# SEVENTY-FIRST ANNUAL REPORT

Year ending 31st December, 1934.

The Management Committee have pleasure on submitting the Seventy-first Annual Report and Financial Statement for the Year ending 31st December, 1934.

## Service.

The number of In-patients treated to a conclusion during the year was 2,941 as compared with 3,116 in 1933, a decrease of 175. The decrease is due to the large number of Medical cases treated which necessitated longer residence in Hospital. Fewer tonsils and adenoids patients were treated as compared with the previous year.

The daily average number of patients resident was 164·46 against 161·18 last year; the average stay of each In-patient was 19·58 against 18·88 in 1933.

The number of Out-patients treated during the year was 13,954, of this number casualties accounted for 5,348.

The total number of Out-patient attendances was 54,559. Comparison figures with 1932 and 1933 will be found on page 19.

## Income and Expenditure.

Income for the year amounted to £20,217 9s. 3d. Expenditure amounted to £22,782 9s. 3d., an increase of £695 13s. 11d. over last year. Much of this increase was due to items which will not recur. Increases in expenditure are recorded under the headings of Surgery and Dispensary (Instruments and Appliances), Domestic expenses (Furniture, Fuel and Lighting, Salaries and Wages (additional staff required).

The ordinary expenditure of the Hospital may be reasonably expected to show a slight increase, but it must be remembered that the Hospital has considerably enlarged its scope of useful and necessary medical and surgical service to the general public. The necessity for the continuance of support by Subscriptions and Donations is still as urgent as it has ever been.

Legacies received during the year are as follows:—

					£	s.	d.

W. Helmsley	...	...	...	...	100	0	0

### **Vacation of Old Hospital.**

The old Hospital in Greenbank Road—sold to the Darlington Corporation—was vacated during the year.

### **Completion of New Buildings, etc.**

The new Hospital is now a complete working unit. It is of interest to note that the Out-patient Department, Nurses' Homes and Laundry have been completed and brought into service.

The Out-patient Department has been equipped with a modern X-ray apparatus. For this necessary and excellent addition to the equipment of the Hospital the thanks of the Committee are tendered to the L.N.E. Railwaymen's Carnival Committee, and to Mrs. Lupton Topham Topham, of Middleham, who made a donation of £200 towards this object, for the funds necessary to provide the installation.

The Laundry is a commodious building and fitted with modern machinery.

The Nurses' Homes have supplied a long-felt need. The whole of the Staff—Nursing and Domestic—are now under one roof, and living under ideal conditions.

A Refrigerator has also been installed in the Hospital during the year; a very necessary addition to the equipment.

### **Changes in Staff.**

The Committee have to report the resignation of Mr. H. C. Pearson as Honorary Surgeon, an office held by him since 1901, and this opportunity is taken of expressing appreciation of the valuable and self-sacrificing work performed by Mr. Pearson throughout this long period, a service rendered ungrudgingly to the Hospital and its patients. Mr. Pearson has been appointed Hon. Consulting Surgeon, and retains the office of Orthopædic Surgeon.

### **Appointments.**

Dr. G. F. Walker, M.D., M.R.C.P. (Lond.) has been appointed Honorary Physician, and Dr. W. Hogg, M.B., Ch.B., as Assistant Honorary Physician.

Dr. David W. Dawson, M.B., Ch.B., has been appointed Honorary Anæsthetist.

### **Chairman of Committee.**

Owing to pressure of business Mr. R. J. Mounsey, J.P., has been compelled to resign the Chairmanship of the Committee. Mr. Mounsey has given years of devoted service to the Institution, first as Hon. Treasurer, and later as Chairman. It is very pleasing to report that he continues as a member of the Committee to give the Hospital the benefit of his wide experience.

The Hospital is fortunate in securing the services of Mr. A. C. Stamer, C.B.E., of Faverdale Hall, as successor to Mr. Mounsey. Mr. Stamer is accustomed to deal with big issues, has always been keenly interested in the Institution, and the Committee are confident that under his influence and direction the Hospital will continue to prosper and render the same efficient service in the future as it has done in the past.

### **Children's Convalescent Home.**

Mention must be made in this Report of the Children's Convalescent Home at Wycliffe-on-Tees, provided and financed by Mr. C. U. Peat, M.P., for the benefit of children who have received treatment in the Hospital, and who on the recommendation of the Honorary Staff would benefit by a period of convalescence in the country.

The thanks of the Committee and general public are due to Mr. Peat for his generosity in placing the Home at the disposal of the Hospital.

### **Contributory Scheme.**

Reference was made in the Report of 1933 to the adoption of a Contributory Scheme by which it was hoped to stabilise and augment the income by means of small regular contributions from those who are likely to need the services of the Hospital.

This Scheme was duly launched in the year under review, and was extremely well received in town and country alike. The results to date fully justify the optimism of the Committee, and there is every indication of steady development.

### **Obituary.**

It is with profound regret the Committee report the death of Mrs. Lupton Topham Topham, of Middleham, which occurred since the close of the year. Mrs. Topham took a very deep interest in our work, and in her declining years found pleasure in visiting the Institution. She will always be remembered for her cheery words and happy smile by all who met her, and for her generous financial support of the Institution.

It is also with deep regret that we report the great loss sustained by the Hospital in the passing of Lady Havelock-Allan, O.B.E. Lady Havelock-Allan represented the British Red Cross Society on the Management Committee for many years, and always took a very active interest in its work.

### **Gifts and Donations.**

The Committee, in conclusion, wish to convey their best thanks to the officers and members of the Linen League for their continued valuable assistance in the equipment of bedding, etc., etc., which add greatly to the comfort of the patients.

Thanks are also tendered to many kind friends and donors to the Hospital who have generously contributed to the funds during the year. In this connection the Committee includes Hospital Committees in the outlying area, in all works and places of business, to employers of labour for co-operation and assistance in collecting employees weekly contributions under the Contributory Scheme, all who have contributed in kind, in fact to all who have ministered to the needs of the Hospital.

The Committee are pleased to acknowledge the services of the Press in publishing matters of interest in connection with the Hospital.

A Legacy or Donation of £1,000 endows a bed in perpetuity.

A Legacy or Donation of £500 endows a Cot in perpetuity.
