the sum of £1,162 12s. 0d. during the past year.

It will be noted that there is a falling-off in receipts to the Hospital. While one recognises the exceptional circumstances of the time and the many demands that are made upon all of us, yet I feel that we would all regret the falling away of income in this case, because it must eventually affect the volume of work and the efficiency of the Hospital generally.

During the present year extra money will be required to carry out several much needed improvements in the Hospital. The Committee have under consideration more than one scheme which, if it is only possible for us to put them into practice, would considerably extend the help that the Hospital is now able to provide. A Sub-Committee has been appointed to thoroughly investigate the whole question of the Nursing and the Nursing Staff. This matter is of the greatest importance to the future of the Hospital

and it may well become necessary, not only to increase the number of trained Nurses in order to cope with the extending work in the Hospital, but also to make the conditions of their service more equitable and the accommodation which they occupy more adequate and comfortable.

I wish to thank the Committee responsible for the Contributory Scheme for their support of the Hospital, and to express the hope that we may rely on their co-operation in an increasing measure in the future. We are also grateful to them for their gifts of a new Wireless Set and an electrically-heated Food Trolley.

I also wish to express my appreciation of the work carried out during the past year by the Ladies' Committee, especially in connection with the Linen Guild.

I also wish to express our gratitude to all those who helped the Hospital on Pound Day by their many gifts in kind which were of the greatest use. All this has helped considerably in keeping the running household expenses of the Hospital down, and has also assisted in keeping at a fairly low level the "cost per patient."

In the Emergency Preparations and Precautions which the country is now called upon to provide, the Hospital must be prepared to bear its part, and the Committee wish the Hospital to be so equipped as to be prepared and ready to give their particular help and service in any measures that a National Emergency may call for.

To the Honorary Medical Staff and to the Nursing Staff we tender our sincere thanks for all that they have done in the Hospital during the past year.

Several of the matters outlined above will call for further expenditure of money, and I make a sincere appeal to all friends of the Hospital throughout our district to support us financially to the utmost of their power, *as we shall badly need such help.*

On behalf of the Committee,

E. T. NEATHERCOAT,

Chairman.

REPORT OF LADIES' COMMITTEE.

Chairman: Mrs. MALCOLM CUMMING.

Vice-Chairman: Mrs. E. D. L. HARVEY.

Lady ARCHER,
Mrs. ASSHETON BIDDULPH,
Mrs. CHILDS,
Lady HURST,
Lady FORBES ADAM,

Mrs. ABBEY,
Mrs. GORDON KING,
Mrs. SNELLING,
Mrs. SWATTON.

Hon. Secretary: Miss ALLCARD.

Hon. Treasurer and Hon. Secretary of Linen Guild: Miss ALDERSMITH.

The Ladies' Committee has nothing special to report on the year's doings. The members have carried on the same work as in the past, i.e.—

The Linen Guild, which keeps the Hospital well supplied with necessities, the most noticeable this year being all the new quilts;

The egg collection, which in 1938 brought in over 5,000 eggs;

The Pound Day, when quantities collected surpassed former years.

The ladies have visited patients, and their visits appear to be welcome.

We much regret the resignation of Mrs. Harvey, having left the district; she was, I believe, one of the original members. We gladly welcome Lady Forbes Adam to fill the vacancy.

MARY CUMMING.

LINEN GUILD.—Statement of Accounts for 1938.
