APOLOGIES FOR ABSENCE

Apologies for absence were received from Mr. G. B. Chadd, Mr. P. Canova, Mr. G. N. Cooper, Rev. Canon H. J. Enraght, M.A., Mr. J. Oldrin, Mrs. Oldrin, Miss Oldrin, and Mrs. J. M. Taylor.

MINUTES

The Minutes of the last Meeting, having been read and confirmed, were signed by the Chairman.

FINANCIAL STATEMENT

Mr. A. W. Youngman presented the Financial Statement of Income and Expenditure for the half-year ended 31st March, 1933.

Moved by Mr. A. W. Youngman, seconded by Mr. C. W. Dance, and resolved that the Financial Statement be approved and adopted.

REPORT OF THE MANAGEMENT COMMITTEE

Mr. A. E. Tuttle presented the Report of the Management Committee as follows:—

The financial position of the Hospital at 31st March was more satisfactory than a year ago—the gross ordinary income for the half-year being £5,090 18s. 8d. as compared with £4,932 1s. 3d. last year.

Annual Subscriptions show an increase of £7, but receipts from Private Ward Patients show a decrease of £40.

The Contributory Scheme maintains continued progress. The total sum received being £2,395 17s. 2d. as compared with £2,349 19s. 6d. last year. The receipts from Entertainments also show a welcome increase of £33. The sum of £94 1s. 0d. has been received in respect of ordinary and complicated Maternity Cases, and it is satisfactory to note that the new facilities for ordinary Maternity Cases are already being appreciated.

£85 was received from the Stock Exchange Dramatic and Operatic Society. This represented the Hospital's share of participation in the sale of the Society's "Help Yourself" Annuals and while this is £55 less than last year, the decline in receipts is due to the increase in the number of Charitable Organizations who are now undertaking sales and the greater difficulty which is experienced in disposing of the Books. It is hoped that the indefatigable efforts of Dr. Walker and Mr. Hallett may be again rewarded with successful results this year.

A Legacy of £1,250 has been received from the Exors. of the late Miss C. E. Breach for the endowment of a Bed in a Male Ward of the Hospital, in memory of her parents.

Intimation has been received that the late Mr. Lewis Beckett Cooper left a Legacy of £500 to the Hospital, free of duty, subject to a life interest.

This interest in the Hospital and its work is highly appreciated.

The Rangers, Guides and Brownies of Lowestoft and District have agreed to subscribe the sum of £21 annually towards the maintenance of a Cot in the Hospital, and it is hoped this admirable example may be followed by other Organizations. A Plate has been fixed over the Cot so supported.

The ordinary expenditure for the six months amounted to £4,528 13s. 1d; against £4,735 18s. 1d. a year ago.

The Patients' Days Maintenance for the six months ended 31st March were 9,432 compared with 9,129 for the corresponding period last year. The Staff Days maintenance were 8,072 against 8,040 in the previous year.

The floor of the top corridor has been relaid in Rock Maple, and it is felt that this will lessen noise, and so benefit the patients in the Private Wards.

The programme of Cleaning and Painting for this year will be carried out for the sum of £138 4s. 0d.

In the interests of the Institution a Tenders Committee has been formed, has already begun to function, and receives and examines all tenders.

Alexandra Rose Day will be celebrated on Wednesday, 21st June, and Lady Jackson has very kindly promised to organize the effort again this year. Your Committee has fallen in with an expressed desire that Alexandra Day be held on the same day as the London Collection. It is hoped that the change from a Saturday to a Wednesday may not have an injurious effect on the financial result. An appeal is made to all who have given assistance in past years to continue their help.

The Lowestoft Town Council has kindly granted permission for the use of Nicholas Everitt Park for a Fête on the 13th July, and a Committee, under the Chairmanship of Mr. P. L. Swindell, has undertaken responsibility for organizing this effort. It is hoped that the Governors will support the Fête in every way possible.

The Town Council has also given permission for a Fête to be held on the South Pier on 10th August practically upon the same terms as those arranged with the L.N.E. Railway in previous years.

The Honorary Secretaries and Collectors of the Contributory Scheme were entertained to tea on the 27th April last, and were greatly interested in a short talk given by Dr. James MacBain Taylor on the Hospital's work by day and night for the Community. This annual event affords the Management Committee an opportunity of getting into touch with those who work so hard for the Contributory Scheme.

Moved by Mr. A. E. Tuttle, seconded by Mr. G. Kerry Rix, and resolved that the Report be received and adopted.

A Plate is provided and placed over each Bed and Cot, giving particulars of its Endowment.

KINDLY REMEMBER THE NEEDS OF THIS HOSPITAL

REPORT OF THE MANAGEMENT COMMITTEE

The Management Committee has pleasure in submitting its Report for the year ended 30th September, 1933.

Your Committee appreciates the very helpful work which this Sub-Committee continues to carry out.

Prior to the end of the financial year, payments had been received from Insurance Companies in two instances only, but three further claims have been settled since. Several cases remain under consideration.

These cases continue to be a source of expense to the Hospital, and in many instances there is no claim whatever against the Insurance Companies under the provisions of the Act.

MATERNITY CASES The arrangement entered into with the Lowestoft Corporation for the admission of both ordinary and complicated Maternity Cases having worked satisfactorily during the trial period of one year, your Committee recently agreed to renew the arrangement with the Corporation for a further period of three years.

LEGACIES Your Committee has pleasure in reporting the receipt of the following Legacies during the year :—

The Exors of the late Miss C. E. Breach, £1250.

These generous bequests are deeply appreciated, and will forthwith be invested in Trustee Securities, thus adding to the Hospital Endowment Fund and augmenting the permanent and regular Income of the Institution, which is not only helpful to sound financial administration, but also perpetuates the memory of kind and thoughtful friends, who have decided to benefit the sick and the suffering for all time.

FINANCIAL STATEMENT

The income for maintenance and administration purposes was £8,958 14s. 3d., compared with £9,113 12s. 2d., a decrease of £154 17s. 11d. INCOME

The total expenditure for the financial year amounted to £9,224 16s. 1d., compared with £9,765 17s. 2d., a decrease of £541 1s. 1d., and leaving a debit balance of £266 1s. 10d. on the year's working. EXPENDITURE

The liabilities at the end of the financial year were £4,340 10s. 10d., consisting of Overdraft on current account £3,632 0s. 10d., and outstanding creditors, £708 10s. 0d. FINANCE

Against these liabilities are assets £1,206 3s. 1d., consisting of sundry debtors £938 16s. 5d., value of Stock in hand £216 12s. 7d., cash in hand £48 12s. 10d., and National Health Insurance Stamps £2 1s. 3d.

The total amount collected in the boxes was £103 19s. 9d., a decrease of 18s. 11d. compared with the previous year. Included in the total sum was £43 17s. 0d., from the "Lacon Cup" Competition. COLLECTING BOXES

Of this amount the Imperial Hotel has collected £26 10s. 10d. and won the "Cup" for the second year in succession.

With the view of stimulating the efforts of other License holders to compete for the Cup, the Management of the Imperial Hotel has decided not to compete for the trophy for this year, but will continue their efforts on behalf of the Hospital. This generous gesture is greatly appreciated by the Management Committee.

ENTERTAIN-
MENTS

The total amount received from Entertainments was £183 7s. 7d. compared with £402 9s. 5d. last year. Your Committee views with some concern this serious falling off in income from this source.

The best thanks of the Governors are due to :—

The Lowestoft Hospital Football Charity Competition for a contribution of £34, in addition to the Annual Subscription of £10 10s. 0d.

The Suffolk County Football Association for £7 10s. representing part proceeds of County Charity Competition. The Lowestoft Elementary Schools Sports Association for £14 12s. 0d., being part proceeds of a Charity Match, and the promoters of other Cup Competitions.

The Lowestoft Hospital Bowls Tournament Committee for £23 being net proceeds of Tournament held at Sparrow's Nest. The Lowestoft Amateur Operatic and Dramatic Society for £22 5s. 4d., net proceeds of "Chu Chin Chow," at the Marina Theatre.

Whist Drives have been successfully organized by the Honorary Secretaries of the Contributory Scheme, aided by numerous helpers in the following areas :—

Carlton Colville, £11 0s. 5d.; Kessingland, £21, and South Ward, Lowestoft, £36 14s. 3d.

It is sincerely hoped that other Wards and Villages will endeavour to organize similar efforts during the winter months.

The thanks of the Governors are due to all who have helped the Hospital in this way.

CONGREGA-
TIONAL
COLLECTIONS

£117 17s. 6d. was received from collections in Places of Public Worship, a decrease of £1 19s. 7d., compared with the previous year. The Committee appeals for continued and, if possible, increased support under this heading.

" HELP
YOURSELF "
APPEAL

Owing to a decline in Sales, the amount received from the disposal of "Help Yourself" Annuals was £85, compared with £140 in the previous year.

The best thanks of the Governors are due to Dr. R. L. Walker and Mr. W. H. Hallett, who were again responsible for the organization of this effort.

During the year Quarterly Notes on the work of the Hospital and on matters of general interest have been published in the local Press. By this means the Public learns more detail of what is being done, and it is hoped that the information given will stimulate interest and support.

NOTES ON
THE WORK
OF THE
HOSPITAL

The best thanks of the Governors are due to The Rev. G. Halsey for his kind Editorial services, and to the Press, who kindly give free publicity to these interesting notes.

Your Committee has pleasure in reporting the receipt of a Donation of £50 from Mrs. Palgrave Brown, of Oulton Broad, which is to take the place of her former Annual Subscription. In recognition of her generous Gift, it is recommended that Mrs. Palgrave Brown be elected a Vice-President of the Hospital.

SPECIAL
DONATION

The Annual "Egg Day" provided 17,513 Eggs and Donations amounting to £1 6s. 2d. In addition 7,000 Eggs were kindly forwarded from the Surplus of the Norfolk and Norwich Egg Week, a record total of Eggs were thus presented to the Hospital. Last year 22,553 Eggs were received.

ANNUAL
"EGG" AND
"POUND"
DAYS

On "Pound Gift Day" 4,294 pounds of useful articles of Grocery, Provisions and Fruit, and in addition 1½ cwts. of Potatoes were received, and Donations amounted to £3 16s. 5d.

Your Committee records its best thanks to Mr. Bultitude, who for 11 years has successfully organized these events, and to all the helpers and those who, by their gifts and efforts, do so much to make these "Days" a success.

Valuable contributions of Fruit, Vegetables, Eggs, etc., are also received from the Harvest Festivals of many of the Churches in the district, and these are always welcome.

The total contributions received during the year amounted to £4,291 7s. 11d., being £152 6s. 4d. in advance of the previous year's total. Substantial increases are shown in the amounts received from the Town Wards and Country Districts.

CONTRIBU-
TORY
SCHEME

The services rendered by the Honorary Secretaries and Collectors are sincerely appreciated by your Committee.

As in previous years the Honorary Secretaries and Collectors were entertained to Afternoon Tea at St. Margaret's Institute in April.

**ALEXANDRA
ROSE DAY**

The net amount received was £129 6s. 2d. compared with £131 16s. 2d. in the previous year.

The best thanks of the Governors are due to the Organizers and Helpers.

**PATIENTS'
PAYMENTS**

During the year £916 12s. 3d. has been received from this source, compared with £865 12s. 0d. in the previous year.

Private Ward Patients payments decreased by £55 11s. 6d., but payments by General In-patients and Out-patients increased in each instance.

**NURSES'
HOSTEL FUND**

At the end of the Financial Year £299 12s. 4d. stood to the credit of the Hostel Fund.

**RECOVERY
OF INCOME
TAX ON
ANNUAL
SUBSCRIPTIONS**

Your Committee has recently appealed to Annual Subscribers to enter into an agreement with the Hospital to continue their Subscriptions for a period of Seven Years. By completing this arrangement, individual Subscribers, without any additional cost to themselves, enable the Institution to increase subscriptions by 33.1% by recovery from the Inland Revenue Dept. of Income Tax paid on such subscriptions. Up to the present 59 Subscribers have taken advantage of this method of helping the Hospital, and it is hoped many others will do so.

**EXTRA-
ORDINARY
INCOME**

Two Fêtes were held during the summer as in the three previous years.

The Fête in the Nicholas Everitt Park on the 13th July was organized by Mr. P. L. Swindell and a special Committee. There can be little doubt that had the weather been fine a record sum for a One-Day Fête would have been handed over to the Hospital. As the weather conditions went far towards ruining the Fête, it was a wonderful achievement on the part of Mr. Swindell and his helpers to be able to allocate £299 1s. 11d., the net proceeds, to the Hospital.

The Fête on the South Pier on the 17th August was organized by the Lowestoft Amateur Operatic and Dramatic Society, and the net proceeds were £336 19s. 1d.

Thanks are expressed to the Lowestoft Corporation for the use of the Nicholas Everitt Park and the South Pier.

The Special Thanks of the Governors are due to the organizers of both these admirably arranged Fêtes.

Included in the amount realized by the South Pier Fête is the sum of £88 10s. 9d., from Visitors to H.M.S. *Godetia*.

The Committee highly appreciates the kindness of Commander L. S. Acheson, D.S.C., R.N., in granting permission on two days subsequent to the actual Fête for the public to inspect the ship under his command.

The total ordinary expenditure was £9,153 9s. 7d. compared with £9,674 7s. 2d. in the previous year, a decrease of £520 17s. 7d. The number of In-patients treated to a conclusion during the year was 1,131, compared with 1,043 last year. The average length of stay in Hospital was 16 days. 18,488 Patients' days maintenance were given during the year, compared with 18,797 last year.

EXPENDI-
TURE

The Out-patient attendances numbered 15,161, compared with 17,536 last year.

The Committee wishes to record its thanks to the East Anglian Ice and Cold Storage Co. Ltd., for supplying all the ice required by the Hospital throughout the year. These and all other gifts in kind very materially reduce the current expenditure of the Institution.

The Ladies' Linen Guild held its Annual Meeting and Exhibition at the Hospital on the 28th October. By their efforts 430 articles have been provided for the Hospital.

LADIES'
LINEN
GUILD

The thanks of the Governors are due to Mrs. Muir Evans (President of the Guild), the Vice-Presidents, and all those who assist the Institution in such a practical manner.

HONORARY
LIBRARIAN

Your Committee recently appointed Miss Margaret Sangar Honorary Librarian. It was felt that this appointment would meet a long-felt need, and would prove a boon to the patients.

The thanks of the Governors are due to Miss Sangar for agreeing to serve in this capacity.

APPRE-
CIATION

Your Committee again desires to record its appreciation of the valuable services to the Hospital of:—

The Honorary Medical Staff, the Honorary Ophthalmic Surgeon, the Honorary Dental Surgeon, and the Honorary Surgeon in charge of the Ante-Natal Clinic.

The Honorary Medical Superintendent (Dr. James MacBain Taylor), whose practical knowledge and assistance are invaluable.

The Honorary Auditors (Messrs. Lovewell Blake & Company), who devote a great deal of time and attention to the accounts of the Hospital.

The Honorary Secretary (Mr. W. Bryan Forward)

The Honorary Architect (Mr. R. F. Richards).

ACKNOW-
LEDG-
MENT

The Committee wishes to express its appreciation of the valuable services to the Hospital of the Matron and Nursing Staff, whose work is continually being referred to by patients with gratitude.

The Committee also desires to express its appreciation of the good services of the Secretarial Staff, who are always ready to further the Hospital's interests.

THANKS

It is impossible to mention individually all those who have so kindly assisted the Hospital by organizing Entertainments, promoting Bowls Tournaments, Football Competitions and other Sports efforts; or in any way helped the Institution, and the Committee therefore invites the Governors to express their thanks and appreciation generally to all who have given their time and energy in the cause of the Hospital.

The figures show an increase in the work of the main portion of the Hospital; there were 63 more admissions in a total of 1,121, and 88 more cases were treated to a conclusion. This is an increase of between 5% and 6%.

The proportion of medical cases to surgical is about the same as last year, emphasizing the general nature of the work undertaken in the Wards.

The number of minor accidents and fractures is very large.

Last year 9 children were born in the Hospital—this year 26 were born including one pair of twins. These figures confirm the prophecy made in our last year's Report.

The work done in the Main Theatre shows a decrease of 29 cases—this diminution when the general work of the Hospital has been increased is probably accounted for by two factors—the largely increased admissions of minor accidents and fractures which did not require operative treatment, and an increased admission of medical cases.

Figures for attendances for the past three years are given :—

The Out-Patient figures for this year are on the whole more satisfactory—with only 9 less new patients in a total of 2,813. The total of Out-patient attendances has fallen by 2,375 in a total of 15,161—about 15%. It will be seen that this is brought about by a decrease of 2,195 in a total of 7,290 in "Dressings".

A large drop will be noted in the Tonsil and Adenoid Operation figures—only 49 are recorded, as against last year's total of 206. The actual number of Tonsil and Adenoid operations performed was 150—those coming under the care of the Ear, Nose, and Throat department were treated in the main Hospital, instead of in the Out-Patient Department as previously. This arrangement has been found to work admirably with benefit to all concerned.

Since the last report the Ante-Natal Clinic has been established in charge of Dr. M. C. Johns and 13 cases have been seen during the year.

This report was read and adopted at a Staff Meeting held on November 20th, and signed by those present.

REPORT OF THE ANTE-NATAL CLINIC FOR THE
 YEAR ENDED 30TH SEPTEMBER, 1933

Since the establishment of the Ante-Natal Clinic 10 months ago 19 sessions have been held. The total number of new patients who attended was 13 and the total attendances made were 27.

Of the cases seen 10 were expectant mothers, of which 6 were advised admission to Hospital for their confinements. The remaining three new patients were treated for post-natal conditions.

REPORT OF THE HONORARY MEDICAL SUPERINTENDENT

The numbers of In-Patients show an increase and the Out-Patients show a slight decrease. PATIENTS

The Nurses who have been trained in this Hospital continue to get excellent posts when they leave us and this shows that other Hospitals realize the value of the training given here. NURSING SERVICE

This Summer our Nurses have been giving more attention to Swimming, and our Chairman has stimulated their interest by giving a Shield which is to swum for each year.

All Hospitals are trying to encourage their Nurses in Athletic exercises and although we have not a Swimming Bath for the Nurses as they have at the Middlesex, we have a very good Sea.

The Buildings have been well maintained but unfortunately there has been a bad crack in the Youngman Ward probably due to the very dry Summer. FABRIC

Apart from this we have been fortunate in not having any heavy expenses for Repairs.

Costs are again lower this year, in fact, lower than they have been for many years. As a comparison—Twenty-one years ago the drugs and dressings cost £450 and the Income of the Hospital was £2747 with 435 In-Patients. DISPENSARY

This year the drugs and dressings cost £555, the Income was £8958 and the In-Patients numbered 1121.

Total cost of Drugs and Dressings issued each year for all purposes.

● PRIVATE WARDS

THESE Wards were established to meet the requirements of those who desire privacy and at the same time wish to receive the advantages of Hospital treatment. The wards are very comfortable and are pleasantly situated.

Patients are under the care of a member of the Honorary Medical Staff, and have the services of the resident House Surgeons. In addition, their own Doctor, if not on the Staff of the Hospital, or any other doctor, may be called in as a consultant.

The charges for nursing and maintenance at present in force are :

Single Bed Ward, £5 5s. 0d. per week.

Two Bedded Ward, £4 14s. 6d. per week.

Medical Fees are a matter of arrangement between patient and doctor in all cases.

PRIVATE WARD SCHEME

This is a Contributory Scheme in connection with the Private Wards. A member of the Scheme, by the payment of a yearly Subscription, is able to have the use of one of these Wards for a Period of 28 days at the reduced charge of 3s. per day, but in the event of the 28 days being exceeded the standard rate then in force will be charged.

Here again Medical Fees are a matter between Patient and Doctor in all cases.

By becoming a Member of this Scheme you will :—

Help YOUR HOSPITAL as an Annual Subscriber.

Assist YOURSELF AND FAMILY at a time of illness, when expenses are always heavy.

If you are a member, kindly assist the Hospital by making known to your friends the Advantages of the Scheme.

Full Particulars and Forms of Application may be obtained from the Secretary at the Hospital, who will be pleased to give all information required.

NOTES ON CONTRIBUTORY SCHEME

It is pleasing to report that the total contributions for the year again reached a record figure.

Further progress can be secured if those who do not contribute, and there must be many, will join the Scheme forthwith. The Hospital is continually extending its usefulness to the community and in return asks for the support of the inhabitants of its area.

It is hoped that contributors who only pay One Penny per week will increase to Two Pence.

There is still a large difference between the cost of treating "Contributor" patients and the amount of Contributions received, as will be readily seen on reference to the following page.

TINFOIL

Gifts of Silver Paper, Lead and Lead-foil, Capsules, Tobacco Wrappings, and any materials which can be classified as Tinfoil, will be gratefully received by the Secretary at the Hospital. Please send all your Tinfoil direct to the Hospital and thus ensure that the Institution receives the full benefit from its disposal. Collections, large and small, welcomed at all times.

Sincere thanks are expressed to all who have helped in the past, and their continued support will be appreciated.

Tinfoil means Money to the Hospital.

AN APPEAL is made to Proprietors of Hotels, Private Hotels and Boarding Establishments, and also to Shopkeepers, to have a Hospital Collecting Box and to display the Box in a prominent position.

The Secretary will be pleased to issue a Box on Application.

WHEN this Report has been read and is no longer required, please confer a favour on the Hospital by passing it on to a friend, with a view to increasing interest in the work of the Institution and making more generally known its needs.
