Mansfield and District Hospital.

TO THE GOVERNORS, SUBSCRIBERS, AND FRIENDS
OF THE HOSPITAL.

Ladies and Gentlemen,

The Board of Management have pleasure in presenting their Annual Report.

BALANCE.

The year commenced with a balance in the hands of the Treasurer of £1,869 3s. 10d., which was increased during the year to £2,547 16s. 3d.

RECEIPTS.

Many of the items in the receipts show a satisfactory increase, notably Annual Subscriptions £64 and Hospital Saturday Fund £351. Considering the great decrease in the number of miners employed in the area of the Hospital the contributions from the Workmen is highly satisfactory, and the contributions from the Owners also show a favourable increase. The contribution from the Intake Trust, which is shown separately in the accounts, is greatly in advance of previous years. A Legacy of £590 14s. 7d. was received from the Executor of the late Miss Holmes, and this sum, together with £9 5s. 5d. from the General Account (to make up £600), has been invested in Mansfield Corporation Mortgage.

The excess of receipts over expenditure is £678 12s. 5d., which, taking the whole of the circumstances into consideration, must be looked upon as satisfactory.

EXPENDITURE.

During the year, there have been several items of exceptional expenditure, including a Hard Tennis Court, Portable X-Ray Apparatus, Kitchen Boilers, the fitting up of Telephones to St. Leonards and Kingston, and these, together with the increase of 155 in the number of patients dealt with during the year, with 1,775 more days, largely account for the increase in the expenditure, but it is pleasing to note that the general items do not show an increase beyond what may reasonably be expected, taking those various circumstances into consideration. The total cost per occupied bed on ordinary expenditure was £163.

LAUNDRY.

The new Laundry which is being erected on the site of the Isolation Block is nearly completed, and it is hoped to have the same working early in the New Year.

WARD VERANDAHS.

The Verandah to the Accident Ward has been completed and is greatly appreciated by the patients.

HARD TENNIS COURT.

A Hard Tennis Court has been provided for the use of the Staff on part of the land in Ashfield Avenue at a cost of £192.

SCIALYTIC LIGHT FOR THE OPERATING THEATRE.

An improvement has been made in the lighting of the Operating theatre by the fixing of a Scialytic Light at a cost of £74, and the same is proving satisfactory.

K.E. III. VERANDAH.

It was decided to enclose the Verandah to K.E. III. Ward similarly to those of the other Wards, and the Architect has been instructed to obtain tenders for carrying out the work.

PURCHASE OF HOUSE, WEST HILL DRIVE.

The purchase of St. Leonards, No. 14, West Hill Drive, for providing accommodation for the Nurses, was carried out, and it is expected that this House, together with the two in Ashfield Avenue purchased last year, will obviate the necessity of making any extension of the Nurses' Home.

HONORARY STAFF.

The Board desire to express their thanks to the members of the Honorary Staff for the great amount of valuable work done by them in the Hospital during the year.

ANNUAL SERVICE.

Following the precedent set last year, the President arranged for the holding of two services. One of the Services was held in the Bridge Street Wesleyan Church on Sunday, the 7th October, at which the preacher was the Rev. A. R. Henderson, M.A., D.D., and the other in the Parish Church, on Wednesday, the 3rd October, the preacher on this occasion being the Ven. W. J. Conybeare, M.A. Both the services were well attended, and the gross collections amounted to £97 14s. 7d.

ENDOWMENT ACCOUNT.

The Endowment Account now stands at the sum of £7,733 4s. 10d.

LINEN GUILD.

The Linen Guild has again been very successful; 266 articles and the sum of £345 were collected. As a result of the work of the Guild 239 articles were made from Guild funds, and 36 pairs of blankets, 45 quilts, and 855 articles were bought, including sundry sheets, towels, pillow cases, etc. This means a very considerable saving to the funds of the Hospital. In addition, a further sum of £100 has been set aside for the purchase of Linen, &c., for the new Wards.

X-RAY APPARATUS.

The work in this Department continues to be very extensive, 3,164 cases having been dealt with during the year, entailing the use of 6,204 films. The apparatus continues to give every satisfaction, and an increasing number of patients are receiving treatment for various medical conditions. In addition to the large apparatus a portable plant has been installed, which enables radiograms to be taken in the Wards, thus saving pain and inconvenience to the patients.

SUN-RAY.

The Sun-Ray Apparatus is in constant use, and 7,645 treatments have been given with considerable benefit to the patients, who are mostly children.

ELECTRICAL DEPARTMENT.

This Department continues its usefulness. During the year 1,210 patients have been treated, 554 of whom were discharged cured, 385 relieved, 48 remained in *statu quo*, and 223 were still receiving treatment at the end of the year. The number of attendances was 21,478, and the treatments were divided as follows :—Massage, 16,282; Electric, 12,588.

EGG DAY.

The Annual Egg Day resulted in 16,656 eggs being collected.

THANKS.

The Board desire to express their thanks to all those who have by their gifts and in other ways assisted in carrying on the work of the Hospital, and especially to His Grace the Duke of Portland for his continued support.

PATIENTS.

The average daily number of patients during the year was 97·8.

The average duration of each patient in the Hospital was 18·7 days.

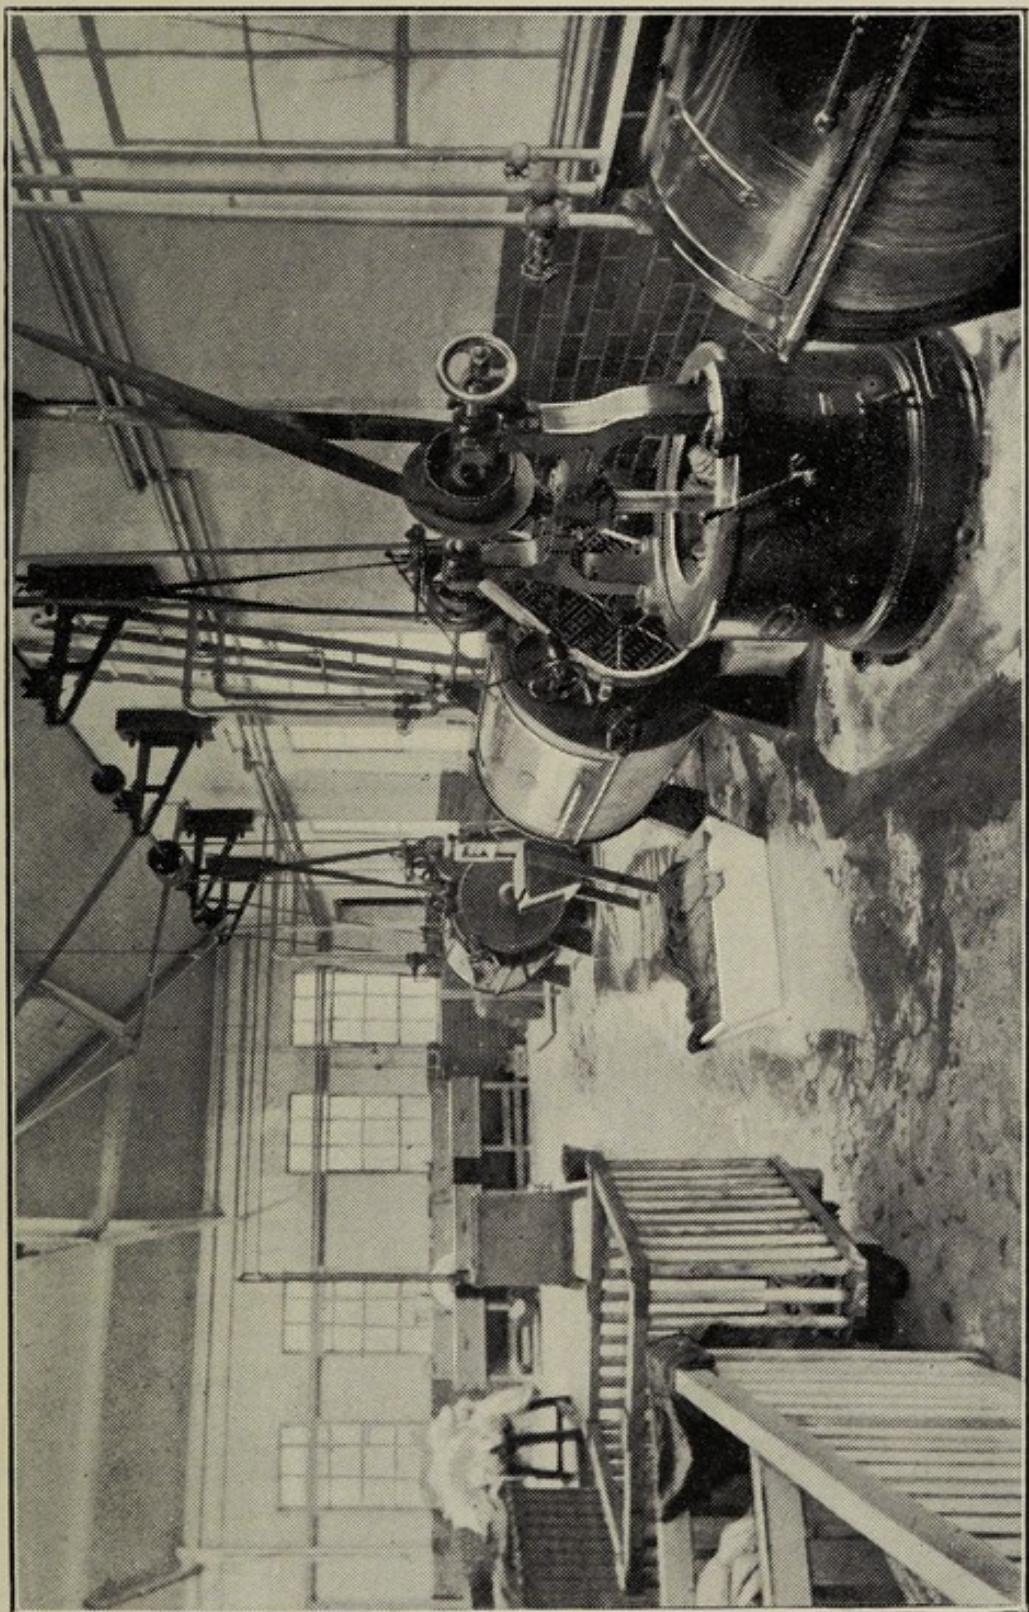

The number of Patients admitted to the Hospital has been 1,916—35,814 days.

A. L. JOHNSTON,

House Surgeon.

Report of the Ophthalmic Department.

The work of the Ophthalmic Department has been carried on throughout 1928 by the weekly attendance on Wednesdays at 9 a.m. 513 new cases have been dealt with, and a total of 1,360 attendances.

Many of the more serious cases have been taken in to the Nottingham Eye Infirmary under my care.

The work is steadily increasing, which shews how the Department is appreciated.

A. CHRISTIE REID, M.D.,

D.O. (Oxon.).

CHILDREN'S WARD.

" It is impossible nowadays for any person to argue any longer, as has been so frequently argued in the past, viz. :—That the Voluntary Hospital System is justified and should be maintained, because under this System a vast amount of sickness and suffering is cured and relieved, at little or no cost to the Public Purse. I think it should rather be argued that the strength of the Voluntary Hospital System and the real justification for its continuance, should be based upon the fact that this immense volume of work is carried out *more efficiently and more economically* than it can be by any other known method or system."
